Dear Dana,

Congratulations on your successful Make A Difference Day project, and for having an impact on your community. It's a common bond we share with you and our partners in Make A Difference Day, the Arby's Foundation and the Points of Light Foundation.

Now, it's my pleasure, on behalf of TEGNA, the Arby's Foundation and Points of Light, to recognize you as a National Award Winner for the 2017 Make a Difference Day. I have enclosed a check in the amount of \$10,000. I hope that this award will help you and future volunteers continue the service to make your community stronger than ever.

With best regards,

Anne Bentley
