FUNDING

Total amount requested: \$5924.89

Matching Funds Available (Y/N and amount): Yes, in the form of volunteer hours. All work will be performed by volunteers including materials sourcing and delivery, all assembly, all installation and ground preparatory work.

Will funding be requested from any other City of McKinney entity (e.g. TIRZ Grant, City of McKinney Community Support Grant)?

Yes

No

Please provide details and funding requested:

PROJECT

Start Date: April 2020

Completion Date: June 2020

BOARD OF DIRECTORS (*may be included as an attachment*)

Please see attachment

LEADERSHIP STAFF (may be included as an attachment)

Please see attachment

Using the outline below, provide a written narrative no longer than 7 pages in length:

I. Applying Organization

Describe the mission, strategic goals and objectives, scope of services, day to day operations and number of paid staff and volunteers.

Disclose and summarize any significant, planned organizational changes and describe their potential impact on the Project for which funds are requested.

II. Project

- Outline details of the Project for which funds are requested. Include information regarding scope, goals, objectives, end user.
- Describe how the proposed Project fulfills strategic goals and objectives for your organization and benefits the McKinney community.
- Please also include planned support activities, timeframe/schedule, and estimated use and admission fees if applicable.
- Include the location for Project.
- Provide a timeline for the Project – from design to completion.
- Will the project be competitively bid?
- Are there plans for growth/expansion in future years?

Please provide the information requested below:

- | | | |
|-----------------------------|---|--|
| • An expansion/improvement? | <input checked="" type="checkbox"/> Yes | <input type="checkbox"/> No |
| • A replacement/repair? | <input type="checkbox"/> Yes | <input checked="" type="checkbox"/> No |
| • A multi-phase project? | <input type="checkbox"/> Yes | <input checked="" type="checkbox"/> No |
| • A new project? | <input type="checkbox"/> Yes | <input checked="" type="checkbox"/> No |

Has a feasibility study or market analysis been completed for this proposed project? *If so, please attach a copy of the Executive Summary.*

Provide specific information to illustrate how this Project aligns with one or more of the goals and strategies adopted by McKinney City Council and McKinney Community Development:

- Eligible for MCDC consideration under Sections 501 to 505 of the Texas Local Government Code (refer to MCDC Grant Guidelines and/or page 1 of this application)
- Support cultural, sports, fitness, entertainment, community projects and events that attract resident and visitor participation and contribute to quality of life, business development and growth of McKinney sales tax revenue
- Highlight and promote McKinney as a unique destination for residents and visitors alike
- Meet citizen needs for quality of life improvements, business development and sustainable economic growth for residents in the City of McKinney
- Demonstrate informed financial planning – addressing long-term costs, budget consequences and sustainability of projects for which funding is requested

Indicate which goal(s) listed above will be supported by the proposed Project/Promotional/Event:

Has a request for funding, for this Project been submitted to MCDC in the past?

Yes No

Date(s):

III. Financial

- Provide an overview of the organization’s financial status including the impact of this grant request on organization mission, goals and business model.
- Please attach your organization’s budget for the current year and audited financial statements for the preceding two years. If audited financials are not available, please indicate why.

What is the total estimated cost for this Project?

\$5924.89

Please provide a detailed budget specific to the proposed Project.

What percentage of Project funding will be provided by the Applicant?

Are Matching Funds available? Yes No

Cash \$	Source	% of Total
In-Kind \$10,000	Source MPF	% of Total 100

Please provide details regarding other potential sources for funding. Include name of organization(s) solicited; date of solicitation; amount of solicitation and date that notice of any grant/award/loan is expected.

IV. Marketing and Outreach

Describe marketing plans and outreach strategies for your organization and for the Project for which you are requesting funding – and how they are designed to help you achieve current and future goals.

V. Metrics to Evaluate Success

Outline the metrics that will be used to evaluate success of the proposed Project. If funding is awarded, a final report will be required summarizing success in achieving objectives outlined for the event.

Acknowledgements

If funding is approved by the MCDC board of directors, Applicant will assure:

- The Project for which financial assistance is sought will be administered by or under the supervision of the applying organization.
- All funds awarded will be used exclusively for the purpose described in this application.
- Applicant owns the land, building or facility where the proposed project will be located. If the Applicant does not own the land, written acknowledgement/approval from the property owner must be included with the application. The letter must document the property owner is aware of the proposed use of the property or facility; and the property owner has reviewed the project plan and application, approves and supports the efforts of the Applicant.
- MCDC will be recognized in all marketing, advertising, outreach and public relations as a funder of the Project. Specifics to be agreed upon by applicant and MCDC and included in an executed performance agreement.
- Organization's officials who have signed the application are authorized by the organization to submit the application.
- Applicant will comply with the MCDC Grant Guidelines in executing the Project for which funds were awarded.
- A final report detailing the successful completion of the Project, as measured against identified metrics, will be provided to MCDC no later than 30 days following the completion of the Project.
- Grant funding is provided on a reimbursement basis subsequent to submission of a reimbursement request, with copies of invoices and paid receipts for qualified expenses. Up to 20% of the grant awarded may be withheld **until the final report on completion of the Project is provided to MCDC.**

- The required performance agreement will contain a provision certifying that the applicant does not and will not knowingly employ an undocumented worker in accordance with Chapter 2264 of the Texas Government Code, as amended. Further, should the applicant be convicted of a violation under 8 U.S.C. § 1324a(f), the applicant will be required to repay the amount of the public subsidy provided under the agreement plus interest, at an agreed to interest rate, not later than the 120th day after the date the MCDC notifies the applicant of the violation.

We certify that all figures, facts and representations made in this application, including attachments, are true and correct to the best of our knowledge.

**McKinney Community Development Corporation
Supporting Narrative for:
Community Landscaping Tool Storage Shed**

Executive Summary

During the Spring of and Summer of 2020 The McKinney Parks Foundation (MPF) will renovate and repurpose a shipping container donated by the McKinney Parks Department, which is now located on McKinney Parks Department property. The proposed project includes the interior and exterior restoration of the shipping container, procurement of tools and supplies, and necessary security and theft prevention devices.

The purpose of the shed/shipping container is to store tools for various volunteer community organizations that assist with the management, enhancement, restorations, and maintenance McKinney Park's properties. Such organizations include Dallas Off-Road Bicycles Association (DORBA), Eastside Garden Club, Blackland Prarie Master Naturalists, Collin County Master Gardeners, Young Men's Service League (YMSL), McKinney Garden Club, Finch Elementary Garden Club, Caldwell Elementary Garden Club, McKinney High School Environmental Club, Anchor Church, City of McKinney Adopt-a-Spot, and several local churches and schools, etc.

The Tool Storage will include rakes, shovels, wheel barrows, loppers, shears, and other hand tools commonly needed for park and grounds maintenance on approved McKinney Parks Department projects. The MPF will administer the distribution and collection of the tools to various groups and organizations. All tools will be marked with the MPF logo, and the "Donated by: MCDC" label and MCDC logo. The goal is for the renovation of the shipping container and acquisition of tools to take place during the Spring and Summer, so that the tools can be available for use by the Fall of 2020. The grant application will include all the costs associated with the interior/exterior renovation, and a baseline set of tools for community use. Additionally, tools donated from the community can now have a place to be safely stored. All labor for the project will be supplied on a volunteer basis by the McKinney Parks Foundation.

Organization Background

The McKinney Parks Foundation has been in existence since 2017 with three main functions:

- Organizing volunteers to help with projects in conjunction with the McKinney PROS Department;
- Encourage engagement by residents in park activities and programs;
- Provide a structure for organizing educational opportunities about the natural environment.

The MPF coordinates teams of volunteers to work on projects in the parks such as maintenance of hike and bike trails, building nature trails, upkeep of parks and open spaces, and adding amenities. The MPF partners with other local organizations (e.g. Master Naturalists, Crepe Myrtle Trail, DORBA) to provide education to school children and other McKinney residents and visitors that are interested in learning about nature and the ecology of North Texas. The MPF Board of Directors is comprised of McKinney residents who have served on the Parks Advisory Board, a Master Naturalist, a licensed professional engineer, and others who have a keen interest in community involvement and enhancing the quality of life in McKinney.

In 2019 the McKinney Parks Foundation put over 100+ hours into the Community Center Trail, McKinney Greens, and other City of McKinney park properties:

2019 Independent Sector Volunteer Rate = \$ 25.43

Year	Hrs	Value
2017	50	\$ 1,272
2018	110	\$ 2,797
2019	617	\$15,690

Total = 777 **\$19,759**

This does not include the amount of materials that the McKinney Parks Foundation has either funded or had donated to support various projects.

Project Location

Figure 1. Property location. On City of McKinney Property used by the Purchasing Department and Parks and Rec Department.

This location has ample access for tool pick-up and delivery. It allows for expansion of additional donated materials such as gravel, erosion control materials, and the eventual storage for a mobile trailer so that tools can be taken directly to large projects.

Since it is located on City of McKinney property is also subject to the insurance and protections that accompany City of McKinney property.

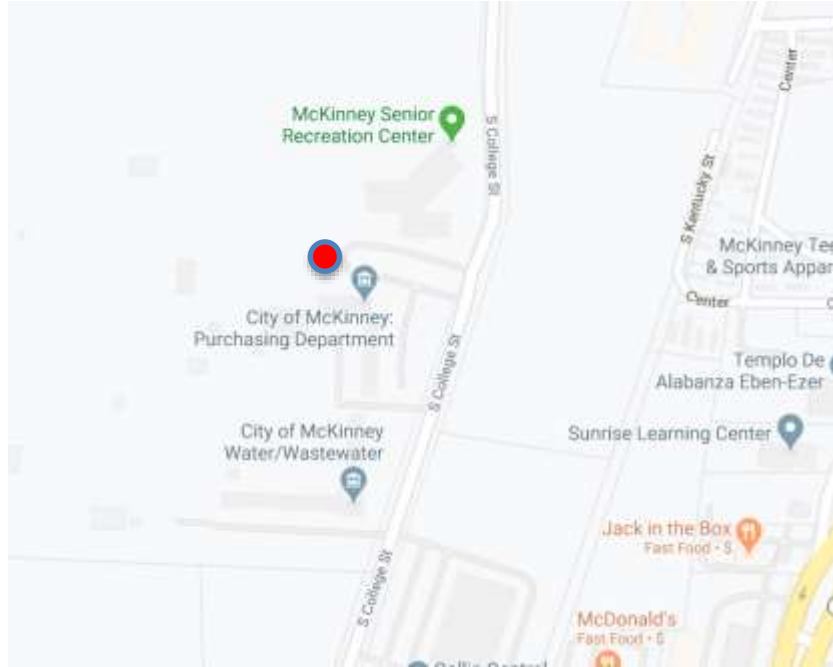

Figure 2. Property location. On City of McKinney Property used by the Purchasing Department and Parks and Rec Department.

Figure 3. Exterior of shipping container. Which will be cleaned, painted.

Figure 4. Shipping container.

Figure 5. Shipping container and gravel pad for final location.

2020 MCDC Grant Request =			\$ 5,924.89

Summary

The McKinney Parks Foundation has become an integral part of the volunteer support system that maintains numerous Parks Department properties within the City. The majority of the work is self-funded. As the needs for the parks increases with a growing population, the resources that MPF needs to help maintain the properties also increases. The MPF has also seen tremendous growth in partnerships with other volunteer organizations within the City including Dallas Off-Road Bicycles Association (DORBA), Eastside Garden Club, Blackland Prarie Master Naturalists, Collin County Master Gardeners, Young Men's Service League (YMSL), McKinney Garden Club, Finch Elementary Garden Club, Caldwell Elementary Garden Club, McKinney High School Environmental Club, Ancho Church, several local churches and schools, etc

There a large need for a centralized tool storage location for use when these other organizations are helping to improve the community greenspaces. The partnership between the McKinney Parks Department and the McKinney Parks Foundation and its other connected groups, enhances community involvement and quality of life for McKinney residents. This will be turned in to a tool storage shed for community use. The McKinney Parks Foundation is asking the MCDC to continue to support the MPF's efforts with a project grant fund of \$5924.89 to support the construction and installation of the Community Tool Shed scheduled to begin in Spring 2020.
