We explained to audiences about these distinctive regions from Mexico

Mexico is a nation of many parts, each with a distinctive culture. The Ballet Folklórico Ollimpaxqui was outstanding we introduced McKinney students and teachers to traditions that span hundreds of years and thousands of miles through the many dances of Mexico.

JALISCO

Jalisco in Western Mexico, and the state that has done the most to give Americans their concept of Mexico; It is the home of "El Jarabe Tapatío", the famed Mexican hat Dance. Said to represent the courtship of doves, the woman dances around the man's hat if she steps on the brim, it means she accepts his offer of love. The woman's costume, with its elaborate ribbon dresses, is known as Rancheras. The man wears the rather severe Charro regalia of jacket, straight trousers, and wide brimmed hat.

MICHOACAN

The Dance of the Elders is a pre-Columbian dance from the state of Michoacán located in the western part of Mexico according to historians this dance is being performing in dedication to the acient Fire God call Huehueteotl also associated to the Sun; student will participate with the Little train dance (el trenecito.)

Folk óRico

OLLIMPAXQUI BALLET CO.

Some of the great songs are distinctive in Mexican History La Cucaracha from the Mexican revolution and Cielito lindo from the Spanish influences. Students sing-along these typical songs!

VERACRUZ

On the Gulf Coast of Mexico, is the state of Veracruz and the well-known city of the same name. Its dances are a blend of Spanish, Caribbean, and Indian influences. The famous La Bamba, for example, is a spirited representative of Veracruzano dance. The typical music of Veracruz, exemplified in the "Jaracho", uses small guitars known as jaranas and requintos, as well as violins and native harps. The local costumes are also of interest. Women wear highly decorated dresses with voluminous skirts while the man dresses in an elegant shirt and trouser of cotton or linen with characteristics straw hats. Your students will sing and dance along with the Company in the exciting final of this memorable performance.

Folk óRico

OLLIMPAXQUI BALLET CO.

For the program student were divided according to their age and grade students and adults had to learn coordination movements in Spanish. Each performance had approximate 200 to 300 students and adults, so a very interactive assistance was achieve. All school had a back to back performance in order to have all students the chance to attend the performance

Follow-Up: After the completion of the performances, students had the chance to participate in a question and answer session with the dancers. Students got a great opportunity to clear their questions and had a better understanding about Mexico Culture.
