

DELIVERABLES

The findings from this work will be presented in a format that is useful to the partners in supporting their employers, education & training providers, and other stakeholders. It will include a regional report, PowerPoint summary presentation, and separate profiles for each partner community.

COST OF PARTICIPATION

The total cost for this project is \$250,000.

Workforce Solutions for North Central Texas will be contributing \$50,000 to this effort. The RED Steering Committee hopes to raise an additional \$200,000 through contributions made by other workforce and economic development entities. The requested project investment from each partner is based on a sliding scale based on population:

- \$10,000 for communities with population less than 10,000;
- \$15,000 for communities with population from 10,000 to 50,000; and
- \$20,000 for communities greater than 50,000.

If your organization is interested in participating in this project, please notify Workforce Solutions for North Central Texas (see contact below):
