Re: Wilmeth Road Alignment, Case #12-157M

As owners of the property on the East side of Custer Road, through which a former proposal for this road alignment dissected and directly damaged, we have a very strong opinion that the Alignment with First Street in Prosper is the correct and best alignment for Wilmeth Road.

We strongly support the Wilmeth Road and First Street alignment.

Regards,

  
Darrell J. Mueller,  
Manager

Alex,

Please know LandPlan Development Corporation and it's Prosper 1300 Acre partners wish to Register our Support for the Wilmeth / 1st street alignment. Attached is an exhibit showing LandPlan's ownership along First Street (South side and North side tracts) all East of Custer Road.

Thank you

Cleburne

Mr. Quint and Mr. Glushko,

Attached is a copy of the Town of Prosper Thoroughfare Plan in response to Public Hearing Notice Case #12-157M received from the City of McKinney related to the proposed alignment of Wilmeth Road with FM 2478. As you will be able to see from the Town of Prosper Thoroughfare Plan, First Street intersects with FM 2478 at the proposed location of Wilmeth Road in McKinney. Therefore, Town staff is in support of the City of McKinney proposed Master Thoroughfare Plan amendment.

If you have any questions or need any additional information, please feel free to contact me.

Thanks,

Dale-

If you or someone else would like to record their opposition to or support of the proposed Master Thoroughfare Plan amendment (realignment of the Wilmeth Road and its intersection with Custer Road), you can email myself or the case's planner, Alex Glushko ([aglushko@mckinneytexas.org](mailto:aglushko@mckinneytexas.org)), and we will make sure that those emails are included in the Planning and Zoning Commission's and City Council's packet for consideration. Should you have any other questions, please don't hesitate to let me know. Thank you, sir.

**Michael Quint**
