

AGENDA ITEM

TO: Planning and Zoning Commission

THROUGH: Jennifer Arnold, Planning Manager

FROM: Jason Aprill, Planner I

SUBJECT: Conduct a Public Hearing to Consider/Discuss/Act on the Semiannual Report with Respect to the Progress of the Capital Improvements Plan for Roadway and Utility Impact Fees

APPROVAL PROCESS: The recommendation of the Planning and Zoning Commission will be forwarded to the City Council on June 16, 2015.

STAFF RECOMMENDATION: Staff recommends filing of the semiannual report with respect to the progress of the Capital Improvements Plan for roadway and utility impact fees.

ITEM SUMMARY: Staff is presenting the 2014-2015 mid-fiscal year semiannual report on the progress of the Capital Improvements Plan for roadway and utility impact fees as required by Chapter 395 of the Texas Local Government Code. Staff has established a schedule of presenting the semiannual report at the mid-point of the fiscal year as well as at the end of the fiscal year (the fiscal year being October to September). The 2013-2014 end of fiscal year report was presented at the Planning and Zoning Commission meeting on December 9, 2014 and accepted by City Council on January 6, 2015.

The Planning and Zoning Commission has been appointed as the Capital Improvements Advisory Committee for the City of McKinney. Per state law, the committee serves in an advisory capacity and is established to:

- (1) Advise and assist the political subdivision in adopting land use assumptions;
- (2) Review the capital improvements plan and file written comments;
- (3) Monitor and evaluate implementation of the capital improvements plan;
- (4) **File semiannual reports with respect to the progress of the capital improvements plan and report to the political subdivision any perceived inequities in implementing the plan or imposing the impact fee; and**
- (5) Advise the political subdivision of the need to update or revise the land use assumptions, capital improvements plan and impact fee.

Semiannual Report

The Capital Improvements Plan used for this semiannual report was adopted on November 19, 2013 as part of the 2012-2013 Impact Fee Update. The semiannual report is required to report the progress of the Capital Improvements Plan and report any perceived inequities in the implementation of the CIP. **The Planning & Zoning Commission meeting report from the public hearing, its attachments and meeting minutes will be filed by City Council as the semiannual report.**

The City of McKinney's semiannual report includes a summary of the total roadway and utility impact fee funds collected, transferred, and available for capital improvement projects. It also lists ongoing capital improvement projects partially funded by impact fee revenue.

Construction Costs and Inflation Rates

As part of the semiannual report, Staff has included a review of regional construction costs and national inflation rates.

From March 2014 to March 2015, the Construction Cost Index in the Dallas area increased 1.70% as compared to the National Average, which increased 2.3% during the same period. (Source: Construction Cost Index at www.enr.com).

From March 2014 to March 2015, the Consumer Price Index (CPI) shows that annual inflation increased 0.2%. During the same period, the core CPI, which excludes volatile food and energy prices, rose 1.8% (Source: US Department of Labor, Bureau of Labor Statistics).

The first and only increase to roadway impact fees under the current ordinance occurred on May 20, 2014 as part of the phase-in schedule approved by City Council. Staff feels that the impact fee levels and phase-in schedule are commensurate with trends in construction costs and inflation rates.

Roadway Impact Fees Mid-Year Fund Activity (FY 14–15)
