PRELIMINARY/FINAL PLAT
Letter of Intent

Re: Wilson Creek Crossing
SWC Lake Forest Drive at US Highway 380
McKinney, TX

- The subject property located at the Southwest Corner of US-380 (University Dr.) and Lake Forest Drive consists of 62.699 acres of developable land and 33.24 acres defined by a LOMR as floodplain which will remain in place as is. The property is situated at a signalized intersection of a major east / west thoroughfare and a major north / south thoroughfare.
- The purpose of this plat is to modify the existing lot lines and create 17 lots for development.
