Using the outline below, provide a written narrative no longer than 7 pages in length:

At Strikes Against Cancer (SAC), our Mission Statement is "To be a nationally recognized charitable organization that is dedicated to raising funds for cancer research through our youth sport affiliations within the community, professional organizations, and businesses that support Fighting Cancer One Strike at a Time".

Our strategic goals as an organization include donating our net proceeds to organizations that support cancer research, (including the Jimmy V Foundation, ESPN, Carter Blood Care and American Cancer Society), as well as raising cancer awareness through our fundraising activities. These activities currently include an annual youth baseball tournament based in McKinney then generating out to the DFW Metro Plex, donations through our local partners and businesses, Inaugural Golf tournament in 2014, Minor League Ice Hockey Event Benefit, 5K Run and merchandise sales. Our 100% volunteer (unpaid) board and committee leads dedicate their time and resources to help us achieve these goals.

SAC has partnered with the City of McKinney and two McKinney based organizations, Baseball Nations/Triple Creek Academy and The Ball Fields at Craig Ranch to coordinate an annual youth baseball tournament during the first weekend of May. These tournaments have been located across multiple McKinney Parks & Recreation facilities including Mouzon Park, Gabe Nesbitt 5 Plex, Gabe Nesbitt 3 Plex, North Park South as well as Triple Creek Academy and the Ball Fields at Craig Ranch.

Between 2011 and 2014, in 2014 we had over 680 register team and had over 450 teams participate making SAC one of the largest tournaments in the Southwest, representing Texas, Oklahoma, Arkansas, New Mexico and Louisiana. The per-team tournament fee is paid directly to the tournament directors (both McKinney businesses), while the "gate fee" and other fees are charitable donation to the SAC.

The target audience for our events includes a higher income demographic that supports "pay to play" youth sport organizations. Our estimations show that each team represents 30-38 individuals per team attending the three-day tournament, which reflects 22,500- 28,500 attendees since our inception. While the economic impact of this tournament has proven difficult to quantify, we've worked diligently with the McKinney Chamber of Commerce, LaQuinta and other hotels in the area, and are confident that multiple teams have supported local restaurants, sporting retailers, convenience stores, gas stations, urgent care centers, hospitals, and hotels during the tournament. Combined with the tournament fees paid to the directors, this tournament has a direct impact on the McKinney economy during the annual three-day event.

In an effort to align our goals, messaging, and fundraising efforts, we have created an easily followed "pay per strike" model. As we continue to grow the tournaments, we will continue to grow the total number of strikes thrown. This model will allow us to easily identify our charitable efforts to potential donors as well as the Jimmy V-Foundation and American Cancer Society.

Our goal for the 2015 tournament is to have over 600 teams attend in May.

IV. Marketing and Outreach

Describe marketing plans and outreach strategies for your organization and for the Project/Promotion/Community Event for which you are requesting funding – and how they are designed to help you achieve current and future goals.

We've had 158% growth with the assistance of ESPN Radio. Last year we had our most significant growth with 2 additional weeks. SAC will have 4 weeks of ESPN Radio. A

featured ad in McKinney Magazine.

We at SAC truly believe in the power of billboards! We want to promote our 2 Time Chevy Hometown Hero and Welcome all of Visitors into the City of McKinney while compounding our CITY BRAND EQUITY. Going into our 5th year we can send our message, and impressions, to thousands of McKinney residents and surrounding North Texas, having a board donated and paying for production cost of vinyl. This cost will be off-set by Sponsorship donations.

V. Metrics to Evaluate Success

Outline the metrics that will be used to evaluate success of the proposed Project/Promotion/Community Event. If funding is awarded, a final report will be required summarizing success in achieving objectives outlined for the event.

SAC will supply MCDC economic impact figures of local business of the dates of our Tournament opposed to average weekends along with hotel information.

Our Fight

Founded by an incredibly passionate, 11 year-old named Geordon Cox. Furious with the disease and how it had affected his family, Geordon put in the time and effort needed to create a lasting charity that would benefit cancer research as a Christmas gift to his mother (Lisa).

Geordon's mom, Lisa, is currently fighting endometrial and cervical cancer for the fourth time in four years! Unlike most young men, Geordon didn't feel sorry for himself.

Instead, he used his energy and skill to formulate a plan, how to fight cancer
