

Let's Make McKINNEY COUNT!

It's Easy.

Every household will have the opportunity to be counted in the 2020 Census. They have the option to answer seven simple questions online, by mail or by phone. Answers are kept strictly confidential and are used for statistical purposes only.

It's Your Civic Duty.

Completing the census is mandatory: it's a way to participate in our democracy and say "I COUNT!"

It's Important.

Communities rely on census statistics to plan for a variety of needs including new roads, schools, emergency services as well as business attraction and retention.
