**17-0021Z** Mayor Fuller called for a Public Hearing to Consider/Discuss/Act on a Request to Rezone the Subject Property from "PD" - Planned Development District and "REC" - Regional Employment Center Overlay District to "C1" - Neighborhood Commercial District, Located Approximately 595 Feet West of Village Park Drive and on the North Side of Collin McKinney Parkway, and Accompanying Ordinance. Planning Manager Samantha Pickett stated the applicant is requesting to rezone the property from PD residential to C1. Surrounding properties along Collin McKinney Parkway are zoned C1. Staff recommends approval. Ms. Pickett stated that the applicant spoke to the neighbors before the Planning and Zoning Commission meeting and a back fence along the property was requested. This is required by Ordinance as well. Applicant, Mr. Srinivas Chaluvadi, Stacy Office Park, LLC, 13359 Grayhawk Boulevard, Frisco, stated he has owned the property for one year and did not realize this parcel was zoned residential when he purchased it. Plans are to construct an office building at this location. Mayor Fuller called for public comments and there were none. Council unanimously approved the motion by Council member Shemwell, seconded by Council member Elliott, to close the public hearing and approve an Ordinance rezoning the subject property from "PD" - Planned Development District and "REC" - Regional Employment Center Overlay District to "C1" - Neighborhood Commercial District, located approximately 595 feet west of Village Park Drive and on the north side

of Collin McKinney Parkway. Caption reads as follows:

- 18-255** Mayor Fuller called for Consideration/Discussion/Action on an Ordinance Amending the Code of Ordinances of the City of McKinney, Texas for Alarm Permitting and Processes for Residential and Commercial Alarms. Assistant Police Chief Randy Roland stated the police department has taken over the alarm permitting from a third-party vendor. The changes to the Code of Ordinances will help us provide better customer service to our residents. This is an amendment updating the alarm Ordinance to reflect that alarm permits are now completed in-house. This ordinance will help decrease the number of false alarms through better communication and education. Council unanimously approved the motion by Council member Branch, seconded by Mayor Pro Tem Rogers, to approve an Ordinance amending the Code of Ordinances of the City of McKinney, Texas for alarm permitting and processes for residential and commercial alarms. Caption reads as follows:

ORDINANCE NO. 2018-03-024

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MCKINNEY, TEXAS, AMENDING THE CODE OF ORDINANCES OF THE CITY OF MCKINNEY, TEXAS, THROUGH THE AMENDMENT OF CHAPTER 10, ENTITLED "ALARMS," BY AMENDING ARTICLE II, "EMERGENCY REPORTING EQUIPMENT AND PROCEDURES," BY AMENDING PORTIONS OF SECTIONS 10-20, 10-21, 10-23 THROUGH 10-25, 10-27, 10-29, 10-31, 10-33 THROUGH 10-35, AND 10-40 THROUGH 10-43 AS PROVIDED HEREIN BELOW; REPEALING ALL CONFLICTING ORDINANCES; RESERVING ALL EXISTING RIGHTS AND REMEDIES; PROVIDING FOR IMMUNITY; PROVIDING FOR INJUNCTIONS; PROVIDING A PENALTY; PROVIDING FOR THE PUBLICATION OF THE CAPTION OF THIS ORDINANCE; AND PROVIDING FOR AN EFFECTIVE DATE

- 18-256** Mayor Fuller called for Consideration/Discussion/Action on a Resolution Authorizing the Execution of Documents for the Acquisition of Property Rights and the Consideration of the Use of Eminent Domain to Condemn Property for the Construction of a Roadway and Utility Lines in the Vicinity of SH 5 (McDonald Street) from about CR 278 Continuing Southward to Approximately Willow Wood Boulevard in Association with the Willow Wood Off-Site Un-Named Arterial and Sanitary Sewer Main

Projects. Director of Engineering Gary Graham stated this item is to authorize the City Manager to use eminent domain to obtain property for right-of-way, utility easements, drainage easements, grading easements and sanitary sewer easements in the northern portion of the City. The developer is at a point where he needs to begin working on construction of a roadway and needs the easements to do so. The developer has tried to acquire the right-of-ways but is unable to obtain the necessary property. The City has a development agreement that we will assist with eminent domain, if necessary. They will reimburse the City for any costs associated with eminent domain. There is one new property owner since this process began and two property owners who are non-responsive. To keep the project on track, we are requesting eminent domain, if needed. The non-responsive property owner is not communicating with staff at all. Executive Director of Development Services Michael Quint stated the City exercises eminent domain on master planned utilities or when it will add capacity to the City's overall system whether it be water, wastewater or roadways. Council approved the motion by Mayor Pro Tem Rogers, seconded by Council member Elliott, to approve this item as written and authorize the use of the power of eminent domain to acquire for public use all necessary easements for the construction of utility lines from the property owners generally indicated on the attached property locator map and Right-of-Way together with easements from the property owners generally indicated on both the attached property locator map and depicted on and described by metes and bounds attached to said Resolution, said depictions and descriptions being incorporated in their entirety into this motion for all purposes including construction, access and maintenance of the Willow Wood Off-Site Un-Named Arterial and Sanitary Sewer Main, with the following record vote:

Mayor Fuller called for Council and Manager Comments.

Council member Elliott stated that McKinney Economic Development Corporation met this morning. President of the McKinney Chamber of Commerce Lisa Hermes announced at the MEDC meeting that it is almost time for applications for the 2019 Leadership McKinney class. Applications will be available on the McKinney Chamber website starting April 2<sup>nd</sup>. Ms. Hermes announced that there is an Open House at the Chamber on April 26<sup>th</sup> from 5:00 to 6:30 p.m. for folks wanting to know more about Leadership McKinney. Mr. Elliott stated that he had lunch at Hugs Café today and in addition to what they are doing at Hugs, they are beginning a new project called Hugs Greenhouse. They will design the house to employ adults in wheelchairs and those who cannot work in the food service. This will employ another 15 to 20 adults with special needs from the community. Land has been donated to Hugs on County Road 205 and Bill Crump, formerly of Crump's Nursery, has volunteered to run the operation.

Mayor Pro Tem Rogers did not have any comments.

Council member Shemwell stated that tomorrow will be on-site registration for low-income individuals to register for ridership in the pilot program. We rolled out transportation for elderly and disabled last year. On-site registration will be held tomorrow here in the Council Chambers from 10:00 a.m. to 12:00 noon and from 2:00 to 4:00 p.m. for low-income riders.

Council member Branch complimented Director of Organizational Development and Performance Management Joe Mazzola on the leadership development he is conducting throughout the City. He has been a great help to a lot of people, myself included, and I want to thank him for his input. He's been a great influence.

Mayor Fuller did not have any comments.

City Manager Paul Grimes stated that there has been discussion and social media activity relating to the potable water system here in McKinney that is part of the North Texas Municipal Water District. I would like to share that citizens can access the City's Water Quality Report on our website and read more information about the City's water sources as well as access to the North Texas Municipal Water District's website. You can get that information on our website that describes and explains the process of using chlorine in the public water system. The use of chlorine has been in practice since the turn of the 20<sup>th</sup> century. They actually have methods to reduce chlorine by using ozonification which is a very complex system which reduces the need for much of the chlorination of the water system. But you still have to have chlorine because you have viruses and bacteria that can occur in water systems if you don't have chlorination. We appreciate folks raising these questions and we understand residents' concerns. There is a great amount of information on our website as well as the North Texas Municipal Water District's website. Residents are invited to help us keep the City beautiful by picking up litter along roadways and creek beds during the Texas Trash-Off, Saturday, April 7<sup>th</sup>. Go to [mckinneytexas.org](http://mckinneytexas.org) for more information about the event.

Council unanimously approved the motion by Council member Branch, seconded by Mayor Pro Tem Rogers, to adjourn. Mayor Fuller adjourned the meeting at 6:45 p.m.
