**I. Applicant: Collin County History Museum**

**Mission**

The mission of the Collin County History Museum (CCHM) is to preserve and honor the past, connect with the present and embrace the future. We are committed to the collection and preservation of the rich heritage and history of the people and events that helped shape the place we proudly call home, McKinney and Collin County.

**Strategic Goals and Objectives**

We fulfill the mission of the organization through the following goals: 1) To preserve and protect our cultural history for future generations, 2) To disseminate historical information through our museum collections, archives, research library, and publications, 3) To promote resources and educational programs that highlight the history of Collin County and Texas and their contributions to our nation, 4) To improve intellectual and physical access to our local history and museum collections, 5) To leverage new technology resources to engage visitors in a meaningful way.

**Scope of Services**

CCHM is an archival museum with historical artifacts, photographs, documents, diaries, manuscripts, historical maps, archival newspapers, and land records that provide valuable research information for genealogists, historians, authors, teachers and students. The museum has a library collection of books dedicated to Collin County and Texas History. Docents also provide interactive educational programming for students across Collin County.

**Day to Day Operations**

The museum is open to the public Thursdays, Fridays, and Saturdays from 10 a.m. to 4 p.m. (with the exception of closure due to Covid.) Special tours and interactive school tours can be scheduled Monday through Friday from 8 a.m. to 3 p.m. Special events are held throughout the year.

## **Paid Staff and Volunteers**

Currently the museum has four staff members that each work 20 hours a week. The positions are 1) Executive Director in charge of museum collections and exhibit design, 2) Museum Manager in charge of daily operations, 3) Tour Guide and Museum Manager Assistant, 4) Tour Guide and Docent. The first two positions are funded through our museum operations budget. The 3<sup>rd</sup> and 4<sup>th</sup> positions are funded through a program called Workforce Solutions provided by the State of Texas.

The Museum Events and Educational Program Coordinator, Membership and Volunteer Coordinator, and Facilities Manager are currently volunteer staff.

## **II. Project Grant Overview**

The CCHM is requesting grant funding from MCDC for a significant life-sized bronze statue of Private Jeff Morgan Tucker. The monument would be an open space improvement, installed in front of the Collin County History Museum at street level on the east side, to greet visitors and residents of McKinney.

Jeff Morgan Tucker was of African American descent and grew up in the Lewisville area, on the east side of McKinney. He was drafted into the US Army and died while serving in France during WWI. Pvt. Tucker died of influenza related illness during the wartime pandemic, as did approximately half of American WWI casualties. He was just 24 years old and is buried in the historically African-American Ross Cemetery of McKinney. His unmarked grave finally received a military headstone in 2017.

The statue of Pvt. Tucker is an important statement by our community as he represents a proud tradition of service and sacrifice made by young men and women from McKinney. WWI is a war that has been thus far widely unrecognized by monuments in the United States. A national WWI monument for Washington DC has been in process since 2016, at a cost of approximately \$40 million. The sculptor, Sabin Howard, is American but all enlargement, molding and casting is taking place overseas. The installation of the Washington DC monument is tentatively slated for the fall of 2021. Having a local monument would provide opportunities for McKinney to be recognized by the media as they are discussing the new national WWI monument.

## **Scope of Project**

The Private Tucker monument will be sculpted by a McKinney artist, Rachel Reitan, using a composite of photos from Pvt Tucker's company, and a local young man as model. Rachel is a well-respected member of the local artist community and has maintained a professional studio on the McKinney historic square for more than a decade. The Pvt Tucker sculpture will be enlarged, molded, and cast in bronze at a local foundry, and installed within 9 months in front the Collin County History Museum. Bronze is a durable material, and should last hopefully forever with no maintenance required. It is our hope that the public will interact with the statue, standing shoulder to shoulder with him, and eye to eye. He will stand proudly holding the WWI 48 star flag in one hand and a bugle in the other. Bronze develops a beautiful patina, and will "polish" when touched. We hope Pvt. Tucker will become a symbol for McKinney and a source of pride, especially among our African American citizens. The statue will be placed in such a way to encourage group photographs with him.

The process of casting a sculpture into bronze involves months of work by trained artists and artisans. Pvt Tucker will go through three complete iterations, sculpted in full detail, prior to achieving his final form in bronze. First, Rachel will sculpt a 24' tall fully-detailed maquette in clay. That clay maquette will be scanned, enlarged and 3D printed into foam at life size. Next clay is put over the foam by the skilled artists at the foundry so that Rachel can spend weeks working the minute detail and texture to truly bring the statue to life. That sculpture is then skillfully cut into pieces and molds are taken. From those molds a whole new sculpture is then produced in wax, and another team of highly skilled artisans (supervised by Rachel) will reassemble it and check for perfection of detail. Finally, the sculpture is cut apart for a final time and it is cast in bronze. All of the separately cast pieces are reassembled seamlessly and a patina finish is added. Over 30 highly trained professionals will have worked together to produce this unique monument.

Artist fees for bronze sculpture are calculated as half of the foundry cost. We have bid the statue at two foundries, and the bids are approximately the same at \$60,000. We are very much aware of cost considerations but want to ensure a quality outcome that will last. At the point of hiring the foundry, we will evaluate the cost options once again. The second foundry is in Norman Oklahoma, and with that option there would need to be consideration for additional travel costs. We sincerely hope for the project to come in under budget. Rachel has

graciously agreed to reduce her fee by \$18,000 to make the project more feasible. She expects to work approximately 450 hours to complete the project.

The Collin County History Museum building/grounds are owned and maintained by Collin County. While effort has been made to obtain permission to place the statue on the museum grounds, it has been suggested that presentations be made to possibly more than one of the county governing committees following MCDC approval and prior to implementation of any action. The statue plinth, a 4x4' concrete pad, would not in any way attach or alter the building, so we do not anticipate any barrier to approval.

### **Goals of the Project**

Why is it important to have public art? First and foremost, art is a way to recognize community identity and inclusivity, and to motivate civic pride. The Private Tucker monument recognizes the contributions to our community by all citizens through the image of a young African American man who gave his life in service to our country.

Public art enriches our physical environment, bringing streetscapes, and historic buildings to life. The monument will be accessible and interactive, reminding us of Pvt Tucker's humanity and his sacrifice. He is "us." This monument will connect citizens to their neighbors and their shared history, and make cultural heritage a tangible community asset.

Public art pieces draw visitors into an area and establish a community's overall sense/feeling of merit and worth. Beautiful and powerful art raises the esteem with which a visitor views a city and affects their perception of the value of goods and services. Public art also provides professional opportunities for artists and cultivates an environment in which artists are valued, and their work is desired. It has been proven that a thriving community of artists can lead to an influx of patrons and interested visitors, and the therefore growth of the local economy. The Pvt Tucker monument will be a work generated from within the McKinney art community.

Providing a variety of forms in public art (murals, installations and monuments) will appeal to a broader audience and draw a more inclusive range of people to stroll our streets and shop in our stores. Further, a unique piece of public art can draw favorable media attention to a city.

Public art can raise public awareness about important community issues, such as civic involvement, patriotism and respect for diversity. Art creates supportive learning environments. It opens eyes—and minds! Art attracts students to environments conducive to both learning and fun.

### **Project Objectives**

- Promote heritage tourism in McKinney and attract visitors to the museum and to other businesses in the downtown
- Honor our military and heroes of history
- Create promotion opportunities for social media

### **Attendance:**

Before closures due to Covid, the Collin County History Museum consistently attracted approximately 7,500 visitors annually.

On average, hundreds of visitors walk through the doors of the Collin County History Museum weekly. They come from all across Collin County, Texas, the United States and even from other countries. The museum offers visitors a unique place to learn and explore. Many people visit the museum after they have eaten breakfast on the square. Some see the museum sign and walk in off the streets to explore. Other groups come to the museum as their primary destination for a scheduled tour. After the tour, they spend the afternoon eating and shopping in the downtown. It is important that a town, the size of McKinney, offers tourists a variety of opportunities for enjoyment and entertainment. To help attract visitors, the museum has established a schedule of monthly promotional events. (See 2021 Calendar of Events attachment)

### **McKinney City Council and McKinney Community Development Goals supported by the proposed Project:**

- Eligible for MCDG consideration under Sections 501 to 505 of the Texas Local Government Code (refer to MCDG Grant Guidelines)
- Support cultural, sports, fitness, entertainment, community projects and events that attract resident and visitor participation and contribute to quality of life, business development and growth of McKinney sales tax revenue
- Highlight and promote McKinney as a unique destination for residents and visitors alike

**Overview of Alignment with goals and strategies adopted by McKinney City Council and McKinney Community Development by the proposed Project:**

The CCHM is a 501(c)(3) and is eligible for MCDC consideration for grant funding and meets the goals and strategies adopted by the McKinney City Council and MCDC in the following ways:

- Because the museum is located just one block east of the historic downtown square, hundreds of visitors attending the museum contribute to the growth of the McKinney sales tax revenue by shopping and eating in the downtown square.
- The museum is a Texas Historic Landmark and offers a unique destination not only for the enjoyment of the museum exhibit but visitors also enjoy the unique architecture and historical features of the building.

**III. Financial**

**Overview of CCHM Financial Status**

The CCHM has been able to continue to increase our financial resources for our monthly budget expenditures. We have also set up a reserve account from our monthly positive cash flow. The board of directors has focused on building collaborative relationships and partnerships with historical organizations, McKinney organizations and businesses and the Collin County Historical Commission. Through these collaborative relationships and partnerships, we have seen an increase in donations, memberships and financial support for the museum. We have organized a committee to seek grant funding through various community and historical organizations to continue to fund projects that keep us connected to and involved in the community.

Our financials are not audited, but are professionally prepared and reviewed by: Nabors CPA Services, Wayne Nabors, Certified Public Accountant. (See Financial Attachments)

**Projected Total Project Grant Expenditures**

Promotional Grant Request from MCDC	\$73,600
In Kind Services	<u>\$19,960</u>
Total Promotional Expenditures	\$93,560

MCDC funds requested will fund 79%  
Additional In-kind services 21%  
(See Itemized Promotional Budget Attachment)

#### **IV. Marketing and Outreach**

The CCHM will utilize the following marketing plans and outreach strategies:

- Submit stories about Pvt Tucker and his connection to McKinney to newspapers and magazines in both print and digital formats
- Post information about Pvt Tucker on the Collin County History Museum website
- Utilize Google Analytics Statistics from museum webpage
- Work with MCVB to include the museum in tour groups visiting McKinney
- Continue to post videos to YouTube, including Pvt Tucker's story
- Distribute email communication to schools and colleges in Collin County
- Utilize social media by postings on Twitter and Facebook accounts
- Post event dates on the McKinney Convention and Visitors Bureau, and the Preserve Historic McKinney Calendar
- Submit articles for publication in newspapers and magazines
- Attend marketing events through Celebration Magazine and Collin College, as available following Covid cancellations

#### **V. Metrics to Evaluate Success**

The museum collects attendance data for our exhibits through Google Forms. When visitors come to the museum, they scan a QR code that takes them to a custom designed Google Form. They sign in through the form which collects information and statistics about our visitors. We track the number of adults and children that visit, along with their city and state. There is also a place to submit visitor feedback and comments. All statistics will be shared in the final report.

We utilize Google Analytics for our Collin County History Museum website. This tool has a number of features that generate detailed statistics that allow us to review how well users are interacting with our website and content. This tool helps us know how visitors find our website, what pages they click on while on the site and how they click through the site. We can track the demographics of

visitors to the website as well as what device they use to access our museum website.

We feel that our museum has been a success when we continue to see the number of visitors increase. We also evaluate our success when we continue to see visitors come from all around the county, state and nation.

We also feel successful as we see an increase in the number of museum partnerships that are established. We have established a relationship with Collin College History Professor Joe Jaynes, a former Collin County Commissioner. For the past two years he has encouraged his students to attend the museum exhibits by incorporating it into a class project. We have had hundreds of students bring their families from all around Collin, Denton and Dallas counties as part of this history project. We also work with McKinney CVB to schedule tour groups visiting our city.

# World War 1 soldier with flag on pole life size 12/22/2020

The following is an estimate to create a life size sculpture using a maquette provided by the artist.

We will take the maquette and have a 3d scan done of the piece.

Then a life size foam (6 ft.) Will be cut giving us the form of the subject.

Schaefer Art Bronze will then assembly the foam figure onto a 4ft. x 4 ft. work cart. Build and armature to support the weight of the sculpture. Then apply clay to the figure and complete to about 90 % the surface finish. Leaving the remainder of the finish work to the artist. We will provide a work space so the artist can take the time that she will need to finish the sculpting to her standards.

Once the art work is completed and approved we will then make a urethane mold that can be used to produce the waxes necessary to cast the sculpture. On completion of the mold we will then start the casting process.

Casting the sculpture will take casting all the panels that where produced when making the mold. When each panel is poured it will be cleaned set aside till all panels are cast. Once they are cast and cleaned the sculpture will be assembled.

When the final assembly is complete and approved by the artist we will then apply a patina that is approved by the artist.

The sculpture will then be ready to deliver and install.

Costs

Enlargement cost \$18,000.00

Mold cost \$10,000.00

Casting cost \$25,000.00

Patina \$800.00

Delivery and installation?

If it is local \$3,000.00 if it requires travel then the cost of the travel (i.e. mileage, hotel and food expenses)

Sample cost if delivered to Washington D.C. \$5,800.00

Total cost of casting not including deliver or installation.

\$53,800.00

With delivery expenses and other unforeseen issues I would suggest setting your budget at \$60,000.00 which would give you a few thousand buffer along with your artist fees.

It would take us about 6 months but in our conversations you may need this a little sooner than that and I believe that we can accomplish that in 5 months depending on how soon we can get started.

You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA). However, since you are a private foundation, you are subject to excise taxes under Chapter 42 of the Code. You also may be subject to other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

You are required to file Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as a Private Foundation. Form 990-PF must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law

late, unless there is reasonable cause for the delay.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Because this letter could help resolve any questions about your exempt status and private foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

  
Glenn Cagle  
District Director
