Re: Special Use Permit
NWC of U.S. 75 and Rock Hill Rd.
Letter of Intent

Dear Ms. Wright,

Please let this letter serve as the Letter of Intent for the special use permit request associated with the proposed dealership located at the NWC of U.S. 75 and Rock Hill Road. The Zoning Change and SUP is associated with a proposed 26,967 sf automobile dealership facility on an approximate 6.93-acre tract. We understand that the property is currently zoned RES-1 & CC- Corridor Commercial Overlay and would like to request C3 zoning & CC- Corridor Commercial Overlay with a SUP to allow the proposed automotive sales use. The dealership will be built in single phase.

A variance is requested as part of this SUP application for overhead service doors facing public right-of-way or residentially zoning property. The proposed site plan has overhead service doors facing Central Expressway and overhead car wash bay doors facing Rockhill Road.

Should you have any questions, please feel free to contact me.

Sincerely,

Claymoore Engineering, Inc.
1903 Central Drive Ste. 406
