- ### SITE PLAN NOTES
- The sitework on this project shall meet or exceed the City of McKinney and Walmart standards and specifications.
 - Site is zoned: PD "Planned Development"
 - Underground structures, facilities and utilities have been plotted from available surveys and records. Therefore, their locations must be considered approximate only. There may be others, the existence of which is presently not known.
 - Contractor to contact telephone, electric, gas, water and cable companies to have underground utilities located on this site and adjacent to this site prior to doing any excavating.
 - All unsurfaced areas are to receive 4 inches of topsoil. Contractor to sod, fertilize, and maintain all areas outside of paved areas that were disturbed during construction until an acceptable stand of grass is established. The Contractor shall be responsible to take whatever means necessary to establish permanent soil stabilization.
 - All dimensions are to edge of pavement unless otherwise noted.
 - Parking is to be striped with 4" wide painted yellow lines as indicated.
 - Refer to architectural plans for site lighting electrical plans.
 - The sanitation container screening walls shall be brick masonry, stone masonry, or other architectural masonry finish, including a metal gate, primed and painted, and the sanitation container screening walls, gate, and pad site shall be constructed in accordance with the city design specifications.
 - Mechanical and heating and air conditioning equipment in non-residential uses shall be screened from view from the public right-of-way and from adjacent residential properties.
 - The lighting for the subject property will be constructed and operated in conformance with chapter 5B of the City of McKinney Code of Ordinances.
