Director's Report

Construction Update

- Installed demising wall to protect from future issues.
- Prepped for zone 1 geothermal wells dig.
- Installed grade beams .
- Prepped for under floor work.
- Site work on storm and water lines.

Program Success

We partnered with Martha Cavazos-Fipps, the city's Environmental Education Coordinator, to teach McKinney youths how they can turn their old t-shirts into reusable grocery tote bags. Our other transitional programs were also a big hit, including the Polynesian Beach Party,

Program	Audience	Attendance
BlastOff to Summer	Family	240
Beach Party	Family	180
FOL Book Review	Adult	105
Ayurveda Seminar	Adult	56
Bag Workshop	Kids	38

New TEAM MEMBERS

You will notice these new faces on the McKinney Public Library team. Sallie, Kellie, and Bonnie report to Ed Veal and work at JJGL. Whiney is our new outreach librarian and she reports to Gary Landeck.

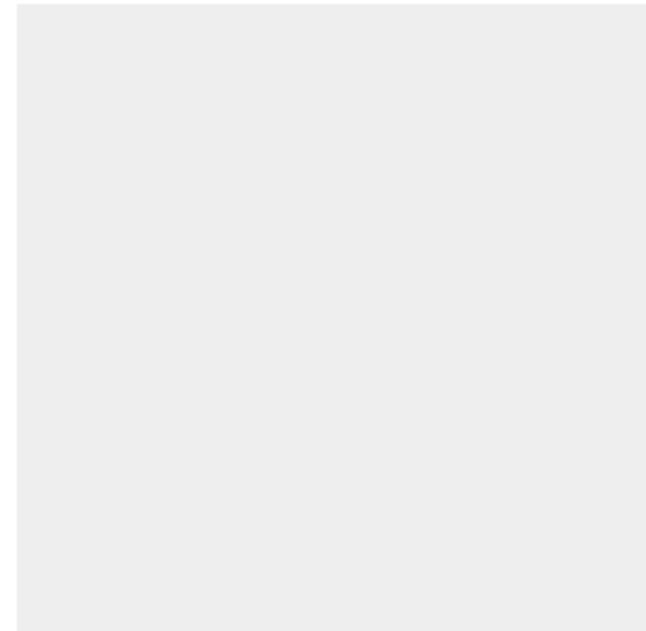

Sallie

"As a new employee coming in during a libraries busiest time, the staff welcoming and helpful answering all my questions."

Whitney

"There are a lot of exciting things happening at the McKinney Public Library!"

Kellie

"Working at the McKinney Public Library is exciting because you get to work directly with the public, helping people and contributing to the culture of the city."

Bonnie

"It has only been a week, but I am loving the energy, traffic level, and public contact here at John and Judy Gay. So glad to be here."

RESULTS

- May Program Attendance : **2,787**
- Total Library Visits: **37,975**
- Total Circulation: **147,134**
- Public Computer Use: **4,873**
