Our live ZOOM programs have been hit and miss, with some adult programs drawing more online than in person. We expect the numbers to grow, but to stay small. Staff has been directed to not worry about quantity, but to experiment and focus on quality and trying new things during this time. Some programs, such as the online Role Playing Games, are limited in size due to their complex nature, but we have received much positive feedback from those who are attending.

We will continue to monitor state guidelines for when we can resume in person programming.

## Construction Update

John and Judy Gay is scheduled to open to the public on Monday, June 22nd at 10 AM. The construction crews are working on the final punchlist items and the furniture vendor is working to rush some of the delayed furniture. Unfortunately, due to the location of the manufacturers, we will be opening without our final planned furniture layout, with pieces set to arrive into late July and, potentially, early August.
