I PROTEST _____ APPROVE [checked] of the appeal for a variance as requested by

the above file number because I think it would definitely be

an improvement to the property therefore increasing

property value. My property faces this property and I know that the newest homeowner has done so much to

enhance the appearance of this house whatever she does will follow this same trend. Thank you for allowing me to give my input.

I PROTEST _____ APPROVE of the appeal for a variance as requested by

the above file number because Francis has very little traffic,
there are already big trees at the edge of the property -
no carport won't inhibit traffic if the trees don't.

We need to encourage
