Dear Cindy and Board of Directors,

Habitat for Humanity of Collin County would respectfully request an extension of five (5) months through Sept 30th, 2020 for the project grant 18-06 in the total amount of \$877,521. This request is due to unforeseen delays in infrastructure with sewer/water in conjunction with City of McKinney CIP project. The City has started the paving of Bumpas and we cannot access our site until their project is complete and they move the manhole covers currently on our site. The current expiration is April 30th, 2020 of our previous extension request. The COVID-19 virus is also causing the subcontractors to have significant delays.

We are currently 92% complete with only \$80,601 remaining of the total \$877,521.

Thank you so much for your consideration in advance.
