RE: Gordon Hill Soccer Complex

To: Whom It May Concern,

The McKinney Soccer Association (MSA) has had a good relationship with Gordon Hill for over four years. We have supported Gordon's ideas for a soccer complex in McKinney and will continue to do so based on the following criteria:

1. The facility generates additional soccer programs for the community as a whole,
2. The facility is available to the recreational soccer player, and
3. The facility will be made available to MSA for recreational use.

The city of McKinney is in need of additional soccer facilities that would allow indoor or turf play for tournaments and advanced leagues. MSA looks forward to working with Gordon in the future to assist in providing these much needed programs and facility to our city.

Sincerely,

John R. Long
President
McKinney Soccer Association
