FUNDING

Total amount requested: \$80,000

PROJECT/PROMOTION/COMMUNITY EVENT

Start Date: 10/1/15

Completion Date: 2/1/16

BOARD OF DIRECTORS (may be included as an attachment)

Crystal Bryant Jennifer Klassen Kyle Klassen Paige Parrish Disclose and summarize any significant, planned organizational changes and describe their potential impact on the Project/Promotion/Community Event for which funds are requested.

Gather's growth is limited based on current capacity restrictions. The installation of a sprinkler system and construction improvements will provide the ability to hold events with a headcount of up to 175 people. It should be noted that over the last 12 months; on average, Gather turned away 5 event inquires each month with headcount totals between 100-150 people. Assume ¼ of these inquires would have booked at Gather, at current pricing that is an annual loss revenue estimated to be \$176,970. Additionally, the increased size of each private event, the number of increased events, and additional seating for Sunday Brunch would double our current head, providing an additional 10 jobs in McKinney.

Additionally, the planned construction will provide Gather the opportunity accommodate Corporate Luncheons and week night dinners as the business community and economic development continues to increase.

II. Project or Promotion/Community Event (whichever is applicable)

 Outline details of the Project/Promotion/Community Event for which funds are requested. Include information regarding scope, goals, objectives, target audience.

We are planning for three components for the overall project.

First is the installation of the sprinkler system. **Attached is a proposal** we have received from DFS which details the scope of work estimated to be \$69,000.

Second is the interior construction engineered to more effectively utilize the sf dedicated to the kitchen, office, and storage areas while also opening up the event floor space. **Attached is a proposal** we have received from Grimes Development for the scope of work estimated to be \$23,760.

Third is the additional furniture and fixtures needed to support the additional headcount. We have determined the following items would need to be purchased, utilizing the remaining funds in the Project Grant. Our research has indicated the following items would be purchased estimated at \$20,000.

(15) 60" Rounds

200 Chairs

Kitchen Equipment (commercial refrigerators, food warmers, prep station, small wares)

- For Promotional Grants/Community Events describe how this initiative will <u>promote the City of McKinney for the purpose of business development and/or tourism</u>.
- Describe how the proposed Project/Promotion/Community Event fulfills strategic goals and objectives for your organization.

As you probably know, Gather in Downtown McKinney has been awarded Best Wedding Venue by McKinney Magazine in BOTH 2013 and 2014. We are also proud recipients of the of the MCVB 2014 Tourism Partner of the Year award. Our goal is to continue our high standard of service offerings, combined with the ability to hold larger events and ultimately continue to receive these types of awards going forward. We will not be able to compete with larger venues without this Project Grant. The recognition and community support that accompanies this award is invaluable.

Page	5
------	---

- Contribute to economic development and/or tourism within McKinney
 Gather in Downtown McKinney has exposed many non-locals to everything the City of McKinney has to offer. We have tracked multiple events from the surrounding counties as well as our furthest know point, New Zealand. We have partnered with local hotels to ensure overnight accommodations and encouraged all guests to explore the city as much as possible. This is evident with the recognition brought by the MCVB 2014 Tourism Partner of the Year award.
- Educate the community about the impact "buying local" has on quality of life in McKinney

Has a request for funding, for this Project/Promotion/Community Event, been submitted to MCDC in the past?

☐ Yes	No

III. Financial

• Provide an overview of the organization's financial status including the impact of this grant request. Revenue Stream is very important to any business owner, with Operating Expenses equally needing a focus to achieve a profitable result.

At Gather, we manage all OPEX on a weekly basis and can account for every penny dedicated to our main buckets a)Rent & Building expenses, b)Food Costs, c)Employee Expenses.

As for Revenue Stream, our Year over Year growth supports there is a market for what we offer, and the McKinney community continues to provide us with our share of the Market... for now.

- 2012 \$192,542 Gross Sales
- 2013 \$403,240 Gross Sales
- 2014 \$458,057 Gross Sales *Operating expense increase due to investments back in the business; reflected on attached financials
- 2015 Projected \$430,000 Gross Sales *Q1 actuals reflected on attached financials

Our Market survey indicates an increase in Private Event Venues in the McKinney area has increased from 10 in 2012 to 17 in 2015. With growth and success outside influences start to take greater effect. Our current capacity restrictions of 100 people, combined with the growing number of venues capable of seating over 100 will undoubtedly force a flat-line on our revenue stream if we continue to turn away events with a headcount of 101 – 175. Our request for this Project Grant is to fund the installation of a sprinkler system and allow us to reconstruct the current kitchen configuration allowing more seating at all events and Sunday Brunch.

 Please attach your budget for the current year and audited financial statements for the preceding two years. If financials are not available, please indicate why. Attached are both.

What is the estimated total cost for this Project/Promotion/Community Event?

\$ 110,000

(Include a budget for the proposed Project/Promotion/Community Event.)

What percentage of Project/Promotion/Community Event funding will be provided by the Applicant?

Page 7			

- A final report detailing the success of the Project/Promotion/Community Event, as measured
 against identified metrics, will be provided to MCDC no later than 30 days following the completion
 of the Project/Promotion/Community Event.
- Up to 80% of the approved grant may be provided, on a reimbursement basis, prior to conclusion
 of the Project/Promotion/Community Event with submission of invoices/receipts to MCDC. The final
 20% may be paid following MCDC's receipt of unpaid invoices/receipts; documentation of fulfillment
 of obligations to MCDC; and final report on the Project/Promotion/Community Event.
- The required performance agreement will contain a provision certifying that the applicant does not
 and will not knowingly employ an undocumented worker in accordance with Chapter 2264 of the
 Texas Government Code, as amended. Further, should the applicant be convicted of a violation
 under 8 U.S.C. § 1324a(f), the applicant will be required to repay the amount of the public subsidy
 provided under the agreement plus interest, at an agreed to interest rate, not later than the 120th
 day after the date the MCDC notifies the applicant of the violation.

We certify that all figures, facts and representations made in this application, including attachments, are true and correct to the best of our knowledge.

Gather is one of the most beautiful venues I have ever seen. Its whimsical and romantic feel made us want to get married there! Due to our guest size, we didn't consider but Gather but immediately decided to hold our rehearsal dinner there. The staff is polite and coordinator very friendly. The place is BYOB, which is another plus. Overall, a beautiful venue!

Joy
June 2014 Rehearsal Dinner

I love this place. Crystal and the staff made sure that there was no stress. I was in contact with them every step of the

I love this place. Crystal and the staff made sure that there was no stress. I was in contact with them every step of the way. The food was so amazing people are still talking about it. The staff was friendly and interacted with the guest. I plan on going back every anniversary for Sunday brunch.

Amanda May 2015 Wedding

There are just not words to express how grateful I am to have found Crystal and her staff at Gather for our wedding day!

Crystal went above and beyond to make our wedding day absolutely perfect – the venue is absolutely STUNNING, and I received so many compliments from our guests on just how wonderful / beautiful everything was. The food was phenomenal, guests loved all of the décor, and Crystal was an amazing partner to work with during the entire wedding planning process.

I cannot say enough wonderful things about Gather – I could not have picked a more perfect venue to host our wedding reception at. You will not be disappointed – I would highly recommend Gather (along with Crystal and her staff) to ANYONE!

Sincerely, Melissa and Adam Wedding June 2013
