Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section- 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code section(s) listed in the heading of this letter.

Please see enclosed Information for Exempt Organizations Under Section 501(c)(3) for some helpful information about your responsibilities as an exempt organization.

Ms. Sandi Cooley
The Dallas Off Road Bicycle Association
6333 E. Mockingbird Lane, Suite 147
Dallas, Texas 75214-2672

Dear Ms. Cooley:

Effective Sept. 11, 1996, The Dallas Off Road Bicycle Association is exempt from Texas franchise tax and sales and use tax as a 501(c)(3) organization. The exemption does not extend to hotel occupancy tax.

The organization has a Texas sales and use tax permit, and the Texas taxpayer number assigned to the organization is 17526690668. Please reference this number in correspondence with us. Exempt organizations must collect taxes on most of their sales. Please give our Tax Assistance Section a call at (800) 252-5555 if you have questions about your sales tax responsibilities.

The sales tax exemption extends to goods and services purchased for use by your organization. The exemption does not apply if the purchase is for the personal benefit of an individual or private party, or is not related to the organization's exempt purpose. For more information, please see our publication # 96-122, *Exempt Organizations - Sales and Purchases*.

The enclosed exemption certificate can be issued instead of paying tax when buying taxable items related to the exempt purpose of the organization. Make as many copies of the exemption certificate as you need. The exemption certificate does not need a taxpayer number to be valid, but you may provide your taxpayer number if the seller requests it.

Changes to the organization's registered agent and registered office address must be filed with the Texas Secretary of State. The changes can be made online at <http://www.sos.state.tx.us/coip/sosda/index.shtml> or you can download the forms and instructions from http://www.sos.state.tx.us/cor/forms_option.shtml. You can also contact them at corpinfo@sos.state.tx.us or by calling (512) 463-5582. It is important to maintain current registered agent information, because this is how we will contact you if we have reason to believe that your organization no longer qualifies for exemption.

Our goal is to provide you with prompt, professional service. Please take a moment to complete the enclosed survey. If it is more convenient, you may complete our on-line survey at <http://aixtep.cpa.state.tx.us/surveys/tpsuv2/index.html>.

If you have any questions, write to us at exempt.orgs@cpa.state.tx.us, or call us toll-free at (800) 531-5441, ext., 66922. Also, our publications and other helpful information are online at <http://www.window.state.tx.us/taxinfo/exempt>.

McKinney Community Development Corporation
Supporting Narrative for:
The 2.5 Mile Trail Reroute in Erwin Park

Executive Summary

During the Spring of 2014 the Dallas Off-Road Bicycle Association (DORBA) will begin construction on a 2.5 mile trail reroute for the 8.0 mile trail in Erwin Park. DORBA has been given trail stewardship for the 8.0 miles off-road multi-user for the past 10 plus years. Approximately 2.5 miles of that trail are in need of rerouting because of erosion. This will involve cutting new trail as well as rehabilitating the old sections of the trail that will be closed. All this this work will be done entirely with volunteers. To accomplish this 500+ hour project, DORBA will need additional resources in the form of tools and supporting equipment to accomplish both the reroute and the rehabilitation of the existing trail that will be taken out of service. Because of the relationship that ODRBA has enjoyed with both the City of McKinney and the MCDC in the past, we are again asking for support in the form of a \$2600 grant request to support this community project.

Organization Background

The Dallas Off-Road Bicycle Association (DORBA) has been in existence since 1989. The organization was founded with a five point mission:

- Provide cycling education programs that advance a cyclists knowledge and skill level in a fun and encouraging atmosphere;
- Host non-competitive cycling events that foster a sense of fellowship and camaraderie that appeals to the diversity that is found within mountain biking community;
- Advocate for competitive cycling events catering to XC, endurance, and racers of all racing skill levels;
- Adhere to national IMBA guidelines for trail development and other insurance requirements;
- Create and maintain open, direct, and legal partnerships with land managers that can serve as models for new trails.

Since DORBA's inception it has become responsible for designing, developing, and maintaining over 25 different trail heads and 200 miles of trails in the North Texas region. DORBA volunteer members contribute over 10,000 hours of volunteer labor on an annual basis to maintain these trails. With a

DORBA

membership of over 1000, and the volume of trails, programs, and equipment DORBA maintains, a certain amount of expense is incurred. To offset this expense, DORBA uses three different revenue streams: membership dues, grant funding, and net proceeds from hosting various competitive races.

DORBA has managed and maintained a relationship with the City of McKinney for over 14 years. To say that relationship has been a success is an understatement. We often use the relationship DORBA has with the McKinney Parks and Recreation Department as a model when we are asked to move into another municipality for management of a trail. The maintenance of the multiuse trail in Erwin Park is done solely by DORBA. DORBA annually contributes 100+ volunteer hours to maintaining the trail within Erwin Park. The following is a list of hours that DORBA has contributed to Erwin Park in the past 10 years:

2012 IRS Volunteer rate = \$ 22.16

Year	Hrs	Value
2003	357	\$ 7,911
2004	181	\$ 4,011
2005	108	\$ 2,393
2006	142	\$ 3,147
2007	66	\$ 1,463
2008	252	\$ 5,584
2009	237	\$ 5,252
2010	487	\$ 10,792
2011	151	\$ 3,346
2012	541	\$ 11,989
2013	292	\$ 6,471

Total = 2814 \$ 62,358

This does not include the amount of materials that DORBA has either funded or had donated to support various projects within the park that exceed \$25,000 over the last 10 years.

Erwin Park is one the "crown jewels" to North Texas mountain biking (and was the potential site for mountain biking when Dallas was vying for the Olympics). Besides the trail being fun, challenging, and of sufficient length, the setting is idyllic within the park. Trail counters have shown that over a warm spring weekend that the trail can easily see over 1000 riders and pedestrians.

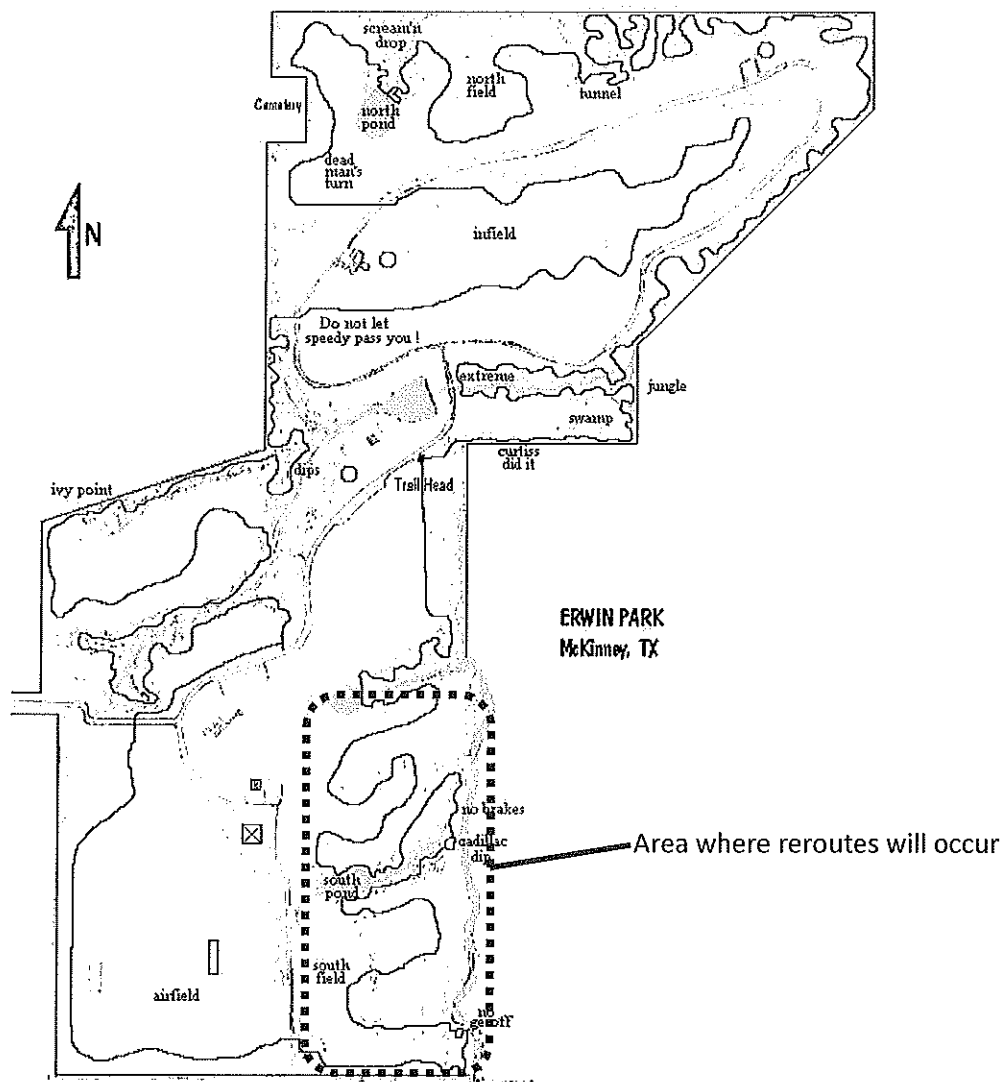

With the increased growth that McKinney is undergoing and for the foreseeable future, the trail is in need of some strategic reroutes to handle the future traffic, as well as correct some of the erosion issues that have steadily occurred over the past 10 years. All of the work will be accomplished by

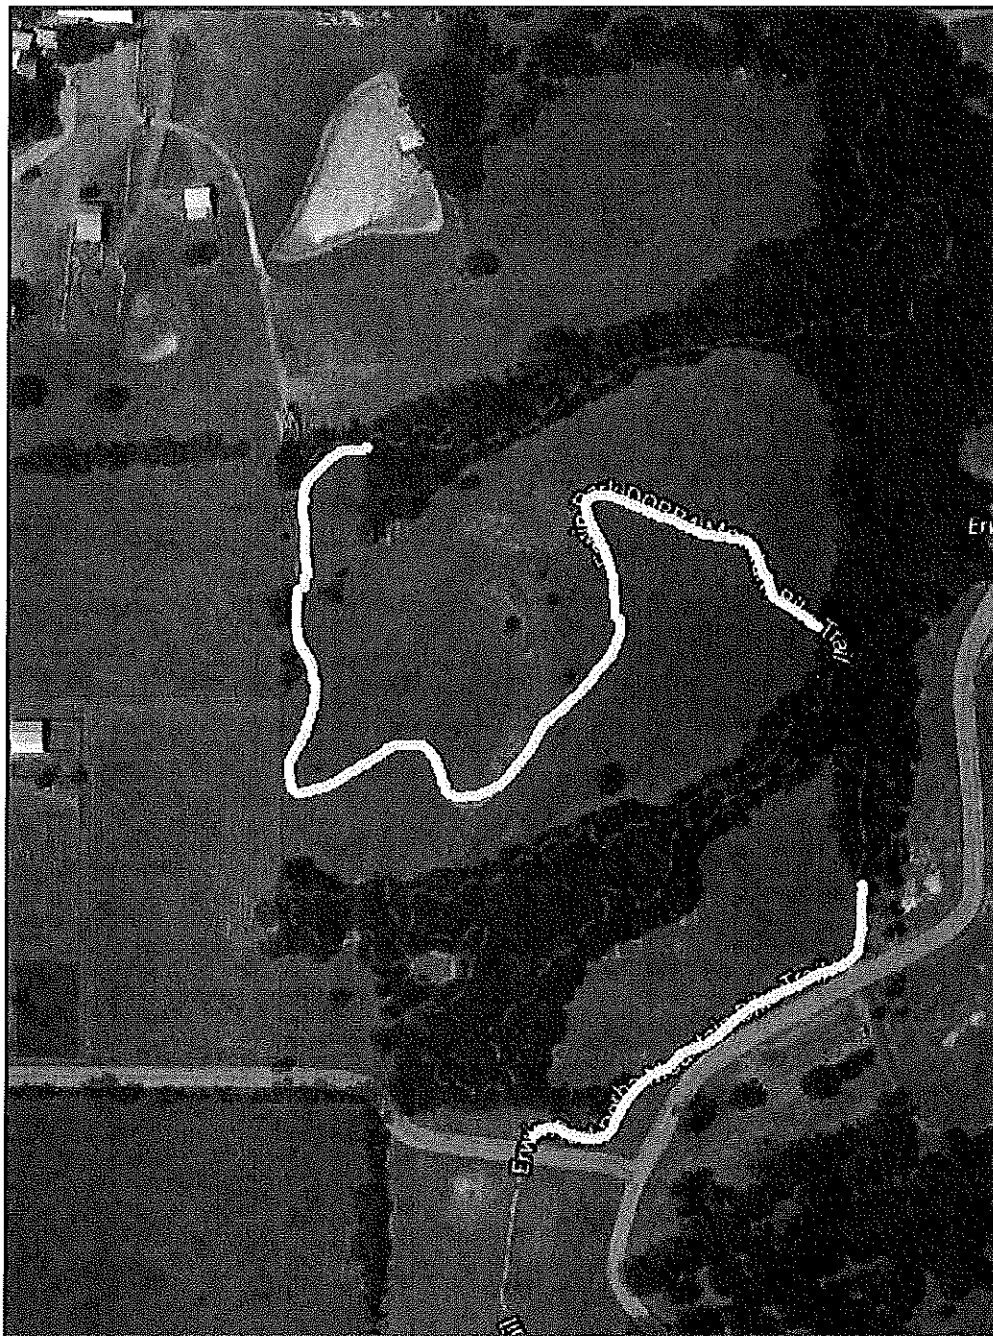

the dedicated volunteers that have continued to support the efforts in the past. The project is expected to begin in the Spring of 2014 and take about 500 hours of volunteer time.

DORBA is asking for MCDC support to fund equipment purchases that will be used in the project.

Summary

DORBA has become an integral part of the volunteer support system that maintains the trail within Erwin Park. The majority of the work is self-funded. As the needs for the park increase with a growing population, the resources that DORBA needs to help maintain the trail also increase. DORBA is asking the MCDC to continue to support DORBA's efforts with a project grant fund of \$2600 to support a 2.5 mile trail reroute scheduled to begin in Spring 2014.
