

**COOPERATIVE SERVICE AGREEMENT
NORTH TEXAS MUNICIPAL WATER DISTRICT
NORTH COLLIN WATER SUPPLY CORPORATION
CITY OF MCKINNEY**

THE STATE OF TEXAS §
 §
THE COUNTY OF COLLIN §

THIS CONTRACT (the "Contract") made and entered into as of this the 10th day of FEBRUARY, 2014 (the "Effective Date"), by and between the North Texas Municipal Water District, hereinafter called "NTMWD," a conservation and reclamation district created under Article 16, Section 59, of the Texas Constitution, the North Collin Water Supply Corporation ("North Collin"), a nonprofit water supply corporation in the State of Texas, and the City of McKinney ("McKinney"), a home-rule municipality and political subdivision of the State of Texas, also all each referred to as a "Party," or collectively, the "Parties."

W I T N E S S E T H :

WHEREAS, NTMWD, North Collin, and McKinney are authorized to enter into this Contract pursuant to Chapter 62, Acts of the 52nd Legislature, 1951 (Article 8280-141, Vernon's Texas Civil Statutes) and other applicable laws;

WHEREAS, pursuant to a Potable Water Supply Contract dated June 22, 1995, and amended on August 27, 1998 ("Customer Contract"), North Collin purchases treated water from NTMWD;

WHEREAS, McKinney is a member city of NTMWD and purchases treated water from NTMWD pursuant to the NTMWD Regional Water Supply Facilities Amendatory Contract dated August 1, 1988 ("Regional Contract");

WHEREAS, a new development, Trinity Falls, is proposed within the retail water service area of both McKinney and North Collin, as identified in Exhibit A and described by metes and bounds in Exhibits B-1, B-2, B-3, and B-4 (collectively, "Trinity Falls");

WHEREAS, McKinney intends to provide retail water service to Trinity Falls on a long-term basis, but the initial water demands of Trinity Falls make it infeasible for McKinney to initially provide retail water service;

WHEREAS, McKinney has requested that North Collin provide retail water service on a temporary basis until Trinity Falls has sufficient water demands for McKinney's infrastructure to provide retail water service to Trinity Falls;

WHEREAS, in order to accommodate the Trinity Falls developer, North Collin is currently providing water to one or more contractors performing construction work at Trinity Falls through construction meters;

WHEREAS, North Collin agrees to continue to provide temporary retail water service for the construction of the Trinity Falls development and to subsequently provide water service to Trinity Falls as

long as providing this quantity of water on a temporary basis does not permanently increase North Collin's annual minimum quantity of water under its Customer Contract;

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, the sufficiency of which are hereby conclusively acknowledged, and subject to the terms and conditions hereinafter set forth, NTMWD, McKinney, and North Collin mutually undertake, promise, and agree as follows:

AGREEMENT

Section 1. TEMPORARY SERVICE FOR TRINITY FALLS. During the term of this Contract, North Collin agrees to continue to provide retail water service for the construction of the Trinity Falls development and to Trinity Falls until such time that Trinity Falls has an adequate water demand ("Water Demand") sufficient to support the construction of a new twenty-four inch (24") pipeline (the "Pipeline") through which McKinney will provide retail water service to Trinity Falls. Once Water Demand is sufficient to support construction of the Pipeline, and upon completion of construction of such Pipeline, North Collin will cease providing retail water service to Trinity Falls and McKinney shall become the sole provider of retail water service to Trinity Falls.

Section 2. TRINITY FALLS DELIVERY POINT AND METER. North Collin will deliver water to Trinity Falls via a pipeline to a delivery point and metering station owned and operated by McKinney (the "Trinity Falls Delivery Point and Meter"). North Collin will continue to allow contractors that are performing construction work at Trinity Falls to take water from North Collin's water system by way of construction meters dedicated to that construction project (the "Construction Delivery Point and Meter"). Exhibit C attached hereto identifies the location of the Construction Delivery Point and Meter and the Trinity Falls Delivery Point and Meter. At such time as the Trinity Falls Delivery Point and Meter is established, the contractors performing construction work at Trinity Falls will take water from the Trinity Falls side of the Trinity Falls Delivery Point and Meter, will cease taking water from the Construction Delivery Point and Meter, and the Construction Delivery Point and Meter shall no longer be used for the delivery of water. McKinney agrees to read the Trinity Falls meter on a monthly basis and promptly provide NTMWD with the monthly readings of the quantity of water provided to contractors for the construction of the Trinity Falls development or to Trinity Falls ("Trinity Falls Quantity"). In addition to the forgoing, the Trinity Falls Quantity will include all water delivered through the Construction Delivery Point and Meter by North Collin to the contractor(s) constructing the Trinity Falls project including but not limited to water delivered through the Construction Delivery Point and Meter prior to the Effective Date of this Contract. North Collin will provide satisfactory evidence to McKinney and the NTMWD of the quantity of such water.

Section 3. TRINITY FALLS QUANTITY. Beginning in NTMWD's Fiscal Year 2013/2014, NTMWD will deduct the Trinity Falls Quantity from North Collin's monthly quantity of water supplied by NTMWD to North Collin pursuant to the Customer Contract and then add the Trinity Falls Quantity to McKinney's monthly quantity of water supplied by NTMWD to McKinney pursuant to the Regional Contract. The parties agree that North Collin's annual minimum as discussed in Section 8 of the Customer Contract shall not be increased by the Trinity Falls Quantity and that such quantity shall only increase McKinney's annual minimum as provided in Section 9 of the Regional Contract.

Section 4. TERM OF CONTRACT. This Contract shall commence on the Effective Date and shall terminate upon the earlier of following: (i) five (5) years following the Effective Date; or (ii) McKinney's commencement of retail water service to Trinity Falls. Upon the mutual agreement of the Parties, this Contract may be renewed for one (1) additional term of five (5) years.

Section 5. MODIFICATION. This Contract may be changed or modified only by written agreement of the Parties and only after having obtained approval from the governing bodies of all the Parties.

Section 6. FORCE MAJEURE. If by reason of force majeure any Party hereto shall be rendered unable wholly or in part to carry out its obligations under this Contract, other than the obligations of McKinney and North Collin to make the payments required under the Regional Contract and Customer Contract, then if such Party shall give notice and full particulars of such force majeure in writing to the other Party within a reasonable time after occurrence of the event or cause relied on, the obligation of the Party giving such notice, so far as it is affected by such force majeure, shall be suspended during the continuance of the inability then claimed, but for no longer period, and any such Party shall endeavor to remove or overcome such inability with all reasonable dispatch. The term "force majeure" as employed herein shall mean acts of God, strikes, lockouts, or other industrial disturbances, acts of public enemy, orders of any kind of the Government of the United States or the State of Texas, or any civil or military authority, insurrection, riots, epidemics, landslides, lightning, earthquake, fires, hurricanes, storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, breakage or accidents to machinery, pipelines or canals, partial or entire failure of water supply, or on account of any other causes not reasonably within the control of the Party claiming such inability.

Section 7. REGULATORY BODIES AND LAWS. This Contract is subject to all applicable Federal and State Laws and any applicable permits, ordinances, rules, orders, and regulations of any local, state or federal governmental authority having or asserting jurisdiction, but nothing contained herein shall be construed as a waiver of any right to question or contest any such law, ordinance, order, rule, or regulation in any forum, having jurisdiction.

Section 8. NOTICES. Unless otherwise provided herein, any notice, communication, request, reply, or advice (herein severally and collectively, for convenience, called "Notice") herein provided or permitted to be given, made, or accepted by any Party to any other Party must be in writing and may be given or be served by depositing the same in the United States mail postpaid and registered or certified and addressed to the Party to be notified, with return receipt requested, or by delivering the same to an officer of such Party, or by prepaid telegram when appropriate, addressed to the Party to be notified. Notice deposited in the mail in the manner hereinabove described shall be conclusively deemed to be effective, unless otherwise stated herein, from and after the expiration of three (3) days after it is so deposited.
