ARTICLE VIII.

TRANSFERS

8.01 Assignment and Subletting by Tenant. Tenant shall not have the right without the prior written consent of Landlord to assign this Lease or any interest in the Lease, or to sublet the Property, any part thereof, or any right or privilege pertinent to the Lease or the Property; however, Tenant may utilize a third-party management company to manage the operation of the Parking Garage and Tenant may assign this Lease to the McKinney Economic Development Corporation or the McKinney Community Development Corporation without the prior written consent of Landlord; provided that, Tenant shall give Landlord at least thirty days' advance notice of such assignment.. In the event Tenant utilizes a third-party management company to manage the operations of the Parking Garage, Tenant shall cause the management company to maintain general liability insurance with Landlord named as an additional insured, providing coverage in such amounts as Landlord shall reasonably approve.

8.02 Disposition by Landlord. Landlord shall be liable for the performance of Landlord's covenants and obligations expressly set forth in this Lease only during the period in which Landlord holds an interest in the Property, and in the event of any bona fide sale, lease or other disposition by Landlord of Landlord's interest in the Property, and provided that Landlord's successor-in-interest shall have assumed the performance of Landlord's covenants and obligations from and after the disposition of Landlord's interest in the Property, Landlord shall thereupon and without further agreement be relieved of all liability with respect to the performance of such covenants and obligations, and Tenant shall thereafter look solely to Landlord's successor-in-interest in and to this Lease. Simultaneous with the execution hereof, Landlord shall obtain any mortgagee's execution of a Subordination, Non-Disturbance and Attornment agreement in substantially the form shown on **Exhibit "F"** attached hereto. Tenant shall immediately upon request, and without charge to Landlord, attorn in writing to such successor-in-interest, provided always that Landlord's successor-in-interest shall have agreed in writing to be bound by the terms of this Lease.

8.03 Tenant's Early Option to Purchase. At any time after the Commencement Date and continuing through the Term, Tenant shall have the option to purchase the Property, on the following terms and conditions:

(a) Tenant must give written notice to Landlord of the exercise of the early option under the Section 8.03 prior to expiration or termination of this Lease;

(b) the purchase price shall be payable in cash at closing and shall be in an amount equal to the sum of (i) the amount designated as the "Loan Balance" shown on the amortization schedule attached as Exhibit D (the "Agreed Purchase Price") determined as if each monthly payment of Rent received by Landlord hereunder was the corresponding monthly loan payment shown in such amortization schedule, plus (ii) an amount equal to the interest that would accrue on such Loan Balance amount from the date of the last payment of Rent by Tenant to the date of closing calculated using the interest rate set forth in such amortization schedule. By way of example only, assuming Tenant has paid the first six (6) monthly payments of Rent at the time of the closing and twenty (20) days have elapsed since the last payment of monthly Rent by Tenant, then the Agreed Purchase Price would be equal to the sum of (i) \$4,300,597.25 (the Loan Balance amount set forth in the amortization schedule after 6 monthly payments) plus (ii) \$11,193.33 (interest on the amount of \$4,300,597.25 at 4.75% per annum for 20 days);

(c) the closing on the sale of the Property will occur no later than sixty (60) days after Tenant's notice of exercise of the option, such closing to take place at Secured Title of Texas, 2000 N. McDonald Street, Suite 200, McKinney, Texas with the title policy issued through Secured Title of Texas;

(d) conveyance of the Property will be by special warranty deed, subject only to those matters affecting title to the Property as of the Effective Date of this Lease (excluding monetary liens, deeds of trust, or encumbrances, all of which shall be fully released at closing);

(e) all title insurance premiums and related charges, and all other closing costs shall be the responsibility of Tenant;

(f) it shall be a condition precedent to Tenant's right to exercise the option that Tenant shall not then be in default under the terms of this Lease;

(g) The option to purchase, if not previously exercised, shall automatically expire and be of no further force or effect upon the occurrence of the Automatic Option to Purchase under Section 8.04 below.

8.04 Automatic Option to Purchase. On the fifth (5th) anniversary of the Commencement Date, the Tenant's Option to Purchase shall automatically be exercised, and the Property shall be transferred to Tenant on the following terms and conditions:

(a) Tenant shall have made all Base Rent and Additional Rent payments under the Lease;

(b) the closing on the transfer of the Property will occur no later than thirty (30) days after the end of the Term, such closing to take place at Secured Title of Texas, 2000 N. McDonald Street, Suite 200, McKinney, Texas with the title policy issued through Secured Title of Texas;

(c) conveyance of the Property will be by special warranty deed, subject only to those matters affecting title to the Property as of the Effective Date of this Lease (excluding monetary liens, deeds of trust or encumbrances, all of which shall be fully released at closing);

(d) all title insurance premiums and related charges, and all other closing costs shall be the responsibility of Tenant.

8.05 Confirmation of Tenant's Failure to Exercise Purchase Option. In the event Tenant fails to properly exercise the Early Option to Purchase in accordance with the requirements of **Section 8.03** or does not satisfy all of the requirements for exercise of the Automatic Option to Purchase in accordance with **Section 8.04**, Tenant, upon Landlord's request, shall deliver written confirmation of the termination of this Lease and the options to purchase.

ARTICLE IX.

DEFAULT

9.01 Tenant Default.

(a) The occurrence of any of the following events during the Term shall constitute an "Event of Default" for purposes of this Lease:

(i) Tenant fails to pay Base Rent when due under this Lease on the first day of each calendar month and such failure continues for ten (10) days after written notice to Tenant from Landlord of non-receipt of such Base Rent; provided that, Landlord shall not be required to give written notice of non-receipt more than two (2) times in any consecutive twelve (12) month period and any failures

thereafter shall constitute an event of default if the payment is not made when due, without the necessity of Landlord giving any notice of non-receipt;

(ii) Tenant fails to pay any additional rent when due and such failure continues for ten (10) days after written notice to Tenant from Landlord of non-receipt of such additional rent; provided that, Landlord shall not be required to give written notice of non-receipt more than two (2) times in any consecutive twelve (12) month period and any failures thereafter shall constitute an event of default if the payment is not made when due, without the necessity of Landlord giving any notice of non-receipt;

(iii) Tenant fails to vacate the Property upon any early termination of the Term;

(iv) Tenant fails to comply with the requirements of **Section 8.01**;

(v) Tenant fails to time deliver the certificate required by **Section 15.07**;

(vi) Tenant fails to comply with any other term, provision, or covenant of this Lease, other than those matters set forth above in subsections (i) through (v), and does not cure the failure within thirty (30) days after written notice of the failure to Tenant; provided that, if such failure cannot reasonably be cured by Tenant within such 30-day period, Tenant will not be in default as long as Tenant commences the cure with such 30-day period and thereafter diligently pursues the cure to completion;

9.02 Landlord Remedies. Upon the occurrence of any Event of Default, Landlord shall have the option to pursue any one or more of the following remedies:

(a) Landlord may terminate this Lease and forthwith repossess the Property and be entitled to recover forthwith as damages a sum of money equal to the total of (i) the unpaid Rent earned at the time of termination, plus interest thereon at the Default Rate from the due date, (ii) the balance of the Base Rent for the remainder of the Term less the fair market value of the Property as of the date of the Event of Default and (iii) any other sum of money and damages owed by Tenant to Landlord.

(b) Landlord may enter upon the Property, without being liable for prosecution or any claim for damages for such entry, and do whatever Tenant is obligated to do under the terms of this Lease to correct the default. Tenant agrees to reimburse Landlord on demand for any expenses that Landlord may incur in effecting compliance with Tenant's obligations under this Lease in this manner, and Tenant further agrees that Landlord shall not be liable for any damages resulting to Tenant from such action.

9.03 Remedies Cumulative. Landlord may, from time to time, resort to any or all of the rights and remedies available upon the occurrence of an Event of Default by Tenant, either by any provision of this Lease or by law or in equity, all of which rights are intended to be cumulative and not alternative. Any provision contained in this Lease as to certain rights and remedies is not to be interpreted as excluding any other or additional rights and remedies available to Landlord at law or in equity.

9.04 Waiver of Damages; Attorney Fees. Notwithstanding anything in this Lease to the contrary, neither Party shall have any liability to the other for indirect, incidental, consequential or special damages. Tenant shall look solely to the interest of Landlord in the Property for satisfaction of any claim against Landlord arising out of or related to the terms of this Lease and Tenant shall not seek to impose liability upon Landlord for satisfaction of any claim against Landlord. If any action shall be instituted by either Landlord or Tenant for the enforcement or interpretation of any of its rights or remedies in or under this Lease, either party may additionally seek and recover reasonable attorneys' fees and court costs as determined by the Court.

9.05 Landlord's Default. Landlord shall not be in default hereunder unless Landlord fails to perform the obligations required of Landlord within a reasonable time, but in no event later than thirty (30) days after written notice by Tenant to Landlord specifying wherein Landlord has failed to perform such obligation; provided, however, that if the nature of Landlord's obligation is such that more than thirty (30) days are reasonably required for performance, then Landlord shall not be in default if Landlord commences the cure within such thirty (30) day period and thereafter diligently pursues the cure to completion. In the case of a default by Landlord, Tenant's sole remedy shall be to cure the same and seek reimbursement from Landlord (and should Landlord fail to promptly reimburse Tenant, Tenant shall have the right to pursue an action at law against Landlord for monetary damages). Nothing herein contained shall be interpreted to mean that Tenant is excused from paying Base Rent, Additional Rent and all other monetary obligations due hereunder as a result of any default by Landlord. Notwithstanding the foregoing, Landlord's failure to deliver possession of the Property to Tenant under Section 2.04 by December 1, 2018 shall automatically reduce the Base Rent payable to Landlord by \$2,000.00/day for every day of delay in delivery of the Property to Tenant, except for delays caused by Force Majeure events.

ARTICLE X.

COVENANT OF QUIET ENJOYMENT

10.01 Covenant of Quiet Enjoyment. Landlord represents and warrants throughout the Term, that upon payment of the Rent hereby reserved at the times and in the manner herein provided, and upon the observance and performance of each and every covenant, condition, restriction and stipulation by Tenant to be observed and performed, Tenant shall and may peaceably and quietly possess and enjoy the Property without any interruption from or by Landlord or any other Persons lawfully claiming by, through or under Landlord, save and except as expressly provided in this Lease.

ARTICLE XI.

11.01 Surrender of Property. Upon any early termination of this Lease under a right exercised by Landlord, Tenant shall peaceably surrender and yield up possession of the Property to Landlord.

ARTICLE XII.

FORCE MAJEURE

12.01 Relief from Performance. Except (a) to the extent set forth in this Lease to the contrary, or (b) if this Lease provides that time is of the essence with regard to any period for a Party's performance under this Lease, whenever and to the extent that either Party is bona fide unable to fulfill or is delayed or restricted in fulfilling any of its obligations under this Lease by an event of Force Majeure, such party shall be relieved from the fulfillment of the part of its obligations affected by Force Majeure for the period of the delay caused by such Force Majeure, and the period for the performance of such obligation, including any applicable dates under this Lease, provided that the Party so delayed shall forthwith notify the other after becoming aware of the commencement of any event which is the cause of Force Majeure and the steps proposed to be taken to overcome the event which is the cause of Force Majeure.

ARTICLE XV.

GENERAL

15.01 Agency. The Parties specifically agree that nothing in this Lease shall be construed to establish any partnership, joint venture or relationship of agent and principal as between Landlord and Tenant.

15.02 Headings. Any note appearing as a heading in this Lease has been so inserted for convenience of reference only and of itself cannot define, limit or expand the scope or meaning of the Lease or any of its provisions.

15.03 Inurement. This Lease and everything herein contained shall inure to the benefit of and be binding upon the successors and assigns of Tenant and Landlord, as the case may be, and nothing herein shall restrict the ability of Landlord to transfer or assign its interests herein.

15.04 Provisions Separately Valid. If any covenant, obligation, agreement, term or condition of this Lease or the application thereof to any Person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this Lease or the application of such covenant, obligation, agreement, term or condition to Persons or circumstances other than those in respect of which it is held invalid or unenforceable, shall not be affected thereby and each covenant, obligation, agreement, term and condition of this Lease shall be separately valid and enforceable to the fullest extent permitted by Applicable Law.

15.05 Waiver Negated. The waiver or acquiescence by either Party of any breach of any covenant, term or condition of this Lease shall not be deemed to be a waiver of the covenant, term or condition or any subsequent or other breach of any covenant, term or condition of this Lease.

15.06 Subordination and Attornment. Tenant accepts this lease subject to any deeds of trust, security interests, or mortgages that might now or later constitute a lien upon the Property. In connection with any mortgages or deeds of trust creating a lien upon Landlord's fee interest in the Property, Tenant shall execute and deliver to Landlord, within twenty (20) days after written request, any reasonable instrument that is required by any mortgagee for the purpose of subjecting and subordinating this Lease to the lien of any such mortgage or deed of trust, provided that the lienholder (hereinafter called "Lender") agrees for

itself, its successors and assigns, and any purchaser at foreclosure, in such instrument that: (i) Tenant's peaceful possession of the Property will not be disturbed so long as no uncured event of default exists under this Lease; (ii) this Lease shall remain in full force and effect during the Term as long as no uncured Event of Default exists under the Lease; (iii) this Lease will not be terminated by any foreclosure or deed-in-lieu of foreclosure. Such instrument may include provisions requiring Tenant to agree that: (i) upon the sale, transfer or foreclosure of Landlord's fee interest in the Property that the Lease will remain in full force and that Tenant will attorn to Lender pursuant to the terms of this Lease, (ii) upon any default of this Lease by Landlord or any action or omission by Landlord or any third party that would give Tenant the right to terminate this Lease immediately, or after the passage of time, Tenant shall provide notice to Lender and provide Lender an opportunity to cure such default, (iii) Lender shall not be liable for any previous act or omission of Landlord.

15.07 Certificate by Tenant. Within twenty (20) days after any request therefor by Landlord, Tenant shall in each instance execute and deliver, in a form to be supplied by Landlord, a status statement to Landlord or to any assignee, mortgagee, purchaser or any other Person designated by Landlord, stating (if such is the case):

(a) that this Lease is unmodified and in full force and effect (or if there have been modifications, that this Lease is in full force and effect as modified and identifying the modification agreements), and that this Lease constitutes the whole of the legal relationships between Landlord and Tenant;

(b) whether or not there are any existing claims or defaults either by Tenant or Landlord under this Lease with respect to which a notice of default has been served, and specifying the nature and extent thereof;

(c) whether or not there are any set-offs, defenses or counterclaims against enforcement of the obligations to be performed by Tenant under this Lease; and

(d) such other matters relating to this Lease as Landlord may reasonably request.

Tenant's failure to deliver the statement within twenty (20) days shall be conclusive upon Tenant that (i) this Lease is in full force and effect without modification except as may be represented by Landlord, (ii) there are no claims or defaults with respect to which a notice of default has been served, (iii) there are no set-offs, defenses or counterclaims against enforcement of the obligations to be performed by Tenant under this Lease, and (iv) any other matters relating to this Lease as are designated by Landlord acting reasonably are true.

15.10 Construed Covenants. Each obligation or agreement of Landlord or of Tenant contained in this Lease, even though not expressed as a covenant, is to be construed as a covenant as though the words imparting such covenant were used in each separate provision hereof.

15.11 Independent Covenants. Each covenant contained in this Lease is considered for all purposes to be a separate and independent covenant, and a breach by either Landlord or Tenant will not discharge the other from its obligation to perform each of its covenants.

15.12 Time of the Essence. Time shall be strictly of the essence hereof.

15.13 Survival of Covenants. All obligations of Tenant and Landlord which by their nature require all or part of their performance or fulfillment after the expiration or termination of this Lease shall (whether specifically provided for in this Lease or not) survive the expiration or early termination of this Lease.

15.14 Entire Agreement. This Lease shall be deemed to constitute the entire agreement between Landlord and Tenant hereto with respect to the subject matter thereof and shall supersede all previous negotiations, representations and documents in relation hereto made by any Party.

15.15 Counterparts. This Lease may be executed and delivered in counterparts and such counterparts, taken together, shall constitute one and the same instrument.

15.16 Waiver of Sovereign Immunity. To the fullest extent permitted under applicable law, Tenant waives immunity from suit and immunity from liability in connection with Tenant's default in the performance of its obligations under this Lease.

15.17 Execution and Delivery by Electronic Transmission. This Lease may be executed and delivered by electronic transmission of a pdf file. Article XXIV.NOW, THEREFORE, in consideration of the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Tenant and Beneficiary agree as follows:

1. Definitions.

Article XXV.The following terms shall have the following meanings for purposes of this Agreement:

1.1 Construction Obligation. “Construction Obligation” means any obligation of Borrower as Landlord under the Lease to construct the parking garage, make, pay for, or reimburse Tenant for any alterations or other repairs, demolition, or other improvements or work at the Property as required under the Lease. “Construction Obligations” shall not include (a) reconstruction or repair following fire, casualty, or condemnation, or (b) day-to-day maintenance and repairs.

1.2 Foreclosure Event. “Foreclosure Event” means (a) any foreclosure under the Deed of Trust, whether judicial or nonjudicial, (b) any other exercise by Beneficiary of rights and remedies (whether under the Deed of Trust or under applicable law, including bankruptcy law) by the holder of the Deed of Trust, as a result of which Successor Landlord becomes owner of the Property, or (c) delivery by Borrower to Beneficiary (or its designee or nominee) of a deed or other conveyance of Borrower’s interest in the Property in lieu of any of the foregoing.

1.3 Former Landlord. “Former Landlord” means Borrower and any other party that was landlord under the Lease at any time before the occurrence of any attornment under this Agreement.

1.4 Offset Rights. “Offset Rights” means any right(s) or alleged right(s) of Tenant to any offset, defense (other than one arising from actual payment and performance, which payment and performance would bind a Successor Landlord pursuant to this Agreement), claim, counterclaim, reduction, deduction, or abatement against Tenant’s payment of Rent or performance of Tenant’s other obligations under the Lease, arising (whether under the Lease or other applicable law) from Borrower’s breach or default under the Lease.

1.5 Rent. “Rent” means any base rent under the Lease.

1.6 Successor Landlord. “Successor Landlord” means any party, including without limitation Beneficiary, that becomes the owner of the Property as the result of a Foreclosure Event.

1.7 Termination Right. “Termination Right” means any right of Tenant to cancel or terminate the Lease or to claim a partial or total eviction arising (whether under the Lease or under applicable law) from Borrower’s breach or default under the Lease.

2. Subordination.

The Lease shall be, and shall at all times remain, subject and subordinate to the Deed of Trust, the lien imposed by the Deed of Trust, and all advances made under the Deed of Trust.

3. Nondisturbance, Recognition and Attornment.

3.1 No Exercise of Deed of Trust Remedies Against Tenant. So long as the Lease is in full force and effect and Tenant is not in default under the Lease beyond any applicable cure period, Beneficiary shall not name or join Tenant as a defendant in any exercise of Beneficiary's rights and remedies arising upon a default under the Deed of Trust unless applicable law requires Tenant to be made a party thereto as a condition to proceeding against Borrower or prosecuting such rights and remedies. In the latter case, Beneficiary may join Tenant as a defendant in such action only for such purpose and not to terminate the Lease or otherwise adversely affect Tenant's rights under the Lease or this Agreement in such action.

3.2 Nondisturbance and Attornment. So long as the Lease is in full force and effect and Tenant is not in default under the Lease beyond any applicable cure period, then when Successor Landlord takes title to the Property (a) Successor Landlord shall not terminate or disturb Tenant's possession of the Property, except in accordance with the terms of the Lease and this Agreement, (b) Successor Landlord shall be bound to Tenant under all the terms and conditions of the Lease (except as provided in this Agreement), including Tenant's option to purchase rights described in Section 9 below and Landlord's Construction Obligation, (c) Tenant shall recognize and attorn to Successor Landlord as Tenant's direct landlord under the Lease as affected by this Agreement, and (d) the Lease shall continue in full force and effect as a direct lease, in accordance with its terms (except as provided in this Agreement), between Successor Landlord and Tenant. In the event of any such attornment, Tenant further waives the provisions of any statute or rule of law, now or hereafter in effect, which may give or purport to give Tenant any right or election to terminate or otherwise adversely affect the Lease and the obligation of Tenant thereunder as a result of any such foreclosure proceeding or trustee's sale.

3.3 Further Documentation. The provisions of this Section 3 shall be effective and self-operative without any need for Successor Landlord or Tenant to execute any further documents. Tenant shall, however, execute and deliver at any time and from time to time, upon the request of Borrower or Successor Landlord or of any holder(s) of any indebtedness or other obligations secured by the Deed of Trust, any instrument or certificate which, in the reasonable judgment of Successor Landlord or such holder(s), may be necessary or appropriate.

4. Protection of Successor Landlord.

Notwithstanding anything to the contrary in the Lease or the Deed of Trust, Successor Landlord shall not be liable for or bound by any of the following matters:

4.1 Claims Against Former Landlord. Any Offset Rights that Tenant may have against any Former Landlord relating to any event(s) or occurrence(s) before the date of attornment, including any claim for damages of any kind whatsoever as the result of any breach by Former Landlord that occurred before the date of attornment. The foregoing shall not limit either (a) Tenant's right to exercise against Successor Landlord any Offset Rights otherwise available to Tenant because of events occurring after the date of attornment, or (b) Successor Landlord's obligation to correct any conditions that existed as of the date of attornment and which constitutes a breach of Successor Landlord's obligations as landlord under the Lease.

4.2 Prepayments. Any payment of Rent that Tenant may have made to Former Landlord more than thirty (30) days before the date such Rent was first due and payable under the Lease with respect to any period after the date of attornment other than, and only to the extent that, the Lease expressly required such a prepayment, which shall expressly include Tenant's prepayment of \$3,000,000.00 to Former Landlord, which Successor Landlord expressly recognizes hereunder.

4.3 Payment; Security Deposit. Any obligation (a) to pay Tenant any sum(s) that any Former Landlord owed to Tenant, or (b) with respect to any security deposited with Former Landlord, unless such security was actually delivered to Beneficiary or delivered to or credited by the receiver. This subsection is not intended to apply to any payments that constitute "Construction Obligations."

4.4 Modification, Amendment, or Waiver. Any modification or amendment of the Lease, or any waiver of any of the terms of the Lease, made without Beneficiary's written consent.

4.5 Surrender. Any consensual or negotiated surrender, cancellation, or termination of the Lease, in whole or in part, agreed upon between Tenant and Borrower as landlord, unless effected unilaterally by Tenant pursuant to a specific provision in the Lease.

4.6 Construction Obligations. Any Construction Obligation of Former Landlord.

5. New Lease.

Article XXVI. Upon written request of either Beneficiary or Tenant, Beneficiary and Tenant shall execute a new lease for the Property upon the same terms and conditions as in the Lease, which new lease shall cover any unexpired term of the Lease existing at the time of such request.

6. Estoppel Certificates.

Article XXVII. Whenever reasonably requested by Beneficiary, Tenant from time to time shall execute and deliver to or at the direction of Beneficiary, and without charge to Beneficiary, one or more estoppel certificates, setting forth whether Tenant has exercised any renewal option or options and any other information that Beneficiary may reasonably require to confirm the current status of the Lease, including without limitation confirmation that the Lease is and remains subordinated as provided in this Agreement.

7. Exculpation of Successor Landlord.

Article XXVIII. Notwithstanding anything to the contrary in this Agreement or the Lease, upon any attornment pursuant to this Agreement the Lease shall be deemed to have been automatically amended to provide that Successor Landlord's obligations and liability under the Lease shall never extend beyond Successor Landlord's (or its successors' or assigns') interest, if any, in the Property from time to time, including insurance and condemnation proceeds and Successor Landlord's interest in the Lease (collectively, "Successor Landlord's Interest"). Tenant shall look exclusively to Successor Landlord's Interest (or that of its successors and

assigns) for payment or discharge of any obligations of Successor Landlord under the Lease as affected by this Agreement. If Tenant obtains any money judgment against Successor Landlord with respect to the Lease or the relationship between Successor Landlord and Tenant, then Tenant shall look solely to Successor Landlord's Interest (or that of its successors and assigns) to collect such judgment. Tenant shall not collect or attempt to collect any such judgment out of any other assets of Successor Landlord.

8. Beneficiary's Right to Cure.

8.1 Notice to Beneficiary. Notwithstanding anything to the contrary in the Lease or this Agreement or the Lease, before exercising any Termination Right or Offset Right, Tenant shall provide Beneficiary with prior written notice of the breach or default by Borrower as Landlord giving rise to same (the "Default Notice") and thereafter, the opportunity to cure such breach or default as provided for below.

8.2 Beneficiary's Cure Period. After Beneficiary receives a Default Notice, Beneficiary shall have a period of thirty (30) days beyond the time available to Borrower under the Lease in which to cure the breach or default by Borrower. Beneficiary shall have no obligation to cure (and shall have no liability or obligation for not curing) any breach or default by Borrower as landlord, except to the extent that Beneficiary agrees or undertakes otherwise in writing.

8.3 Extended Cure Period. In addition, as to any breach or default by Borrower the cure of which requires Beneficiary to possess and control the Property, provided that Beneficiary undertakes within thirty (30) days after receipt of the Default Notice to exercise reasonable efforts to cure such breach or default within the period permitted by this paragraph, Beneficiary's cure period shall continue for such additional time (the "Extended Cure Period") as Beneficiary may reasonably require to obtain possession and control of the Property and to thereafter cure the breach or default with reasonable diligence and continuity. So long as any receiver of the Property has been appointed and is continuing to serve, Beneficiary shall be deemed to have possession and control of the Property.

9. Tenant's Options to Purchase.

9.1 Tenant's Early Option to Purchase. In the event that Successor Landlord takes title to the Property and so long as the Lease is in full force and effect and Tenant is not in default under the Lease beyond any applicable cure period, Tenant shall have the right to exercise against Successor Landlord the option to purchase the Property, under the terms and conditions set forth in Section 8.03 of the Lease.

9.2 Tenant's Automatic Option to Purchase. In the event that Successor Landlord takes title to the Property and so long as the Lease is in full force and effect and Tenant is not in default under the Lease beyond any applicable cure period, on the fifth (5th) anniversary of the Commencement Date, Tenant's option to purchase shall automatically be exercised, and the Property shall be transferred to Tenant under the terms and conditions set forth in Section 8.04 of the Lease.

10. Miscellaneous.

10.1 Notices. All notices or other communications required or permitted under this Agreement shall be in writing and given by certified mail (return receipt requested) or by nationally recognized overnight courier service that regularly maintains records of items delivered. Each party's address is as set forth below, subject to change by notice under this Section 10.1. Notices shall be effective the next business day after being sent by overnight courier service, and three (3) business days after being sent by certified mail (return receipt requested).
