**To:** Construction  
**Subject:** Westbound Virginia Parkway Closed Tonight and Tomorrow Night

As part of the ongoing TxDOT project to widen U.S. 75 from the Sam Rayburn Tollway (SRT) to White Avenue in McKinney, TxDOT has informed the City of the following temporary closures:

**Westbound Virginia Parkway Under U.S. 75 to be Closed Tonight and Tomorrow Night**

Weather permitting, TxDOT will close westbound Virginia Parkway directly underneath U.S. 75 on Monday night, 4/27, and Tuesday night, 4/28, from 9 p.m. to 5 a.m. to install bridge deck panels. Both nights, Virginia Parkway will close at 9 p.m. and re-open by 5 a.m. the next day. During the closures, drivers can cross under U.S. 75 by White Avenue.

As a reminder, this TxDOT construction project to widen U.S. 75 from the SRT to White Avenue in McKinney to four main lanes in each direction and three frontage road lanes in each direction will provide much needed extra capacity through McKinney. The project is anticipated to be complete in January 2016.

Please be safe when traveling through the work zone and always observe traffic warning signs. If you have any questions, please contact Danny Still at (972) 547-7631 or [dstill@mckinneytexas.org](mailto:dstill@mckinneytexas.org). Thank you for your cooperation.

**Subject:** FW: U.S. 75 Main Lane Traffic Switch Starting Tonight, April 30

---

**From:** Daniel Still **On Behalf Of** Construction  
**Sent:** Thursday, April 30, 2015 1:18 PM  
**To:** Construction  
**Subject:** U.S. 75 Main Lane Traffic Switch Starting Tonight, April 30

As part of the ongoing TxDOT project to widen U.S. 75 from the Sam Rayburn Tollway (SRT) to White Avenue in McKinney, TxDOT has informed the City of the following traffic switch:

**U.S. 75 Main Lane Traffic Switch Starting Tonight, April 30, at 8 p.m. from South of Eldorado Parkway to South of Virginia Parkway**

Weather permitting, TxDOT will switch U.S. 75 northbound and southbound main lane traffic to newly constructed concrete pavement in McKinney starting Thursday, April 30, and continuing into early next week. At 8 p.m., TxDOT will divert all northbound main lane traffic to the frontage road using the Eldorado Parkway exit ramp. Northbound drivers will then continue on the frontage road through the intersections at Virginia Parkway, White Avenue, and U.S. 380 before reaching the northbound entrance ramp near Wilmeth Road. At 5 a.m. tomorrow morning, northbound traffic will be re-directed back to the main lanes on new, concrete pavement from south of Eldorado Parkway to south of Virginia Parkway.

TxDOT will continue working on the traffic switch over the weekend. The primary task will be to move temporary, concrete barricades creating a safe separation between opposing main lanes of traffic. The southbound main lanes will not be switched over until this process is complete. Early next week, the southbound main lanes will be diverted to the new, concrete pavement. This will open up large work areas on the southbound side of the highway, which is necessary for work to continue.

When the traffic switch is complete, the new northbound exit ramp to Virginia Parkway will be open near the Community Center, and the new southbound exit ramp to Eldorado Parkway will be open near North Brook Drive. Drivers should expect delays overnight tonight and over the weekend and seek alternate routes, if possible.

As a reminder, this TxDOT construction project to widen U.S. 75 from the SRT to White Avenue in McKinney to four main lanes in each direction and three frontage road lanes in each direction will provide much needed extra capacity through McKinney. The project is anticipated to be complete in January 2016.

Please be safe when traveling through the work zone and always observe traffic warning signs. If you have any questions, please contact Danny Still at (972) 547-7631 or [dstill@mckinneytexas.org](mailto:dstill@mckinneytexas.org). Thank you for your cooperation.

**Subject:** U.S. 75 Bridge Work Causes Nightly Road Closures This Month

As part of the ongoing TxDOT project to widen U.S. 75 from the Sam Rayburn Tollway (SRT) to White Avenue in McKinney, TxDOT has informed the City of the following closure:

**U.S. 75 Bridge Work Causes Nightly Road Closures This Month**

Weather permitting, TxDOT will demolish the U.S. 75 main lane bridges over Wilson Creek this month. The construction is scheduled to start on Wednesday night, May 6, continuing until Friday night, May 15. The demolition is happening only at night. This will require Park View Avenue under U.S. 75 and the Community Center driveway under U.S. 75 to both be closed each night from 6 p.m. until 6 a.m. the following day. Both roads should be open during the day throughout this time. During the closures, drivers can cross U.S. 75 by Eldorado Parkway and Virginia Parkway.

As a reminder, this TxDOT construction project to widen U.S. 75 from the SRT to White Avenue in McKinney to four main lanes in each direction and three frontage road lanes in each direction will provide much needed extra capacity through McKinney. The project is anticipated to be complete in January 2016.

Please be safe when traveling through the work zone and always observe traffic warning signs. If you have any questions, please contact Danny Still at (972) 547-7631 or [dstill@mckinneytexas.org](mailto:dstill@mckinneytexas.org). Thank you for your cooperation.

**Subject:** FW: White Avenue to be Temporarily Closed Under U.S. 75

---

**From:** Daniel Still **On Behalf Of** Construction  
**Sent:** Wednesday, May 06, 2015 4:34 PM  
**To:** Construction  
**Subject:** White Avenue to be Temporarily Closed Under U.S. 75

As part of the ongoing TxDOT project to widen U.S. 75 from the Sam Rayburn Tollway (SRT) to White Avenue in McKinney, TxDOT has informed the City of the following closure:

**White Avenue to be Temporarily Closed Under U.S. 75**

Weather permitting, TxDOT will close White Avenue directly under U.S. 75 on the following days:

- Thursday, May 7, from 9 a.m. until 6 p.m.
- Friday, May 8, from 6 a.m. until 6 p.m.
- Saturday, May 9, from 6 a.m. until 6 p.m.

These temporary closures will allow bridge construction to continue at White Avenue. The U.S. 75 main lanes and frontage roads are scheduled to remain open during this time. During the closures, drivers can cross U.S. 75 at U.S. 380 and Virginia Parkway.

As a reminder, this TxDOT construction project to widen U.S. 75 from the SRT to White Avenue in McKinney to four main lanes in each direction and three frontage road lanes in each direction will provide much needed extra capacity through McKinney. The project is anticipated to be complete in January 2016.

Please be safe when traveling through the work zone and always observe traffic warning signs. If you have any questions, please contact Danny Still at (972) 547-7631 or [dstill@mckinneytexas.org](mailto:dstill@mckinneytexas.org). Thank you for your cooperation.

**Subject:** White Avenue Closures at U.S. 75 This Week

As part of the ongoing TxDOT project to widen U.S. 75 from the Sam Rayburn Tollway (SRT) to White Avenue in McKinney, TxDOT has informed the City of the following closure:

**White Avenue to be Closed Tonight, May 12, Between the Southbound Frontage Road and Community Avenue**

Weather permitting, TxDOT will close White Avenue between the U.S. 75 southbound frontage road and Community Avenue from 8 p.m. tonight until 6 a.m. tomorrow morning to install an underground storm sewer pipe across White Avenue. During the closure, access to and from the Westcreek Ranch Apartments will only be available by Community Avenue.

**White Avenue to be Closed Tomorrow Night, May 13, Under U.S. 75**

Weather permitting, TxDOT will close White Avenue directly under U.S. 75 from 6 p.m. Wednesday night, May 13, until 6 a.m. the following day to allow bridge construction to continue. The U.S. 75 main lanes and frontage roads are scheduled to remain open during this time. During the closure, drivers can cross U.S. 75 at U.S. 380 and Virginia Parkway.

As a reminder, this TxDOT construction project to widen U.S. 75 from the SRT to White Avenue in McKinney to four main lanes in each direction and three frontage road lanes in each direction will provide much needed extra capacity through McKinney. The project is anticipated to be complete in January 2016.

Please be safe when traveling through the work zone and always observe traffic warning signs. If you have any questions, please contact Danny Still at (972) 547-7631 or [dstill@mckinneytexas.org](mailto:dstill@mckinneytexas.org). Thank you for your cooperation.
