Gibson, Sr., Armon D. and Mary Ann Gibson, and Wesley J. and Evelyn E. Valek, a Petition to Annex Fewer than 127 Acres, Located on the North and South Sides of Wilmeth Road and on the East and West Sides of County Road 161 (Future Ridge Road) Together with the Adjacent and/or Abutting Segments of Wilmeth Road and Ridge Road as Required by State Law. Director of Planning Michael Quint stated that the property owners are requesting to annex 127 acres into the City of McKinney. When considering annexing a property, the City considers a number of factors which include current population of the land to be

annexed, the ability for the city to provide city services and utilities and the fiscal impact to the City. He stated that staff has evaluated these factors and have no concerns. State law requires three public hearings to take place prior to annexing property. The first public hearing was held on November 4<sup>th</sup> at 5:30 p.m., this is the second public hearing, and the third and final public hearing will be held on December 3, 2013 along with the development agreement as well as the rezoning request. Mr. Quint stated that the rezoning signs are being posted tonight as are required to be posted on the Tuesday before the Planning and Zoning meeting that will be held on November 12, 2013. Mayor Loughmiller called for public comment and there was none. Council unanimously approved the motion by Council member Pogue, seconded by Council member Day, to close the public hearing.

**13-187Z2** Mayor Loughmiller called for a Public Hearing to Consider/Discuss/Act on the Request by Baird, Hampton & Brown, Inc., on Behalf of TCG Custer/380 Investors, L.L.C., for Approval of a Request to Rezone Fewer than 2 Acres from "PD" - Planned Development District and "CC" - Corridor Commercial Overlay District to "BG" - General Business District and "CC" - Corridor Commercial Overlay District, Generally to Modify the Development Standards, Located on the Southeast Corner of Custer Road and U.S. Highway 380 (University Drive), and Accompanying Ordinance. Director of Planning Michael Quint stated that the applicant is requesting to rezone 1.24 acres generally to allow for a standalone emergency room facility. The existing "PD" – Planned Development on the property has a provision that whenever a sight plan is done for a portion of the property, the entire 60 acre property needs to be laid out. The subject property is owned by someone different than the owner of the remainder of the 60 acres. Mr. Quint stated that staff has no concerns allowing the straight zoning and is recommending approval of the proposed rezoning request. Applicant, Mr. Gene Tapps, 4550 SH

360, Suite 180, Grapevine, stated that he is in support of the rezoning and is available for questions. Director of Planning Michael Quint stated that the applicant is requesting to rezone the subject property generally to allow for a wedding chapel. The "REC" - Regional Employment Center requires a street scape which means that buildings are pulled to the edge

of the property line and the adjacent right-of-way will create an environment where pedestrians feel more comfortable walking. He stated that on the concept plan they are showing more of a traditional suburban design where the building is interior to the lot and does not address the right-of-way as prescribed by the "REC" – Regional Employment Center. Mr. Quint stated that knowing that the proposed elevations do not meet the minimum standards required by the zoning Ordinance, staff is recommending denial of the proposed request due to the lack of conformance with both the zoning ordinance and the "REC" – Regional Employment Center's vision that is prescribed. Mr. Quint stated that the vision prescribed by the "REC" – Regional Employment Center does not reflect current market reality. Mr. Quint stated that they are not recommending denial because of the proposed use but because the proposed elevations do not meet the minimum standards that are required for the "REC" – Regional Employment Center. Applicant, Mr. Randy Hullett, 1700 Redbud, McKinney stated that they are proposing to rezone the property to modify the development standards to develop a high quality wedding chapel. They are requesting to move it back on the property so that their guests would have a view of the golf course. Mr. Michael Tamer, 1319 Eagle Bend, Southlake gave a description of the proposed chapel. The issues included the appropriate density for downtown, where the future municipal center will be located, if parking demands are being addressed, and can downtown handle the proposed redevelopment center. Mr. Quint stated that staff recommends the future municipal facility be located on some combination of the northern sites and that the final location may be determined at a future date. Mr. Quint stated that from Staff's perspective, there really isn't a parking issue at this time and both the proposals from Zenstar Development and InTown Homes include a parking structure.
