Dear Cindy,

We are close to closing out our funds for Project # 19-07. Our final expenses will be for wallpaper for the Johnson House and awnings as described below.

We were awarded \$5,000 for artificial turf in the wedding garden, based on the 3 bids we received. We ended up choosing an option that cost \$4238, leaving a \$762 balance.

We were also awarded \$2,000 for awnings, which will help protect our 2 large uncovered porches. Each year we must replace rotted wood and paint about half of our 18 porches. We purchased one awning for \$1282.45, which will work on the smaller of the 2 porches, leaving \$717.55 to be used.

The awning we would like is \$1600 – and I am asking for permission to use the \$762 remaining from the turf, in addition to the \$717 on the awning allowance. That would allow a total of \$1479 to be used and provide 92% of the funds needed for this expenditure.

On another note – we asked for \$12,500 of the \$15,000 estimate needed for Dixie's Store project. In fact, some 250 labor hours have gone into that project making the in kind labor value \$5000 to date, 40% of the total cost for the project.

Thank you for your support of Chestnut Square.

Sincerely,

*Jaquie Fedigo*
