

TITLE: Consider/Discuss/Act on Amending Ordinance 2005-03-023 Section 2-194 Terms of Office, Section 2-197 Meetings and Section 2-198 Duties and Responsibilities Relating to the McKinney Arts Commission

MEETING DATE: April 2, 2013

DEPARTMENT: CMO

CONTACT: Jason Gray, City Manager
Janay Tieken, Grants Administrator

RECOMMENDED CITY COUNCIL ACTION:

- Approve as recommended

ITEM SUMMARY:

- With the passage of the Public Art Program, the McKinney Arts Commission's scope of work has expanded to include oversight of the public art process.
- With the passage of the Public Art Master Plan, the McKinney Arts Commission is now responsible for fundraising toward the procurement and maintenance of public art.
- Staff recommends removing the requirement that the McKinney Community Development Corporation appoint a non-voting liaison to the Commission. The MCDC has never fulfilled this requirement, nor does either entity see the value in doing so.
- The current Ordinance states, "No Commissioner of the Arts Commission shall serve more than three consecutive two-year terms," which is in conflict with Council's policy that Board and Commission appointees not serve more than two consecutive two year terms. As a result, the language has been modified.

BACKGROUND INFORMATION:

- The McKinney Arts Commission voted to recommend the changes to the Ordinance so that it can accurately reflect the duties of Commission.

FINANCIAL SUMMARY:

- N/A

BOARD OR COMMISSION RECOMMENDATION:

- McKinney Arts Commission Recommends approval
