Subject: Storage unit on McKinney Ranch and Hardin

Hello,

I understand a specific use permit has been applied for to put a storage unit on McKinney ranch near Hardin. I would respectfully request you not allow this to happen. Storage units should not be so close to residential neighborhoods, but more importantly shouldn't be that close to an elementary school. Thank you for your time and consideration.

Subject: Specific Use Permit for Mini-Warehouse / Storage Facility

I am sending this email to express my opposition to the Mini-Warehouse proposed for Hardin & McKinney Ranch. If approved this will make 3 on McKinney Ranch. In addition, this is located directly South East of an elementary school. This is not the best use of the land and is not appropriate to be located across from an elementary school.

Thank you for taking my opposition into consideration.
