Junior Players' McKinney Arts Commission Narrative Final Report 2016/2017

In 2016/17 Junior Players continued its program offerings in McKinney by providing 39 after-school sessions at Old Settler's and 10 sessions at McKinney Community Center. One Discover Art program was offered for 10 sessions at McKinney Community Center, one Discover Art program was offered for 20 sessions at Old Settler's Recreation Center and one Discover Dance program was offered for 19 sessions at Old Settler's Recreation Center. Attendance in all workshops was great and the objectives of each workshop were successfully met. In 2017, we also continued our Discover Theater program for 22 sessions at Dr. Jack Cockrill Middle School. Attendance was full and students were on the waiting list. The objectives of this middle school program were successfully met.

In the summer of 2017, Junior Players provided 4 Discover Theater camps in McKinney at McKinney Community Center, Old Settler's Recreation Center and the McKinney Performing Arts Center, 1 in June, 2 in July and 1 in August. These camps are designed to introduce children to basic skills in theater utilizing various theater games and oral communication exercises. The students also put together an original short play that was performed at the summer camps' culminating event called The Festival of Plays. Overall, the children had a very positive experience, and the teaching objectives were successfully met. Also in the summer of 2017, we held an Advanced Discover Shakespeare workshop at the McKinney Performing Arts Center in June/July.

In Participant Surveys, 82% said they felt more confident speaking in front of others, 74% want to learn more about the arts, 71% reported feeling better about themselves as a result of the program, and 83% want to do more theater.
