

Spring 2023 Programs report
Library Advisory Board meeting
January 19, 2023

New Programs

- **It Might Get Loud:** first regularly occurring program hosted outside of the library's normal operating hours (first Friday of the month, 6:30 to 9:00PM)
- **Pixicade:** video game programming
- **Collector's Corner:** guests discussing and sharing hobbies that have turned into full-time obsessions, with tips on managing time, energy, and money

Partnerships

- **DIY Raspberry Pi Projects:** Three-week series with local YouTube creator (April)
- **Homeschool Meetup:** Expanding from seasonal to year-round service (second and fourth Wednesdays)
- **Fuel The Future:** Former Coding Carnival program expanded to include other literacy skills (monthly on Saturdays)
- **Robotics and Teen Robotics:** popular Saturday morning programs with McKinney Mercenaries Robotics (first and second Saturdays)
- **Introduction to Chess:** instructional program that has helped grow the Saturday Chess Meetup program (every Saturday)

Special Events

- **Lunar New Year Celebration** (January 14)
- **Jubilee** (February 25)
- **Camp McKinney** (March 6-10)
- **Dino-Mite Egg Hunt** (April 8)
- **Earth Day Kite Fly** (April 22)
- **East and West Fest** (May 20)

Staff Changes

- **Librarian II – Program Strategies position** (see attachment)
