**Details:** Bring the kids and the whole family to discover that going to the symphony can be fun. Music and storytelling comes to life with these two beloved pieces. The Carnival of Animals by Saint Saens will delight the soul, both young and old. The Narration has charm and humor whilst the music is wonderful. Oscar Wilde's book The Happy Prince will come to life in a form of a music and narrator. The Happy Prince by Oscar Wilde is the story of a statue, the Happy Prince, covered with gold and many fine jewels. It sits overlooking the city. One day, a swallow passing through seeks shelter under the statue and discovers the prince is not happy, but sad. The Happy Prince is adapted into a musical composition with orchestra and narration by Jan Bach. A concert for the family.
