Dear McKinney Arts Commissioners,

We would first like to thank the McKinney Arts Commission for their continued support of Chamberlain Performing Arts. As our 31st season comes to a close we remain grateful to have such excellent support to fulfill our mission within the McKinney community and beyond. Per your request, below you will find a detailed project report for the program that was funded through the McKinney Arts Commission.

Releve After-School Dance Program:

In partnership with the Boys and Girls Clubs of Collin County, the Relevé After-School dance program provides free, weekly dance classes during the school year as well as a week-long workshop in the summer to students ages 6-9 at the McKinney Boys and Girls Club. This season we reached 44 students with these free dance classes. Approximately 86% of the students we serve are of minority ethnic groups (African-American, Hispanic, and Other) and are considered of low income families. We believe that everyone should have access to professional quality dance and dance instruction; therefore, it is our mission to serve our community members who otherwise would not have these opportunities.

It is proven that children who engage in the arts at an early age show increased confidence, critical thinking, and the ability to challenge themselves. The Relevé program promotes self-discipline, focus, hard work, and increased self-esteem through the skills they learn within the weekly dance classes. Through the Releve program the students are exposed to a variety of dance forms including: creative movement, ballet, and jazz/hip hop. The students hone their performance skills at the annual holiday performance for their friends and family at the McKinney Boys and Girls Club and the program concludes with an end-of year performance that exposes them to a real-world theater experience.

We are committed to providing excellent performances and outreach programs to the citizens in the City of McKinney and maintaining our mission of presenting excellent ballet to enrich the North Texas Community, enlighten with arts education, and encourage through outreach programs.

Dance as Community Service

We are Chamberlain Performing Arts, a not-for-profit 501 (c)(3) organization seeking to share the art of dance with all members of our North Texas community. Why? Because community matters.

Community Connections Performances

Chamberlain Performing Arts is committed to presenting excellent ballet productions to enrich the North Texas community, enlighten with arts education, and encourage through outreach programs. For 31 years, we have been bringing classical ballets and mixed repertoire shows to the local stage. Our productions are critically-acclaimed and a staple of the North Texas arts scene. As our gift back to the community, we offer a full-scale, complimentary performance of each production to the underserved members of our community. Our annual production of *The Nutcracker* and *Focal Pointe* are hugely popular, and since 1991 over 35,664 people have enjoyed a free performance featuring guest stars from New York City Ballet, Ballet West and other professional companies.

Relevé After-School Dance Program

The Relevé After-School Dance Program has been providing free dance classes to underserved and at risk youth since 1996. The program first began at the Plano Boys and Girls Club (formerly the Douglass Community Center) and then expanded to both the Frisco Bob and Joy Darling Branch and McKinney Boys and Girls Clubs. Due to the growing popularity of the program, we expanded again in the fall of 2015 to extend dance classes to the Salvation Army in Plano. To date we have served 1,575 local children with these free dance classes. Several of the most dedicated students have received scholarships to further their dance training at Chamberlain School of Ballet.

Shining Stars Dance Program

In 2005, Chamberlain started the Shining Stars program for school aged students with special needs. This unique dance program is designed specifically for children with special needs between the ages of 6 and 21. These students attend specialized classes in movement and artistic expression. Thanks to a number of dance student volunteers, the Shining Stars program is highly-supervised and gives participants the chance to work with peers, develop flexibility and coordination, and have fun! With two classes offered each week in Plano, the Shining Stars program has proven to be a real boon to the community and enrollment has quadrupled over the past few years alone.

Community Showcase

Chamberlain Performing Arts is committed to building Classical Foundations for Life® in our community. This is why for the past 31 years we have been reaching out to our community through the Relevé and Shining Stars programs. Chamberlain Performing Arts provides these programs with performance opportunities such as our annual Community Showcase to enrich and educate students in the art form of dance.
