Re: Alley Abandonment south of Hill Street Addition

To whom it may concern,

The portion of the alley being requested for abandonment is surrounded by Hill Street to the north, Byrne Street to the east, W. Lamar Street to the south, and Francis Street to the west. It lies directly to the south of the Hill Street Addition and encompasses 7,991 square feet or 0.183 acre of land.

The purpose of abandoning this portion of the alley is to add additional acreage to Lots 1 & 2, Block A of the Hill Street Addition that was platted back in 2011. The replat will be submitted once this portion of the alley is formally abandoned.
