ATTEST:

EMPRESS DRANE
City Secretary

This is a plane housed at McKinney airport. I WANT THESE IRRESPONSIBLE ROGUE PILOTS SANCTIONED-- BANNED FROM MCKINNEY AIRPORT AND MCKINNEY AIR SPACE

IF THIS IS WHAT MCKINNEY HAS PLANNED FOR THE AIRPORT EXPANSION IT'S TIME TO REVISIT THAT..I AM NOT OK THAT MY TAX DOLLARS ARE SUPPORTING DANGEROUS ROGUE BEHAVIOR LIKE THIS.

Enclosed are pictures documenting this incident. Also Flightaware documents both speed and repeated dangerous aerobatic maneuvers of this plane or a 50 minute period over McKinney.

Unfortunately, nuisance level noise is increasing exponentially from TKI as more planes use Stonebridge Ranch as a takeoff and landing approach path. Please redirect them away from residential areas... there is no need for them to create a nuisance for hundreds of Stonebridge Ranch residents.

Subject: Public Comment for Council Meeting on evictions

On behalf of the Flourish community we would like the moratorium on evictions to be extended through the month of June given the nature and uncertainty of COVID-19 and its economic follow out. There is likely to be a tsunami of families who have lost their jobs and aren't ready to reenter the workforce. We all understand that housing-distressed families create a sundry of problems that can be avoided by extending this eviction moratorium.

It costs more to evict someone and stabilize them, and get them back into housing than to work with the renter while they are seeking employment. So many Americans, including Collin County residents are one paycheck away from disaster, and all these evictions happening simultaneously over the next two months would be devastating.

We seek a resolution that urges all McKinney landlords and tenants to work together to minimize the adverse human and financial impacts associated with owning and leasing property during the COVID-19 pandemic. Let's be the city that looks to the well-being of all it's citizens.

Thank you for your leadership and consideration.

Subject: Evictions in the City of McKinney

Good Evening All!!

I pray each of you and your families are well and staying safe in this time of Pandemic. I ask your consideration for those within our city who are not as fortunate as all. I ask that

ordinance(s) be made adding protections for local citizens who have been affected financially due to COVID-19 from being displaced from their places of residence by eviction. Please go on record as being helpers of those who just cannot pay their rent and make provision for the process to go on hold or be suspended for at least 60 days.

I would like to add my encouragement and support to Councilman Shemwell and any other members of the McKinney City Council who are working to keep the citizens of McKinney housed and safe.

"For you have the poor with you always, and whenever you wish you may do them good;..." Mark 14:7

Thank you.

Subject: Public Comment - Item 20-0332 - Resolution Regarding Rental Assistance

Good evening, Mayor George Fuller and McKinney City Council!
As you consider a resolution that urges all McKinney landlords and tenants to work together to minimize the adverse human and financial impacts associated with owning or leasing real property during the COVID-19 pandemic, please consider the provisions that have been put in place through the CARES Act in support of property owners. These provisions seem to provide extended time for property owners to make their mortgage payments. Seemingly, these respective time-frames can be passed along to their tenants. As such, please consider strengthening the current resolution to include "adherence to the provisions that have been afforded through the CARES Act or any Act that might preclude the untimely eviction of tenants during this declared pandemic." Perhaps any financial support requested by landlords from the City can also take this into consideration. Please see details below.

Thank you for your consideration as you work to make business owners and renters whole.

- Beth Bentley

Sections 4022 through 4024 of the CARES act deal with mortgages and foreclosures, including eviction moratoriums and mortgage forbearance.

Section 4022 states that a borrower with a federally backed mortgage can request forbearance regardless of delinquency status by submitting a request to the loan servicer. Forbearance lasts for up to 180 days and can be extended for an additional period of up to 180 days at the request of the borrower. During the forbearance period, no fees, penalties, or interest beyond the amount of the contractual payments can accrue.

Either the initial or extended period of forbearance may be shortened at any time by the borrower's request. This section blocks the servicer of a Federally backed mortgage loan from initiating any judicial or nonjudicial foreclosure process for not less than a 60-day period beginning on March 18, 2020.

Section 4023 covers multifamily forbearance and states that a multifamily borrower with a Federally backed multifamily mortgage loan can request forbearance of up to 30 days with two additional 30-day periods, for a total of 90 days. The borrower must be current on payments as of February 1, 2020. A multifamily borrower that receives a forbearance under this section cannot evict tenants for nonpayment of rent and cannot charge late fees due to the late payment of rent.

Section 4024 creates a 120-day moratorium on evictions of tenants in properties that are part of government programs or that have a Federally backed mortgage loan. As the National Multifamily Housing Council noted in its analysis of the Act, the forbearance for multifamily properties only applies to owners with federally backed mortgages. Also, there is a disconnect between the possible 90-day multifamily forbearance and the 120-day eviction moratorium.

I keep hearing that the results are more fatal for those black/brown residents in cities who have the virus. Meaning by the time these people are tested they are normally in a serious condition and the survival rates are lower.

Will there be testing set up in those areas of McKinney?
Will they have to have the same requirements to get tested?
Will the fees be reduced for these tests?

Thank you
