Specific use permit request:

We are requesting a specific use permit for Hank's Texas Grill located at 1310 N. Central Expressway. We have .9 acre at the intersection of central and white avenue on the southeast corner. We would like to change from restaurant liquor license to private club.

We are making this request due to changing market conditions and the ability to maintain liquor sales ratios. We were a private club prior to the current status and feel this is the best option for the restaurant in the future.

Sincerely,

Ron Reynolds
