The Collin County Cost Matrix for Cities can be found here: https://www.collincountytx.gov/public_works/road_bridge/Pages/cost_matrix.aspx and is subject to change. Any deviation from this cost matrix must be approved by Commissioners Court.

1.06 COUNTY ROADWAY FEATURES AND ADJACENT AREAS

A. Right of Way

1. Right of way shall be donated by transfer of title, easement, or purchased through negotiations and/or eminent domain proceedings.  3. The required right of way width for subdivision roadways shall be as shown in the Collin County Subdivision Regulations.

 5. An easement will establish the right of the County to enter onto a property in order to perform necessary work but shall not establish the responsibility to do so.

 - b. Stockpile, burn, or chip debris or dirt
 - c. Any other access as approved by the Director of Public Works
 2. TAA's that are required in order to place permanent improvements on private property require Commissioners Court approval.
 3. The County shall, at its expense, restore private property to substantially the same appearance as previously existed following the expiration of the TAA.
 4. A TAA may be used in lieu of a permanent easement to perform minimally intrusive work as part of a right of way issue.
- C. Reimbursement by Property Owners

1. Upon Commissioners Court approval of roadway maintenance or improvements requiring reimbursement from the adjacent property owner, the required amount of money shall be placed in a non-interest bearing escrow account at a bank located within Collin County.
2. Reimbursement amount may include the cost involved for surveying, preparation of Deed or Easement, re-location of fences, facilities (if in a dedicated easement), culverts or other existing improvements. When property owners are required to incur total cost for the upgrade of a roadway, the above cost shall not be borne by Collin County.

D. Fencing/Gates
