Taking it to the Streets!

Letter of Intent

To whom it may concern:

We are proposing to build a 4,800 sf +/- wood frame church building on the .6152 acre site located on the southeast corner of Rockwall and Lindsey streets (Lot 15R and part of Lot 16 J.G. Fitzhugh 2nd Addition).

The building will be developed in a single phase. We will ask for a variance to use a live plant screen as a screening device adjacent to the single family residence along the southern property line. Currently the property is zoned RS-60.

Sincerely yours,

Kelly Wood, Co-Director
