1. Mixed-Use land uses reflect those parcels for which zoning allows for residential and/or non-residential horizontal or vertically-integrated uses.  
 2. Agricultural/Undetermined land uses reflect those parcels with agricultural zoning for which no future use is currently defined.  
 3. Properties located in the ETJ are not included in the Land Use Summary and the Tax Base Summary because they fall outside of the city's land use and taxing jurisdiction.  
 4. Zoning, site plan and record plat cases approved after the certified tax roll of January 1, 2015 and change land use and/or vacancy status. These cases are not included in the Land Use Summary or the Tax Base Summary.  
 5. Institutional (non-taxable) properties are not included in the Tax Base Summary because these properties do not generate taxes. Estimated tax revenues do not include any property exemptions, delinquencies, etc. and; therefore, may not reflect actual collection amounts.
