Comments	Regardless of proposed landscaping...I feel this type of business will cause a traffic headache and create an eyesore for the neighborhood area.

Comments I am opposed to this project. I am concerned with the noise and potential environmental impacts this business could have. I believe this business could result in a negative impact to property values within the neighborhood.

Comments	I agree with the staff recommendation for opposing use of this land for an oil change center. Incompatible area and not a good use for that land. Please please deny this, as someone in the neighborhood behind it, I would be very upset if that goes in. Thank you
