

TITLE: Consider/Discuss/Act on a Resolution Authorizing the City Manager to Accept and Implement Urban Area Security Initiative (UASI) Program Grant Funding from the Department of Homeland Security through the North Central Texas Council of Governments (NCTCOG) to Implement a Debris Monitoring Program in the City of McKinney

MEETING DATE: November 6, 2012

DEPARTMENT: Fire Department

CONTACT: Janay Tieken, Grants Administrator
Karen Adkins, Emergency Management Coordinator

RECOMMENDED CITY COUNCIL ACTION:

- Approval of Resolution for acceptance and implementation of grant award.

ITEM SUMMARY:

- The UASI program focuses on enhancing regional security preparedness in major metropolitan areas.
- Staff requests approval to accept and implement grant award of \$70,000 in UASI grant funding to develop a Debris Monitoring and Management Program.

BACKGROUND INFORMATION:

- Nuclear, chemical and biological accidents or attacks may produce various amounts of contaminated soil, water, and construction/demolition waste that would require special disposal handling.
- The City of McKinney is required to develop a Debris Monitoring and Management Program to maintain regulatory compliance and implement the city's Comprehensive Emergency Management Plan.
- Grant funding will allow the City to create a Debris Monitoring and Management Program.

FINANCIAL SUMMARY:

- The grant will provide \$70,000 for the creation of a Debris Monitoring and Management Program.
- There is no match requirement.

BOARD OR COMMISSION RECOMMENDATION:

- N/A
