Subject: Request postponement of file # 17-250Z due to failure to post signs

To the City of McKinney Planning and Zoning Commission,

We are the owners of property located at 6919 County Rd. 123, tax parcel identification number 1917073. We received notice that the city of McKinney intends to annex our property. We understand that the planning and zoning commission is holding a public hearing on October 24, 2017 to discuss agenda item 17-250Z, City Initiated Zoning for Potential Annexation of various properties, one of which is our property.

According to the McKinney city Code of Ordinances Sec. 146-164 zoning change signs must be posted on the affected property no later than seven days before the commission meeting discussing the zoning change. As of today, October 23, 2017, no zoning sign has been posted on my property.

Therefore, as required by Sec. 146-164.2.c.2.c we request that the zoning consideration for agenda item 17-250Z be postponed by the commission because of failure to post signs at least seven days prior to the planning and zoning commission public hearing.

Thank you,

Tamlynn and Harold Clyde
