

# Director's Report

## October 2018

October found us refocused on Adult and Youth programming at both locations- and around town.

Youth Program Attendance up 19%  
Adult Program Attendance up 196%

## Continued Growth

Outreach, Early Voting, and Programming drove library visits as they increased 42%!

This led to a 10% increase in checkouts of physical materials and a 37% increase in digital checkouts!

## **Room to Improve**

Despite this growth, we saw a decrease of reported volunteer hours by 32%, so we will soon place added attention to volunteer recruitment and maintenance.

Our first step in this has been to recruit a volunteer for weekly inventories at JJGL, but will soon spread into program assistant positions as well.

## Monthly Highlights

The Library offered 125 programs during the month.

We registered 781 new members in October.

The Availability of eBooks and Digital Audio books is now over 110,000 items.
