Therefore, financial assistance is available for almost every YMCA program. This work is possible thanks to the donors and volunteers who give their time and financial support to the YMCA so generously.

The McKinney Family YMCA was established in 1996. Today, members enjoy over 68 health and wellness classes that range from yoga, BARRE and Pilates, to Kickboxing, Body Pump, and Zumba. We also offer well as a variety of family, teen and youth programs like Get Up and Go and Texas Youth and Government. Our goal is to offer programs that enhance the overall well-being of our community, particularly for Health Seekers, those wishing to develop a healthy lifestyle. Through the generous contributions of the community and members to our Annual Campaign, the McKinney Y is proud to be able to provide scholarships and financial assistance FOR ALL in our community.

Project Details and Proposed Use The McKinney Family YMCA is replacing a 25 year old playground. The property is part of the YMCA land; however, the Stonebridge walking trail runs through the property, right by the playground. The playground is over 20 years old and is now unsafe. The Y would like to build a new, update and safe playground for the members of the community. The playground would be used for our members in our Child Watch program along with being open to the neighborhood. Members of the Stonebridge HOA that walk the trail or use the beach club can see the playground and see it as a benefit of the neighborhood, when it is useable. The playground has been closed due to safety issues since 2021. Stonebridge Ranch community is made up of 20,893 homes, each made up of around 3 members. There are 63,828 residents in Stonebridge Ranch, with a median age of 36.9. There are 493 school age children that attend the elementary school closest to the Y.

Days / Hours of Business Operation The playground would be used for Child Watch M – Sat 8:30am – 1pm and M-TR 5:30-7:30pm (during the times of year it is still daylight in the evenings). The public is welcome to use the playground anytime YMCA programs are not using it.

YMCA of Metropolitan Dallas – McKinney Family YMCA Executive Summary

Project Overview

The McKinney Family YMCA is seeking a grant of \$25,000 to support the replacement of our existing playground, which is now over 25 years old and has been deemed unsafe. The current playground, located on YMCA property, is an integral part of the community, situated adjacent to the Stonebridge walking trail and near the beach club, making it a visible and valued amenity for neighborhood residents.

Project Need

The existing playground, closed since 2021 due to safety concerns, is no longer suitable for use. Its replacement is essential to ensure the safety and enjoyment of the community's children and families. The new playground will serve multiple purposes:

- YMCA Programs: It will be used by children in our Child Watch program, providing a safe and stimulating environment for play and development.
- Community Access: It will be accessible to neighborhood residents, particularly those who utilize the Stonebridge walking trail and beach club, enhancing the community's recreational options.

Community Impact

Stonebridge Ranch is a vibrant community comprising 20,893 homes with an estimated population of 63,828 residents. The median age is 36.9, indicating a significant proportion of families with young children. Specifically, there are 493 school-age children attending the nearby elementary school, highlighting the need for safe and engaging play spaces.

The presence of a modern, safe playground will offer numerous benefits:

- Safety and Well-being: Provide a secure environment for children to play, promoting physical health and social interaction.
- Community Engagement: Enhance the attractiveness of the neighborhood, encouraging outdoor activities and fostering a sense of community.
- Support for Families: Offer a reliable space for families and children in our Child Watch program and beyond, contributing to the overall mission of the YMCA to strengthen community bonds and support family well-being.

Conclusion

The requested \$25,000 grant will directly contribute to the construction of a new, safe playground, benefiting both YMCA members and the broader Stonebridge Ranch community. Your support will help us replace an outdated and unsafe facility with a vibrant, secure, and welcoming space that will serve the needs of the community for many years to come.

YMCA OF METROPOLITAN DALLAS

**STRATEGIC PLAN
EXECUTIVE SUMMARY
2023-2025**

DEAR YMCA SUPPORTERS:

In 2019, the YMCA of Metropolitan Dallas made a commitment to a new comprehensive growth strategy. Our staff felt, and our Board of Directors agreed, that deepening our commitment to our existing communities and expanding our reach geographically would positively impact the people we serve daily, and North Texas as a whole.

Building Stronger Communities For All, the strategic plan we put in place for 2020–2024 was created to support that bold vision of a greater, more impactful Dallas YMCA. The challenges brought about by the subsequent pandemic only temporarily put some of our plans on hold.

The organizational rebound of 2021 and the successes of 2022 have renewed and restored our plans for a brighter future, as evidenced in this newly refocused strategic plan. The initiatives set forth in this summary continue the work we started in 2020, with a more defined look at what we seek to accomplish by the end of 2025.

Some of these initiatives include serving more children in our youth programs, growing our membership base and Community Health offerings, and further expanding the work we do outside of our facilities to reach those without access to a Y. Part of that work is a 100% growth rate for Safety Around Water, as we remain committed to eliminating childhood drowning in North Texas.

We know these commitments will require more staff and volunteers, a strong focus on fundraising, and technological advancements to accommodate a more seamless experience for a growing customer base.

We look forward to doing this work alongside you. Thank you for supporting the Dallas YMCA.

OUR MISSION

To put Christian values into practice through programs that build a healthy spirit, mind and body for all.

OUR IMPACT

The Y ensures all people have equitable access to the essentials needed to become thriving members of the community. Daily, the Y bridges and fills individual and community needs as a catalyst for impactful change.

WHO WE SERVE

The YMCA of Metropolitan Dallas is a nonprofit organization, serving 200,000 people annually via programs, outreach, and events throughout Collin, Dallas, Denton, Ellis, Palo Pinto, and Rockwall counties.

Our 16 facilities and two camps are located in Anna, Coppell, Flower Mound, Frisco, Dallas, Grand Prairie, Graford, Highland Village, McKinney, Plano, Richardson, Rockwall, and Waxahachie, Texas.

We also serve communities without a facility through programming and outreach work, including Carrollton, Irving, Midlothian, and Royse City.

OUR HISTORY

For 138 years, the YMCA of Metropolitan Dallas has been proud to serve our community. The work we do to ensure everyone we serve thrives, regardless of income, is only possible through the dedication of our donors and volunteers, who give their time and financial support to the YMCA so generously. Over the years the Y has changed, but our mission, values, and commitment have not.

The YMCA of Metropolitan Dallas was founded in November of 1885 as a non-profit organization, and from that period until today, has been a growth-oriented organization, and an integral member of the ever-developing North Texas community.

The YMCA of Metropolitan Dallas is a member of the World Alliance of YMCAs. The Young Men's Christian Association's movement originated in London, England in 1844. It was the concept of Sir George Williams who felt a need for the development of Christian leadership and principles among the young men who were then migrating to the city, in search of their futures. The progressive idea that a healthy body, an active mind, and a Christian spirit would produce a valuable member of the community, continues to live on through our buildings, programming, and ideals.

Today, the Dallas YMCA continues to evolve and plan for a growing North Texas, offering an abundance of programs to fortify Youth Development, Healthy Living, and Social Responsibility.

We know that the next one hundred years will be as exciting as those preceding, and we are excited to share them with you.

OUR IMPACT IN 2022

“ Because of this program I found my blood pressure was in the danger zone. It was 179/89 then 202/102. I went to the emergency room and had my medication modified, after attending office hours with the BPSM program. If it had not been for the checking of my blood pressure and also being sent home with a BP machine, my outcome could have been very different. Thank you, YMCA staff, for caring.”

Independent Auditor's Report

Board of Directors
YMCA of Metropolitan Dallas
Coppell, Texas

Opinion

We have audited the financial statements of YMCA of Metropolitan Dallas (Association), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as of December 31, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Association and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the December 31, 2022, financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated May 31, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2022, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Note 1: Nature of Activities and Summary of Significant Accounting Policies

The YMCA of Metropolitan Dallas (the Association or YMCA) is a nonprofit corporation chartered by the state of Texas in 1885. The Association's mission is to advance its cause of strengthening community through youth development, healthy living, and social responsibility. The YMCA is an association of men, women, and children committed to bringing about lasting personal and social change. With a focus on nurturing the potential of every child and teen, improving the nation's health and well-being, and providing opportunities to give back and support neighbors, the YMCA enables youth, adults, families and communities to be healthy, confident, connected and secure. To accomplish its missions, programs are offered through 18 branch operating units whose program and administrative functions are coordinated through one main metropolitan office.

Program Activities

Youth Development - The Association is committed to nurturing the potential of every child and teen. The Association believes that all kids deserve the opportunity to discover who they are and what they can achieve. That is why the Association helps young people cultivate the values, skills and relationships that lead to positive behaviors, better health and educational achievement. Our YMCA programs, such as afterschool childcare, preschool, Child Watch, Youth and Government, Model United Nations, swim lessons, swim team, teen clubs, youth sports, resident camp, Outdoor Education and summer day camp, offer a range of experiences that enrich cognitive, social, physical and emotional growth.

Healthy Living - The Association is a leading voice on health and well-being. The Association brings families closer together, encourages good health and fosters connections through fitness, sports, fun and shared interests. As a result, people in our community are receiving the support, guidance and resources they need to achieve greater health in spirit, mind, and body. This is particularly important as our nation struggles with an obesity crisis, families struggle with work/life balance, and individuals search for personal fulfillment. Programs such as: Adventure Guides, group adult classes, diabetes prevention, health screening, Turkey Trot, adult sports, personal training, and other recreational activities are some examples of healthy living programs that the Association offers.

Social Responsibility - The Association believes in giving back and supporting our neighbors. The Association has been listening and responding to our community's most critical social needs. YMCA programs such as: Make A Splash, the Urban Swim Program, Know Before You Go, college scholarships, community CPR/first aid, and program scholarships are examples of how the Association delivers training, resources and support that empower our neighbors to effect change, bridge gaps and overcome obstacles. The Association engages YMCA members, participants, and volunteers in activities that strengthen our community and pave the way for future generations to thrive.

Notes to Financial Statements

December 31, 2023 and 2022

As part of the YMCA's mission, the programs are accessible, affordable and open to all faiths, backgrounds, abilities and income levels. The YMCA provides financial assistance to people who otherwise may not have been able to afford to participate.

Basis of Accounting

The accounts of the Association are maintained, and the financial statements are prepared, on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses, gains, losses, and other changes in net assets during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Association considers all investments with an original maturity of three months or less to be cash equivalents. At December 31, 2023 and 2022, cash equivalents consist primarily of money market investments with interest rates ranging from .02% to 5.00%. The Association places its cash and cash equivalents with high quality financial institutions which cash balances, at times, may exceed federally insured limits. The Association has not experienced any losses on such accounts. At December 31, 2023, the Association's cash and restricted cash accounts exceeded federally insured limits by \$1,463,888.

Restricted Cash and Cash Equivalents

Amounts included in restricted cash represent those required to be set aside for debt obligations, capital projects and for board designated purposes. The Association recorded \$8,958,142 and \$4,048,745 in restricted cash and cash equivalents for the years ended December 31, 2023 and 2022, respectively, primarily for the purpose of capital related projects.

Accounts Receivables

Accounts receivables are stated at the amount of consideration from campers and participants, of which the Association has an unconditional right to receive. The Association does not accrue interest on unpaid balances. The Association considers an allowance for doubtful accounts, which is based upon a review of outstanding receivables, historical collection information, and existing economic conditions adjusted for current conditions and reasonable and supportable forecasts. No allowance was recorded at December 31, 2023 and 2022. Uncollected amounts are written off when management has exhausted collections efforts and deems the accounts uncollectible.

YMCA of Metropolitan Dallas

Notes to Financial Statements

December 31, 2023 and 2022

Inventory

Inventory is stated at the lower of cost or net realizable value using the first in, first out method. Such inventory primarily consists of educational, program, and campaign materials that are held for use in program activities and for sales to unrelated parties.

Land, Buildings, and Equipment

Donated property and equipment are recorded at fair value at date of receipt, and expenditures for land, buildings, and equipment are capitalized and stated at cost. Completed capital projects for land, buildings, and equipment are stated at cost less accumulated depreciation. The Association capitalizes all expenditures for fixed assets in excess of \$1,000. Depreciation of the buildings and equipment is provided on a straight-line basis over the estimated useful lives.

The estimated useful lives for each major depreciable classification of buildings and equipment are as follows:

Buildings	15 - 30 years
Equipment and vehicles	3 - 10 years

Impairment of Long-Lived Assets

The Association evaluates long-lived assets held and used for impairment whenever events or changes in circumstances indicate the carrying amounts may not be recoverable. Impairment is recognized when the undiscounted cash flows estimated to be generated by those assets are less than the carrying amounts of such assets. The amount of impairment is the excess of the carrying amount over the fair value of such assets. No impairment of long-lived assets was recognized during fiscal year 2023 and 2022.

Leases

The Association determines if an arrangement is a lease or contains a lease at inception. Leases result in the recognition of ROU assets and lease liabilities on the statement of financial position. The Association established a threshold of considering contracts for lease accounting treatment as all contracts with values greater than \$5,000. ROU assets represent the right to use an underlying asset for the lease term, and lease liabilities represent the obligation to make lease payments arising from the lease, measured on a discounted basis. The Association determines lease classification as operating or finance at the lease commencement date.

The Association combines lease and nonlease components, such as maintenance costs, in calculating the ROU assets and lease liabilities for its equipment.

YMCA of Metropolitan Dallas

Notes to Financial Statements

December 31, 2023 and 2022

At lease inception, the lease liability is measured at the present value of the lease payments over the lease term. The ROU asset equals the lease liability adjusted for any initial direct costs, prepaid or deferred rent, and lease incentives. The Association has made a policy election to use a risk-free rate (the rate of a zero-coupon U.S. Treasury instrument) for the initial and subsequent measurement of all lease liabilities. The risk-free rate is determined using a period comparable with the lease term.

The lease term may include options to extend or to terminate the lease that the Association is reasonably certain to exercise. Lease expense is generally recognized on a straight-line basis over the lease term.

The Association has elected not to record leases with an initial term of 12 months or less on the statements of financial position. Lease expense on such short-term leases is recognized on a straight-line basis over the lease term.

Deferred Revenue

Revenue from fees for memberships and programs is deferred and recognized over the periods to which the fees relate.

Net Assets

Net assets, revenues, gains and losses are classified based on the existence or absence of donor restrictions.

Net assets without donor restrictions are available for use in general operations and not subject to donor restrictions.

Net assets with donor restrictions are subject to donor restrictions. Some restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Contributions

Contributions, including capital pledges, are provided to the Association either with or without restrictions placed on the gift by the donor. All contributions are considered available for the general programs of the Association and are, therefore, classified as unrestricted unless specifically restricted by the donor. Revenues and net assets are separately reported to reflect the nature of those gifts – with or without donor restrictions. The value recorded for each contribution is recognized as follows:

Nature of the Gift	Value Recognized
<i>Conditional gifts, with or without restriction</i>	
Gifts that depend on the Association overcoming a donor-imposed barrier to be entitled to the funds	Not recognized until the gift becomes unconditional, <i>i.e.</i> the donor-imposed barrier is met
<i>Unconditional gifts, with or without restriction</i>	
Received at date of gift – cash and other assets	Fair value
Received at date of gift – property, equipment, and long-lived assets	Estimated fair value
Expected to be collected within one year	Net realizable value
Collected in future years	Initially reported at fair value determined using the discounted present value of estimated future cash flows technique

In addition to the amount initially recognized, revenue for unconditional gifts to be collected in future years is also recognized each year as the present-value discount is amortized using the level-yield method.

When a donor stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Absent explicit donor stipulations for the period of time that long-lived assets must be held, expirations of restrictions for gifts of land, buildings, equipment, and other long-lived assets are reported when those assets are placed in service.

Gifts and investment income that are originally restricted by the donor and for which the restriction is met in the same time period the gift is received are recorded as revenue with donor restrictions and then released from restriction.

YMCA of Metropolitan Dallas

Notes to Financial Statements

December 31, 2023 and 2022

Conditional contributions and investment income having donor stipulations which are satisfied in the period the gift is received and the investment income is earned are recorded as revenue with donor restrictions and then released from restriction.

Membership Dues

Membership dues are recognized as the Association satisfies performance obligations under its contracts, often monthly. Revenue is reported at the estimated transaction price or amount that reflects the consideration to which the Association expects to be entitled in exchange for providing membership benefits. The Association determines the transaction price based on standard charges for the membership, reduced by implicit and explicit price concessions. The Association determines its estimates of implicit and explicit price concessions based upon contractual agreements, its discount policies and historical experience.

Program Revenue

Program revenues are recognized as the Association satisfies performance obligations under its contracts, often over the course of the program or when the program begins. Amounts collected prior to December 31 for performance obligations to be provided in the next reporting period are deferred. Revenue is reported at the estimated transaction price or amount that reflects the consideration to which the Association expects to be entitled in exchange for providing the program services. The Association determines the transaction price based on standard charges for the program, reduced by implicit and explicit price concessions. The Association determines its estimates of implicit and explicit price concessions based upon contractual agreements, its discount policies and historical experience.

Contributed Nonfinancial Assets

For the year ended December 31, 2023 and 2022, the Association recognized contributed nonfinancial assets in the form of equipment in the amount of \$0 and \$114,000, respectively. The nonfinancial asset was recognized within revenue. Unless otherwise noted, contributed nonfinancial assets did not have donor-imposed restrictions.

In valuing the contributed equipment, the Association recorded the fair value as estimated through a third-party cost estimate.

Contributed Services

The Association recognizes contributions of services received if such services: (a) create or enhance nonfinancial assets; (b) require specialized skills; (c) are provided by individuals possessing those skills; and (d) would typically need to be purchased if not contributed. The Association did not receive any contributed services for the years ended December 31, 2023 and 2022.

The Association receives services from a large number of volunteers who give significant amounts of their time to the programs of the Association. No amounts have been reflected for these types of donated services, as there is no objective basis available to measure the value of such services.

YMCA of Metropolitan Dallas
Notes to Financial Statements
December 31, 2023 and 2022

Income Taxes

The Association is exempt from federal income tax under Section 501(a) of the Internal Revenue Code (IRC) of 1986, as amended, as an organization described in Section 501(c)(3) of the IRC. However, the Association is subject to federal income tax on any unrelated business taxable income. The Association has been classified as an organization that is not a private foundation under IRC Section 509(a)(1).

The Association files tax returns in the U.S. federal jurisdiction.

Functional Allocation of Expenses

The costs of providing various program and supporting services have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents expenses by functional and natural classification. Expenses are specifically identified and charged to either program services, management and general, or fundraising categories. Indirect expenses such as depreciation and repairs and maintenance are allocated based on each department's percentage of total expenses.

Summarized Comparative Information

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with US GAAP. Accordingly, such information should be read in conjunction with the Association's financial statements for the year ended December 31, 2022, from which the summarized information was derived.

Note 2: Accounts Receivable

At December 31, 2023 and 2022, \$1,057,615 of funds restricted in perpetuity by donors relate to donations made by donors to the YMCA of Metropolitan Dallas Foundation (Foundation) specifying that only the income from those investments may be expended. Income generated from these donations is restricted primarily to the granting of college and camp scholarships. Gains and losses on these investments are treated consistently with income restrictions as specified by the donor. Additional donor restricted assets restricted in perpetuity at December 31, 2022 include \$1,013,220 of donated land with the restriction that it be used to operate a camp for an indefinite period of time. Note 8: Liquidity and Availability

The following table reflects the Association’s financial assets as of December 31, 2023 and 2022, reduced by amounts not available for general expenditures within one year. Financial assets are considered unavailable when illiquid or not convertible to cash within one-year, perpetual endowments and accumulated earnings net of appropriations within one year, or because the governing board has set aside the funds for a specific use. These board designations could be drawn upon if the board approves that action.

For the year ended December 31, 2023 and 2022, restricted contributions of \$9,661,179 and \$10,038,715, respectively, were included in financial assets available to meet cash needs for general expenditures within one year.

As part of the Association’s liquidity management, it structures its financial assets to be available as its general expenditures, liabilities, and other obligations come due. Membership and program revenue generate monthly earnings that cover the majority of financial obligations. The Association also receives annual support from the YMCA of Metropolitan Dallas Foundation.

Note 9: Commitments and Contingencies

Paid Time Off

The Association provides full time employees with paid time off (PTO) based upon length of service. Employees earn PTO throughout the year unless the maximum number of hours is reached. If employment is terminated either by the employee or the Association, the employee may receive up to 50% of unused PTO available.

Note 10: Revenue from Contracts with Members

Membership Dues and Joiner Fees Revenue

Revenue from contracts with members for memberships is reported at the amount that reflects the consideration to which the Association expects to be entitled for providing health and fitness services in the form of access to various YMCA locations in the Metropolitan Dallas area. Additionally, the joiner fees reflect a one-time fee charged upon members joining the YMCA for the first time. These amounts are due from members and do not include variable consideration.

Revenue is recognized as performance obligations are satisfied, which is ratably over the membership term. Generally, the Association bills members monthly, but members are able to pay for future months' membership in advance.

A member must provide 30 days' notice for cancellation of their membership.

Program Revenue

Revenue from contracts with participants is reported at the amount that reflects the consideration to which the Association is expected to be entitled in exchange for providing participation in various program and activities during the year. These amounts are due from participants and do not include variable consideration.

Revenue is recognized as performance obligations are satisfied, which is over the duration of the program or activity. Generally, the Association bills participants at the time of registration for the program or activity.

Sales to Members

Revenue from contracts with members for sales is reported at the amount that reflects the consideration to which the Association is expected to be entitled in exchange for providing merchandise available for sale. These amounts are due from members and do not include variable consideration.

Revenue from sales is generally recognized when goods are provided to members at a single point in time and the Association does not believe it is required to provide additional goods or services related to the sale.

Notes to Financial Statements

December 31, 2023 and 2022

On November 1, 1996, the Association transferred \$14,490,962 to the Foundation, which comprised \$11,411,247 and \$3,079,715, without donor restrictions and with donor restrictions, respectively. At the time of the transfer, the Foundation was granted variance power by the Association to the board of directors of the Foundation to determine the timing and/or distribution of funds. Although that power gives the Foundation the right to distribute funds to support organizations with goals similar to the Association, the intent is to support the Association and the Foundation has not provided funds to any other organization. Resources for the Foundation were initially provided by the Association, and subsequently from the general public and return on investments. During the years ended December 31, 2023 and 2022, the Association received transfers from the Foundation of \$1,444,642 and \$1,360,573, respectively.

The Association follows Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958, *Transfer of Assets to a Not-for-Profit Organization or Charitable Trust That Raises or Holds Contributions for Others*. This accounting standard requires the Association to record its interest in the net assets of the Foundation and to adjust that interest for changes in its share of the net assets of the Foundation. The assets of the Foundation are managed solely by their Board. The Foundation's Board determines the timing of transfers to the Association. The accompanying statement of activities includes change in net assets with donor restrictions of \$2,972,080 and \$(6,132,638) in 2023 and 2022, respectively, related to the Association's investment in the Foundation. The Association's interest in the Foundation of \$35,095,492 and \$32,123,412 is reflected in the accompanying statements of financial position at December 31, 2023 and 2022, respectively, as investment in net assets of related Foundation.

Although the Association does not have a majority ownership or control of a majority of Foundation Board appointments, the Association maintains an "economic interest" in the Foundation as defined in FASB ASC 958, *Not-For-Profit Entities*. As a result, the Foundation's summary financial information, required by SOP 94-3, is as follows, for the year ended December 31:

	2023	2022	2021
Total assets	\$ 35,100,492	\$ 32,123,412	\$ 38,256,050
Total net assets	35,095,492	32,123,412	38,256,050

Note 14: Subsequent Events

The Association entered into a New Market Tax Credit (NMTC) transaction on March 12, 2024. The Association funded a loan to the NMTC Investor in the amount of \$12,838,800. This loan will be reflected as a note receivable in the statement of financial position in 2024. The purpose of this transaction is the construction of a new building. In addition to the loan, the value of the land and construction in progress was transferred to a new entity formed to hold the assets of the NMTC project for approximately seven years, after which the assets will be transferred back to the Association. This entity is a related party of the Association and will be consolidated with the Association.

The Association evaluated its financial statements for subsequent events through May 15, 2024, the date the financial statements were available to be issued.

Independent Auditor's Report

Board of Directors
YMCA of Metropolitan Dallas
Coppell, Texas

Opinion

We have audited the financial statements of YMCA of Metropolitan Dallas (Association), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Association and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the December 31, 2021, financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated May 26, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

The Association believes that all kids deserve the opportunity to discover who they are and what they can achieve. That is why the Association helps young people cultivate the values, skills and relationships that lead to positive behaviors, better health and educational achievement. Our YMCA programs, such as afterschool childcare, preschool, Child Watch, Youth and Government, Model United Nations, swim lessons, swim team, teen clubs, youth sports, resident camp, Outdoor Education and summer day camp, offer a range of experiences that enrich cognitive, social, physical and emotional growth.

Healthy Living - The Association is a leading voice on health and well-being. The Association brings families closer together, encourages good health and fosters connections through fitness, sports, fun and shared interests. As a result, people in our community are receiving the support, guidance and resources they need to achieve greater health in spirit, mind and body. This is particularly important as our nation struggles with an obesity crisis, families struggle with work/life balance and individuals search for personal fulfillment. Programs such as: Adventure Guides, group adult classes, diabetes prevention, health screening, Turkey Trot, adult sports, personal training, and other recreational activities are some examples of healthy living programs that the Association offers.

Social Responsibility - The Association believes in giving back and supporting our neighbors. The Association has been listening and responding to our community's most critical social needs. YMCA programs such as: Make A Splash, the Urban Swim Program, Know Before You Go, college scholarships, community CPR/first aid, and program scholarships are examples of how the Association delivers training, resources and support that empower our neighbors to effect change, bridge gaps and overcome obstacles. The Association engages YMCA members, participants and volunteers in activities that strengthen our community and pave the way for future generations to thrive.

Notes to Financial Statements

December 31, 2022 and 2021

As part of the YMCA's mission, the programs are accessible, affordable and open to all faiths, backgrounds, abilities and income levels. The YMCA provides financial assistance to people who otherwise may not have been able to afford to participate.

Basis of Accounting

The accounts of the Association are maintained, and the financial statements are prepared, on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses, gains, losses, and other changes in net assets during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Association considers all investments with an original maturity of three months or less to be cash equivalents. At December 31, 2022 and 2021, cash equivalents consist primarily of money market investments with interest rates ranging from .02 percent to 4.50 percent. The Association places its cash and cash equivalents with high quality financial institutions which cash balances, at times, may exceed federally insured limits. The Association has not experienced any losses on such accounts. At December 31, 2022, the Association's cash accounts exceeded federally insured limits by approximately \$43,018,126.

Restricted Cash and Cash Equivalents

Amounts included in restricted cash represent those required to be set aside for debt obligations, capital projects and for board designated purposes. The Association recorded \$4,048,745 in restricted cash and cash equivalents for the year ended December 31, 2022, primarily for the purpose of capital related projects.

Accounts Receivables

Accounts receivables are stated at the amount of consideration from campers and participants, of which the Association has an unconditional right to receive. The Association does not accrue interest on unpaid balances. The Association considers an allowance for doubtful accounts, which is based upon a review of outstanding receivables, historical collection information and existing economic conditions. No allowance was recorded at December 31, 2022 and 2021. Uncollected amounts are written off when management has exhausted collections efforts and deems the accounts uncollectible.

Notes to Financial Statements

December 31, 2022 and 2021

Inventory

Inventory is stated at the lower of cost or net realizable value using the first in, first out method. Such inventory primarily consists of educational, program, and campaign materials that are held for use in program activities and for sales to unrelated parties.

Land, Buildings, and Equipment

Donated property and equipment are recorded at fair value at date of receipt, and expenditures for land, buildings, and equipment are capitalized and stated at cost. Completed capital projects for land, buildings, and equipment are stated at cost less accumulated depreciation. The Association capitalizes all expenditures for fixed assets in excess of \$1,000. Depreciation of the buildings and equipment is provided on a straight-line basis over the estimated useful lives.

The estimated useful lives for each major depreciable classification of buildings and equipment are as follows:

Buildings	15 - 30 years
Equipment	3 - 10 years

Impairment of Long-Lived Assets

The Association evaluates long-lived assets held and used for impairment whenever events or changes in circumstances indicate the carrying amounts may not be recoverable. Impairment is recognized when the undiscounted cash flows estimated to be generated by those assets are less than the carrying amounts of such assets. The amount of impairment is the excess of the carrying amount over the fair value of such assets. No impairment of long-lived assets was recognized during fiscal year 2022 and 2021.

Deferred Revenue

Revenue from fees for memberships and programs is deferred and recognized over the periods to which the fees relate.

Debt Issuance Costs

Debt issuance costs represent costs incurred in connection with the issuance of long-term debt. The Association records these costs as direct deductions from the related debt. Such costs are being amortized over the term of the respective debt using the effective interest method.

Net Assets

Net assets, revenues, gains and losses are classified based on the existence or absence of donor restrictions.

YMCA of Metropolitan Dallas

Notes to Financial Statements

December 31, 2022 and 2021

Net assets without donor restrictions are available for use in general operations and not subject to donor restrictions. The governing board has designated, from net assets without donor restrictions, net assets for operations with the Texas State Alliance of YMCAs (Alliance).

Net assets with donor restrictions are subject to donor restrictions. Some restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Contributions

Contributions, including capital pledges, are provided to the Association either with or without restrictions placed on the gift by the donor. All contributions are considered available for the general programs of the Association and are, therefore, classified as unrestricted unless specifically restricted by the donor. Revenues and net assets are separately reported to reflect the nature of those gifts – with or without donor restrictions. The value recorded for each contribution is recognized as follows:

Nature of the Gift	Value Recognized
<i>Conditional gifts, with or without restriction</i>	
Gifts that depend on the Association overcoming a donor-imposed barrier to be entitled to the funds	Not recognized until the gift becomes unconditional, <i>i.e.</i> the donor-imposed barrier is met
<i>Unconditional gifts, with or without restriction</i>	
Received at date of gift – cash and other assets	Fair value
Received at date of gift – property, equipment, and long-lived assets	Estimated fair value
Expected to be collected within one year	Net realizable value
Collected in future years	Initially reported at fair value determined using the discounted present value of estimated future cash flows technique

In addition to the amount initially recognized, revenue for unconditional gifts to be collected in future years is also recognized each year as the present-value discount is amortized using the level-yield method.

YMCA of Metropolitan Dallas

Notes to Financial Statements

December 31, 2022 and 2021

When a donor stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Absent explicit donor stipulations for the period of time that long-lived assets must be held, expirations of restrictions for gifts of land, buildings, equipment, and other long-lived assets are reported when those assets are placed in service.

Gifts and investment income that are originally restricted by the donor and for which the restriction is met in the same time period the gift is received are recorded as revenue with donor restrictions and then released from restrictions.

Conditional contributions and investment income having donor stipulations which are satisfied in the period the gift is received and the investment income is earned are recorded as revenue with donor restrictions and then released from restriction.

Membership Dues

Membership dues are recognized as the Association satisfies performance obligations under its contracts, often monthly. Revenue is reported at the estimated transaction price or amount that reflects the consideration to which the Association expects to be entitled in exchange for providing membership benefits. The Association determines the transaction price based on standard charges for the membership, reduced by implicit and explicit price concessions. The Association determines its estimates of implicit and explicit price concessions based upon contractual agreements, its discount policies and historical experience.

Program Revenue

Program revenues are recognized as the Association satisfies performance obligations under its contracts, often over the course of the program or when the program begins. Amounts collected prior to December 31 for performance obligations to be provided in the next reporting period are deferred. Revenue is reported at the estimated transaction price or amount that reflects the consideration to which the Association expects to be entitled in exchange for providing the program services. The Association determines the transaction price based on standard charges for the program, reduced by implicit and explicit price concessions. The Association determines its estimates of implicit and explicit price concessions based upon contractual agreements, its discount policies and historical experience.

Contributed Nonfinancial Assets

For the year ended December 31, 2022, the Association recognized contributed nonfinancial assets in the form of equipment in the amount of \$114,000. This nonfinancial asset was recognized within revenue. Unless otherwise noted, contributed nonfinancial assets did not have donor-imposed restrictions.

In valuing the contributed equipment, the Association recorded the fair value as estimated through a third-party cost estimate.

Contributed Services

The Association recognizes contributions of services received if such services: (a) create or enhance nonfinancial assets; (b) require specialized skills; (c) are provided by individuals possessing those skills; and (d) would typically need to be purchased if not contributed. The Association did not receive any contributed services for the years ended December 31, 2022 and 2021.

The Association receives services from a large number of volunteers who give significant amounts of their time to the programs of the Association. No amounts have been reflected for these types of donated services, as there is no objective basis available to measure the value of such services.

Income Taxes

The Association is exempt from federal income tax under Section 501(a) of the Internal Revenue Code (IRC) of 1986, as amended, as an organization described in Section 501(c)(3) of the IRC. However, the Association is subject to federal income tax on any unrelated business taxable income. The Association has been classified as an organization that is not a private foundation under IRC Section 509(a)(1).

The Association files tax returns in the U.S. federal jurisdiction.

Functional Allocation of Expenses

The costs of providing various program and supporting services have been summarized on a functional basis in the statement of activities. The statement of functional expenses present expenses by functional and natural classification. Expenses are specifically identified and charged to either program services, management and general, or fundraising categories. Indirect expenses such as depreciation and repairs and maintenance are allocated based on each department's percentage of total expenses.

Notes to Financial Statements

December 31, 2022 and 2021

The Association receives significant contributions restricted by donors and considers contributions restricted for programs which are ongoing, major and central to its annual operations to be available to meet cash needs for general expenditures. For the year ended December 31, 2022 and 2021, restricted contributions of \$10,038,715 and \$2,643,433, respectively, were included in financial assets available to meet cash needs for general expenditures within one year.

As part of the Association's liquidity management, it structures its financial assets to be available as its general expenditures, liabilities, and other obligations come due. Membership and program revenue generate monthly earnings that cover the majority of financial obligations. The Association also receives annual support from the YMCA of Metropolitan Dallas Foundation.

Note 9: Commitments and Contingencies

Paid Time Off

The Association provides full time employees with paid time off (PTO) based upon length of service. Employees earn PTO throughout the year unless the maximum number of hours is reached. If employment is terminated either by the employee or the Association, the employee may receive up to 50 percent of unused PTO available.

Employee Retention Credit

The *Coronavirus Aid, Relief, and Economic Security Act (CARES)*, and subsequent legislation, provides a refundable employee retention tax credit to eligible employers who meet either a gross receipts test or a government mandate test. The tax credit is equal to a specified percentage of qualified wages paid to employees subject to certain limits. The Association has elected to account for these employee retention credits in accordance with ASC 958-605. The Association had determined it qualifies for the tax credit and has claimed ERCs of \$0 and \$9,000,000, during the years ended December 31, 2022 and 2021, respectively.

Note 10: Revenue from Contracts with Members

Membership Dues and Joiner Fees Revenue

Revenue from contracts with members for memberships is reported at the amount that reflects the consideration to which the Association expects to be entitled for providing health and fitness services in the form of access to various YMCA locations in the Metropolitan Dallas area. Additionally, the joiner fees reflect a one-time fee charged upon members joining the YMCA for the first time. These amounts are due from members and do not include variable consideration.

YMCA of Metropolitan Dallas

Notes to Financial Statements

December 31, 2022 and 2021

Revenue is recognized as performance obligations are satisfied, which is ratably over the membership term. Generally, the Association bills members monthly, but members are able to pay for future months' membership in advance.

A member must provide 30 days' notice for cancellation of their membership.

Program Revenue

Revenue from contracts with participants is reported at the amount that reflects the consideration to which the Association is expected to be entitled in exchange for providing participation in various program and activities during the year. These amounts are due from participants and do not include variable consideration.

Revenue is recognized as performance obligations are satisfied, which is over the duration of the program or activity. Generally, the Association bills participants at the time of registration for the program or activity.

Sales to Members

Revenue from contracts with members for sales is reported at the amount that reflects the consideration to which the Association is expected to be entitled in exchange for providing merchandise available for sale. These amounts are due from members and do not include variable consideration.

Revenue from sales is generally recognized when goods are provided to members at a single point in time and the Association does not believe it is required to provide additional goods or services related to the sale.

Transaction Price and Recognition

The Association determines the transaction price based on standard charges for goods and services provided. Payment is typically due at the time the contract is entered into, or in accordance with the terms of the specific agreement.

The Association has not incurred material refunds in the past, and accordingly, has not provided for a refund liability for the years ended December 31, 2022 and 2021.

The Association has determined that the nature, amount, timing and uncertainty of revenue and cash flows vary based on availability of programs and members ability to pay for their membership fees.

For the years ended December 31, 2022 and 2021, the Association recognized revenue of \$49,824,225 and \$36,953,734, respectively, from goods and services that transfer to the customers over time and \$1,115,555 and \$1,077,595, respectively, from goods and services that transfer to the customer at a point in time.

Note 11: Leases (ASC 842)

Change in Accounting Principle

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*. This ASU requires lessees to recognize a lease liability and a right-of-use (ROU) asset on a discounted basis, for substantially all leases, as well as additional disclosures regarding leasing arrangements. Disclosures are required to enable users of financial statements to assess the amount, timing and uncertainty of cash flows arising from leases. In July 2018, the FASB issued ASU 2018-11, *Leases (Topic 842): Targeted Improvements*, which provides an optional transition method of applying the new lease standard. Topic 842 can be applied using either a modified retrospective approach at the beginning of the earliest period presented, or as permitted by ASU 2018-11, at the beginning of the period in which it is adopted, i.e., the comparatives under ASC 840 option.

On January 1, 2022, the Association adopted the Financial Accounting Standards Board Accounting Standards Update 2016-02, *Leases (Topic 842)*, ASU 2016-02 using a modified retrospective method of adoption at the period in which it is adopted at January 1, 2022. The Association elected the package of practical expedients under the new standard, which permits entities to not reassess lease classification, lease identification or initial direct costs for existing or expired leases prior to the effective date. The Association elected to keep short-term leases with an initial term of 12 months or less off the statement of financial position. The Association did not elect the hindsight practical expedient in determining the lease term for existing leases as of January 1, 2022. The standard did not affect the statements of financial position, statement of activities or statements of cash flows.

YMCA of Metropolitan Dallas

Notes to Financial Statements

December 31, 2022 and 2021

Accounting Policies

The Association determines if an arrangement is a lease or contains a lease at inception. Leases result in the recognition of ROU assets and lease liabilities on the statement of financial position. The Association established a threshold of considering contracts for lease accounting treatment as all contracts with values greater than \$5,000. ROU assets represent the right to use an underlying asset for the lease term, and lease liabilities represent the obligation to make lease payments arising from the lease, measured on a discounted basis. The Association determines lease classification as operating or finance at the lease commencement date.

The Association combines lease and nonlease components, such as maintenance costs, in calculating the ROU assets and lease liabilities for its equipment.

At lease inception, the lease liability is measured at the present value of the lease payments over the lease term. The ROU asset equals the lease liability adjusted for any initial direct costs, prepaid or deferred rent, and lease incentives. The Association has made a policy election to use a risk-free rate (the rate of a zero-coupon U.S. Treasury instrument) for the initial and subsequent measurement of all lease liabilities. The risk-free rate is determined using a period comparable with the lease term.

The lease term may include options to extend or to terminate the lease that the Association is reasonably certain to exercise. Lease expense is generally recognized on a straight-line basis over the lease term.

The Association has elected not to record leases with an initial term of 12 months or less on the statements of financial position. Lease expense on such short-term leases is recognized on a straight-line basis over the lease term.

Nature of Leases

The Association has entered into the following lease arrangements:

Short-Term Leases

The Association leases certain assets on a seasonal demand. The expected lease terms are less than 12 months. Total lease expenses included in operating expenses for the year ending December 31, 2022 was \$1,474,353.

Finance and Operating Leases

The Association did not have any finance or operating leases meeting the criteria as outlined above with the practical expedients that were elected.

Note 12: Retirement Plan

The Association participates in a defined contribution, individual account, money purchase, retirement plan, which is administered by the Young Men’s Christian Association (YMCA) Retirement Fund (Retirement Fund – a separate corporation). The Retirement Fund is for the benefit of all eligible employees of the Association who qualify under the participation requirements.

The Retirement Fund is operated as a church pension plan and is a nonprofit, tax-exempt, New York state corporation (1922). Participation is available to all duly organized and re-organized YMCAs in the United States. As a defined contribution plan, the Retirement Fund has no unfunded pension benefit obligations.

In accordance with the Retirement Fund agreement, employee and employer contributions are a percentage of the participating employees’ salary and are to be remitted to the Retirement Fund monthly. Notes to Financial Statements

December 31, 2022 and 2021

On November 1, 1996, the Association transferred \$14,490,962 to the Foundation, which comprised \$11,411,247 and \$3,079,715, without donor restrictions and with donor restrictions, respectively. At the time of the transfer, the Foundation was granted variance power by the Association to the board of directors of the Foundation to determine the timing and/or distribution of funds. Although that power gives the Foundation the right to distribute funds to support organizations with goals similar to the Association, the intent is to support the Association and the Foundation has not provided funds to any other organization. Resources for the Foundation were initially provided by the Association, and subsequently from the general public and return on investments. During the years ended December 31, 2022 and 2021, the Association received transfers from the Foundation of \$1,360,573 and \$1,265,577, respectively.

The Association follows Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958, *Transfer of Assets to a Not for Profit Organization or Charitable Trust That Raises or Holds Contributions for Others*. This accounting standard requires the Association to record its interest in the net assets of the Foundation and to adjust that interest for changes in its share of the net assets of the Foundation. The assets of the Foundation are managed solely by their Board. The Foundation's Board determines the timing of transfers to the Association. The accompanying statement of activities includes change in net assets with donor restrictions of \$(6,132,638) and \$6,945,975 in 2022 and 2021, respectively, related to the Association's investment in the Foundation. The Association's interest in the Foundation of \$32,123,412 and \$38,256,049 is reflected in the accompanying statements of financial position at December 31, 2022 and 2021, respectively, as investment in net assets of related Foundation.

Although the Association does not have a majority ownership or control of a majority of Foundation Board appointments, the Association maintains an "economic interest" in the Foundation as defined in FASB ASC 958, *Not-For-Profit Entities*. As a result, the Foundation's summary financial information, required by SOP 94-3, is as follows, for the year ended December 31:

	<u>2022</u>	<u>2021</u>	<u>2020</u>
Total assets	\$ 32,123,412	\$ 38,256,050	\$ 31,310,075
Total net assets	32,123,412	38,256,050	31,310,075
Increase/(Decrease) in net assets	(6,132,638)	6,945,975	3,356,899

Note 14: Subsequent Events

The Association evaluated its financial statements for subsequent events through May 31, 2023, the date the financial statements were available to be issued.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.
