## ODYSSEUS CHAMBER ORCHESTRA

### EDUCATION OUTREACH

The Odysseus Chamber Orchestra embarks on an educational tour of schools in McKinney. In 2015, the orchestra's string quartet had the privilege to visit McKinney Boyd High School. This year the residential string quartet will visit the following schools. This tour also serves as a recruiting tool for the Summer Music Intensives, sponsored by the Arts and Music Guild. This project is a collaboration between the two organizations to build an education element to the community with the arts.

April 20. From 8:20-1:20pm. 5 orchestra classes – McKinney Boyd High School

April 21. From 8:20-10:30. 2 orchestra classes – McKinney North High School

April 22. From 1:20 -2:50. 2 orchestra classes – Evans Middle School

#### Additional School

April 22. From 10:20-12:00. 2 orchestra classes – Ford Middle School

The objective of these performances is to expose music students to professional music performances and to foster the ongoing love for music and to garner civic pride for their local professional orchestra.

The repertoire have been chosen carefully to showcase music from the classical cannon as well as music of a more popular form. Ravel's String Quartet, Metallica's Enter Sandman and Finnegans Wake, a Celtic tune will be performed.

Further grant funding will be from the Texas Commission on the Arts, Arts Response Education Grant and Music and Arts Guild. The Odysseus Chamber Orchestra and the Arts and Music Guild partners in the summer to organize the Summer Music Intensives, a week long summer music camp for grade school music students. Since the collaboration the camp has increased in enrollment and it is the hopes of the Odysseus Chamber Orchestra and the Arts and Music Guild that the impact to the community is has a deep, broad and strong effect.

Below is a spreadsheet of expenses and grants.
