Topic of Discussion: Both options C+D are a waste of taxpayer dollars. We need a REAL East-West route by extending Wilmette Rd East + South portion of NTPAWD new water treatment in New Hope to Princeton for new development in Princeton. D should be chosen as lesser of 2 evils to preserve BTJ homeowners + small farms + ranches. C is catastrophic. D follows the floodplains.

Since this was the first time C+D were discussed, it is wrong to not let the public speak on Alternatives. Simple or Gold should be supported.
