This is a letter to request approval for a Specific Use Permit.

We were required by the TABC to change our existing liquor license from a Restaurant Mixed Beverage to a private club which we are in process of obtaining.

We have been in business for 9 years in this location and have always been a popular Italian restaurant and bar with consideration for the laws and neighbors of the shopping center.

We are a 2200 sq foot area in a strip center at Heritage Square shopping center zoned for shopping and restaurant located at Redbud and Hwy 380 on the south west corner.

The TABC requires the approval on this consideration to be complete by July 10th 2013.
