Re: Conveyance Plat Application – Lake Forest Self Storage
CECI Project No. 13083

Dear Michael:

Attached please find the Conveyance Plat Submittal for the Lake Forest Self Storage Development. The property is located in the northeast quadrant of Lake Forest Drive and McKinney Ranch Road. The subject development will be located just north and east of the 7-11 property on the hard corner. The intent of the Owner is to subdivide the existing 15.252 acre tract into 5 lots to develop a high quality Self Storage Project on one of the lots being created. Project details are summarized as follows:

- Subject property to be developed is 3.62 acres.
- Property being platted is 15.252 acres
- The subject tract is currently zoned PD-2014-01-001
- There will be 5 lots created in one block.
- The reason for the conveyance plat is to convey ownership of proposed lots prior to development.
- Target Planning & Zoning Commission date is May 13, 2014.

Thank you in advance for your consideration with this matter. Please contact me if you have any questions or concerns.

Sincerely,
