Comments

The Nutcracker Suite is a perfect production to introduce young families to the art of ballet through shorter performance presentation(s), with affordable ticket prices and the opportunity to meet the performers and Artistic Staff. The Releve program has proven to be an excellent opportunity to educate the under served youth of our community to the art of dance. Our goal with the Releve program is to instill an appreciation of the arts which will continue with the student into their adult lives. Chamberlain Performing Arts is grateful to the City of McKinney for its financial support of our 2013-2014 season. We look forward to partnering with the City of McKinney to bring quality dance productions to its community during our 30th Anniversary Season.

Chamberlain Performing Arts

2013-2014 Final Report

City of McKinney Arts Commission

Chamberlain Performing Arts is grateful for the generous grant the City of McKinney awarded in support of our 2013-2014 season. Below is a recap summary of how Chamberlain Performing Arts allocated funds awarded through the McKinney Arts Commission as outlined in our grant proposal. Please note: Our fiscal year is October 1 through September 30, the Releve instruction expense line has been projected out through the end of this fiscal year, revenue and expenses are also projected through September 30, 2014.

Mission Statement:

Chamberlain Performing Arts is committed to presenting excellent ballet to enrich the North Texas community, enlighten with arts education, and encourage through outreach programs.

The Nutcracker Suite:

Chamberlain Performing Arts (CPA) presented the family-friendly Nutcracker Suite at McKinney Performing Arts Center, on November 15, 2013. This 45 minute story narrated by CPA's Associate Artistic Director, Carter Alexander, brought characters from the classical ballet to life. The lively performance featured CPA's Company dancers in a variety of roles, and was a wonderful introduction to the ballet and the Nutcracker story for young and old alike. 150 tickets were sold, 140 in actual attendance.

Funds were used to help offset the cost of production related expenses: Theater Rental, Rehearsal Space Rental, Rehearsal Mistress, Costume Mistress, Tech Crew, Costumes.

\$859.00 Ticket Sales (Revenue)

\$10,372.33 Actual (Expenses)

\$ 4,160.00 City of McKinney Funds applied to production expenses

\$ 5,353.33 Expenses paid by others than The City of McKinney

Releve Program- Boys and Girls Club, McKinney, TX

Instruction and performance opportunities:

Chamberlain's Relevé program provides access to high-quality dance instruction to young people who have no other comparable opportunities. To our knowledge, Relevé is the only

free after-school and summer dance program in Collin County. Through a partnership with the Boys and Girls Club of Collin County, Chamberlain's Relevé after-school dance program provides opportunities for participants to engage in focused, goal-oriented activities that positively affect their self-esteem, lower high school drop-out rates, increase the likelihood of higher education, and counter negative influences.

The research on arts education shows that culminating experiences are critical to the learning process. The Releve program allows students the opportunity to present their work at the annual Community Showcase. The confidence and sense of pride these students and their families gain from this is truly remarkable. Chamberlain Performing Arts June 1, *2014 Annual Community Connections Showcase* drew an audience of 205 to support our 59 young performers. Please note: 18 of the 59 young performers are from the McKinney Releve program. The 2013-2014 Most Focused Award went to Kirsten Ewing, from McKinney. During the year end awards presentation 2 additional McKinney Releve students have been awarded scholarships to continue dance classes at Chamberlain School of Ballet in Plano for the 2014-2105 season.

Releve Scholarship Program:

With exceptional support from The Andrea-Mennen Family Foundation, four students who began in McKinney's Releve program have been on full scholarship and enrolled at Chamberlain School of Ballet in Plano. These students attend weekly ballet class(es) August-May and perform in the annual Spring Recital. The yearend recital is performed in the Hill Performance Hall, at the Eisemann Center in Richardson, TX. Currently the Releve program has nineteen students who have received scholarship awards for additional training. On May 10, 2014, ten of our 2013-2014 Scholarship students performed to a crowd of over 1,000 and received thunderous applause of appreciation from their audience.

An additional opportunity provided to our scholarship students is to perform in Chamberlain Performing Arts holiday production of *The Nutcracker*. We are particularly proud to report that this year's performance of *The Nutcracker* had six students participate who began their study of ballet through Relevé and went on to take classes at Chamberlain. Three of the six students are McKinney residents.

THE CITY OF MCKINNEY PRESENTS
THE NUTCRACKER
SUITE

A Holiday Classic

The Nutcracker remains a heart-felt holiday tradition. Despite an age when children are dazzled by computer games, this holiday classic is still enjoyed around the world. Its delightful story line and charming, imaginative music by Pyotr Ilyich Tchaikovsky, presented with colorful costumes and creative choreography, makes *The Nutcracker* the most popular ballet of all times.

Frenchman, Marius Petipa, chief ballet master at the Tsar's Imperial Theatre in St. Petersburg, created the ballet in 1892. With a story adapted from a tale by E.T.A. Hoffman, Lev Ivanov, Petipa's assistant, produced the actual choreography. Today, only the Grand Pas de Deux for the Sugar Plum Fairy and her Cavalier remain intact, allowing individual companies to create their own choreography.

Soo excited for Kiersten!

Thank you guys so much for blessing my Princess with this opportunity and the B/G Club of McKinney!

Proud mommy,

Deneita

Thank you Megan,

I enjoyed seeing the smiles on the children faces and all the excitement. Thank you for your dedication and love for our children. I look forward to seeing all the great things to follow.

Thank You!
