Using the outline below, provide a written narrative no longer than 7 pages in length:

I. Applying Organization

- Describe the mission, strategic goals and objectives, scope of services, day to day operations and number of paid staff and volunteers.

OUR MISSION: *At ManeGait Therapeutic Horsemanship, children and adults with disabilities move beyond their boundaries through the healing power of the horse and the dedication of a professional and caring community.*

Founded in 2007 by business and community leaders Priscilla and Bill Darling and their daughter, Landon Darling Schneider, ManeGait has had the privilege of serving North Texas for over 15 years.

Nestled in the heart of one of the fastest-growing communities in the country, ManeGait has become a beacon serving **thousands** of riders, families, volunteers, and organizations each year.

MANEGAIT PROGRAM OVERVIEW:

ManeGait's nationally recognized equine therapy and brain building programs enable individuals with disabilities and military veterans to live more independent, fulfilling lives.

ManeGait provides weekly therapeutic programs to **150** riders with physical, emotional, cognitive, and behavioral disabilities, delivering more than **7,000** hours of services each year. Certified instructors lead our programs with the assistance of **30** therapy horses and a team of over **285** volunteers each week.

- **Therapeutic Horseback Riding** – ManeGait's core riding program consists of weekly private or small group riding lessons tailored to the needs of each rider. Individual goals are established and monitored throughout the session to help our special needs riders receive the physical, mental, and emotional benefits of therapeutic riding.
- **Therapeutic Carriage Driving** – This is a form of equine-assisted therapy where participants drive a horse-drawn carriage or cart. The program promotes coordination, fine and gross motor skills, visual perception, spatial awareness, communication skills, and independence.
- **GaitWay to the Brain Program** – Developed at ManeGait, the GaitWay to the Brain program improves outcomes for our riders by incorporating brain-building exercises into the framework of riding lessons and reinforcing these outcomes with at-home activities. Supported by evidence-based neurological research, this methodology is designed to increase brain and body integration for participants. Success of this program has led to a university research study and replication at riding centers across the U.S. and Canada.
- **'ManeGait to Freedom' Veteran Program** – This program is specifically designed to support the needs of injured and disabled military veterans.

WHO WE SERVE: ManeGait riders range from 5 to 81 years of age, with more than 62% are under the age of 21. Participants come from five North Texas counties. Disabilities served include: Autism Spectrum Disorder, Cerebral Palsy, Intellectual Disability, Developmental Delay, Down Syndrome, Attention Deficit Disorder / ADHD, Traumatic Brain Injury, Post-Traumatic Stress Disorder, among many other disabilities.

- Disclose and summarize any significant, planned organizational changes and describe their potential impact on the Project/Promotional/Community Event for which funds are requested.

Proceeds from this event will support ManeGait's 2023 program goals to increase our program capacity (reducing our rider waitlist) and ensuring rider fees remain affordable for families (not to exceed 15% of operating budget).

II. Promotional/Community Event

- Outline details of the Promotional/Community Event for which funds are requested. Include information regarding scope, goals, objectives, target audience.

This event is an opportunity to promote local business development and tourism by bringing families from surrounding communities to McKinney. ManeGait is the perfect setting to feature the beauty of our city and the impact McKinney businesses and MCDC are having on the quality of life of our residence and the North Texas community.

- Detail goals for growth/expansion in future years.

This is an annual event that will be held at ManeGait each spring. Our goal is to grow attendance and sponsorship support year over year. This event is an excellent way to create awareness about our programs, build partnerships with local businesses, and give the residents of McKinney (and surrounding areas) an opportunity to be part of ManeGait’s mission.

- Provide plans to attract resident and visitor participation and contribute to business development, tourism and growth of McKinney sales tax revenue.

ManeGait has been improving the quality of life of McKinney residents and their families for over 15 years. Funding from this event will help us continue to grow our programs and to serve more members of our community. ManeGait also invites local businesses to take part in ManeGait LIVE to promote their company and to introduce visitors to all that McKinney has to offer. As a thank you for sponsorship and support, we look forward to promoting our business sponsors, vendors and, MCDC with onsite and pre/post event media coverage.

ManeGait LIVE also attracts visitors from other cities to McKinney. **In 2022, 68% of online ticket sales were from outside of McKinney including residences from 40 different North Texas cities.**

ManeGait is a perfect example of how McKinney is “unique by nature”. It is a beautiful, peaceful property, which gives visitors the opportunity to experience nature in a personal way. Volunteers tell us that just being at ManeGait is a therapeutic experience in and of itself. Visiting during special events often inspires people to become regular weekly volunteers. Resulting in over 1,200 active ManeGait volunteers who come to McKinney from all over the metroplex.

- Demonstrate informed budgeting/financial planning – addressing revenue generation, costs and use of net revenue.

This is the sixth year for this event, and our team is committed to optimizing its impact through careful budget planning. This includes leveraging opportunities to increase sponsorships and in-kind donations and to minimize expenditures when possible. We continue to work to ensure that expenses are allocated to areas which drive attendance, improve the guest experience, ensure safety and security at the event, and promote ManeGait and the City of McKinney. Net revenue generated from the event directly supports ManeGait’s therapeutic riding programs and helps us keep costs affordable for rider families.

Independent Auditor's Report

To the Board of Directors of
ManeGait
McKinney, Texas

We have audited the accompanying financial statements of ManeGait (a non-profit organization) (the "Organization"), which comprise the statements of financial position as of December 31, 2021, and 2020, and the related statements of activities and changes in net assets, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of ManeGait as of December 31, 2021, and 2020, and the statements of activities and changes in its net assets, its cash flows and functional expenses for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

The Organization is incorporated under the laws of the State of Texas as a nonprofit organization and is located in McKinney, Texas. The Organization is a therapeutic horsemanship center offering therapeutic equestrian activities and therapy in a caring, high-integrity environment. The Organization serves children and adults with disabilities so that they can move beyond their boundaries through the healing power of the horse and the dedication of a professional, caring community. The focus of therapeutic riding lessons is skill development and progression while improving the rider's physical, cognitive, emotional and social skills. The Organization derives most of their revenues from free-will donations, fundraising events, grants and rider fees.

The Organization's programs are as follows:

Therapeutic Riding – The Organization's riding programs consist of weekly private or small group lessons where riders learn to walk, trot, canter jump, and compete as equestrians. Horseback riding is a rewarding activity that provides many physical, cognitive, and emotional benefits. These benefits include greater core strength, balance, coordination, and speech; as well as confidence, independence, teamwork, and the unconditional acceptance and companionship of a horse.

GaitWay to the Brain – Developed at the Organization, GaitWay to the Brain ("GaitWay") is the first program of its kind to integrate brain-building exercises into the framework of equine therapy to extend and amplify the benefits of riding. Outcomes of the GaitWay program have been validated by third-party research and have led to replication of the program at riding centers across the U.S. and Canada. GaitWay classes are conducted one-on-one or in small groups. The program takes participants through a series of activities that stimulate underutilized parts of the brain, which gives clients the improved ability to focus, center themselves, and get the most benefit out of therapeutic riding.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions - Net assets available for use in general operations and not subject to donor restrictions. Net assets without donor restrictions may be designated for specific purposes by action of the Board of Directors as reserve funds. See Note 7.

Net assets with donor restrictions - Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are restrictions when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. There were no perpetual net assets in nature at December 31, 2021, and 2020. See Note 8.

NOTES TO THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Liquidity and Availability

Assets are presented in the accompanying statements of financial position according to their nearness of conversion to cash and liabilities according to the nearness of their maturity and resulting use of cash. See Note 2.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand and all highly liquid investments purchased with an initial maturity of three months or less. The FDIC deposit insurance insures deposits up to \$250,000 per deposit, per insured bank for each ownership category. There was approximately \$1,420,000 and \$497,000 uninsured cash at December 31, 2021 and 2020, respectively.

Accounts Receivable

Accounts receivable consist of rider fees. Management evaluates accounts receivable and writes off accounts when they are deemed uncollectible. The results of using the method are not materially different from using the reserve method.

Property, Plant and Equipment

Property, plant and equipment are recorded at cost if purchased, or at estimated fair value as of the date of donation. The Organization capitalizes expenditures for these assets in excess of \$1,000 and with an estimated useful life greater than one year. The costs of maintenance and repairs are charged to expense as incurred. Depreciation is computed on a straight-line basis over estimated useful lives as follows:

	<u>Estimated Lives</u>
Leasehold improvements	10 - 20 years
Farm equipment	5 - 7 years
Program equipment	5 years
Vehicles	5 - 7 years
Admin equipment	5 years
Horses	5 years
Arena	19 - 20 years

Accrued Liabilities

Various expenses of the Organization that were incurred before December 31, 2021, and 2020, respectively, but paid afterwards, have been accrued and reported as accrued liabilities. See Note 4.

Fair Value of Financial Instruments

The carrying value of cash and cash equivalents, cash and cash equivalents – with donor restrictions, accounts receivable, contributions receivable, prepaid expenses, accounts payable, accrued liabilities, and note payable approximate fair value due to the short-term maturities of these assets and liabilities.

ManeGait
NOTES TO THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition

Contributions and grants are generally recorded only upon receipt unless evidence of an unconditional promise to give has been received. Unconditional promises to give (pledges receivable) that are expected to be collected in future years are recorded at the present value of the amounts expected to be collected and reduced by an allowance for uncollectible amounts. Conditional promises to give are recognized when the conditions to which they are subject are met. Rider fees are reflected as revenue as services are provided. Deferred revenue arises from advance billing of rider fees for the subsequent riding sessions received in the current period.

In-kind Goods and Services

Contributed assets are reflected as contributions in the accompanying financial statements at their estimated values on the dates of receipt. Contributed services are reflected in the financial statements at fair value of the services received if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation.

The value of in-kind goods and services is as follows for the years ended December 31,:

	2021	2020
Horses	\$ 5,000	\$ 5,000
Equipment	6,455	-
Horse care	4,296	-
Repairs and maintenance	202	-
Program equipment	2,587	1,000
	\$ 18,540	\$ 1,000

In addition, many individuals volunteer their time and efforts that help the Organization provide its services. Approximately 300 individuals volunteered approximately 13,100 hours of service with an estimated value of approximately \$357,000 for the year ended December 31, 2021. Approximately 350 individuals volunteered approximately 10,800 hours of service with an estimated value of approximately \$294,000 for the year ended December 31, 2020. The value of this contributed time is not reflected in the accompanying financial statements because it does not meet the above criteria.

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities and changes in net assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Such allocations are determined by management on an equitable basis.

The expenses that are allocated include the following:

	<u>Method of Allocation</u>
Salaries and benefits	Time and effort
Depreciation	Square footage
Insurance	Square footage and usage
Utilities	Square footage and usage

NOTES TO THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes

The Organization is exempt from federal income taxes under Section 501(c) (3) of the Internal Revenue Code, except to the extent it has unrelated business income. For the years ended December 31, 2021, and 2020, the Organization had no material net unrelated business income. Accordingly, no provision for income taxes has been provided in the accompanying financial statements. The Organization is not recognized as a private foundation.

The Organization has concluded that it does not have any unrecognized tax benefits resulting from the current or prior period tax positions. Accordingly, no additional disclosures have been made on the financial statements regarding ASC 740, *Income Taxes*. The Organization does not have any outstanding interest or penalties, and none have been recorded in the statements of activities and change in net assets for the years ended December 31, 2021, and 2020. The Organization's informational returns filed are generally subject to examination for three years after the later of the due date or date of filing. As a result, the Foundation is no longer subject to income tax examination by tax authorities for years prior to 2018.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported and disclosures. Actual results could differ from those estimates.

2. LIQUIDITY AND AVAILABILITY

The following reflects the Organization's financial assets as of December 31, 2021, and 2020, reduced by amounts not available for general use because of donor-imposed restrictions within one year of the statements of financial position date. Amounts available include donor restricted amounts that are available for general expenditure in the following year.

As a part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. To help manage unanticipated liquidity needs, the Organization has a committed line of credit in the amount of \$200,000, which it could draw upon. See Note 5. In addition, the Board designates a portion of any operating surplus to its operating reserve, which was \$400,000 and \$200,000 as of December 31, 2021, and 2020, respectively. See Note 7.

In April 2021, the Organization approved a Capital Campaign Project, the Beacon Project, to fully optimize every acre of land by adding a second covered riding area, a 20-stall horse barn, pasture reconfiguration, and a new administrative building with a therapy center and conference space. The total budget for this multi-phased project is \$9,000,000. Groundbreaking is anticipated by July 2023. See Note 11.

4. ACCRUED LIABILITIES

Accrued liabilities consist of the following at December 31,:

	2021	2020
Audit and accounting fees	\$ 17,055	\$ 10,500
Gala expenses	17,000	29,918
	\$ 34,055	\$ 40,418

5. LINE OF CREDIT

The Organization has a \$200,000 line of credit with a financial institution. The interest rate is the Prime rate with a floor of 3.25%. Collateral is a first lien deed of trust on the Organization’s property at 3160 North Custer Road, McKinney, Texas. On August 25, 2020, the line of credit was renewed with a new maturity date of August 25, 2022. The Organization had no outstanding balances at December 31, 2021, and 2020. See Note 11.

6. NOTE PAYABLE

On April 28, 2020, the Organization received loan proceeds in the amount of \$152,100 under the Paycheck Protection Program (“PPP”). Established as part of the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”), the PPP provides for loans to qualifying businesses in amounts up to 2.5 times the business’s average monthly payroll expenses. PPP loans and accrued interest are forgivable after a “covered period” (eight or 24 weeks) as long as the borrower maintains its payroll levels and uses the loan proceeds for eligible purposes, including payroll, benefits, rent, and utilities. The forgiveness amount will be reduced if the borrower terminates employees or reduces salaries during the covered period. Any unforgiven portion of a PPP loan is payable over two or five years at an interest rate of 1%, with a deferral of payments for 10 months after then end of the covered period. The Organization intends to use PPP loan proceeds for purposes consistent with the PPP and apply for forgiveness within 10 months of the end of the covered period. In January 2021, the Organization received full forgiveness of the PPP loan and is not required to repay any of the balance or interest.

NOTES TO THE FINANCIAL STATEMENTS

6. NOTE PAYABLE (Continued)

On February 2, 2021, the Organization received loan proceeds in the amount \$130,000 loan under the second round of the Paycheck Protection Program (“PPP2”). Established as part of the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”), the PPP2 provides for loans to qualifying businesses in amounts up to 2.5 times the business’s average monthly payroll expenses. PPP2 loans and accrued interest are forgivable after a “covered period” (24 weeks) as long as the borrower maintains its payroll levels and uses the loan proceeds for eligible purposes, including payroll, benefits, rent, and utilities. The forgiveness amount will be reduced if the borrower terminates employees or reduces salaries during the covered period. Any unforgiven portion of a PPP2 loan is payable over two or five years at an interest rate of 1%, with a deferral of payments for 10 months after then end of the covered period. In August 2021, the Organization received full forgiveness of the PPP loan and is not required to repay any of the balance or interest.

The Organization has elected to record these loans under ASC 470, *Debt* in which any subsequent forgiveness of the debt would result in a gain on extinguishment in the period when the Organization is legally released from the obligations of the debt. For the years ended December 31, 2021 and 2020, the Organization recognized \$282,100 and \$0 on extinguishment of debts on the statement of activities and change in net assets, respectively.

7. BOARD DESIGNATED NET ASSETS

The Board has designated \$400,000 and \$200,000 from net assets without donor restrictions as an operating reserve at December 31, 2021, and 2020, respectively. The operative reserve is to ensure the stability of the mission, programs, employment, and ongoing operations of the Organization. The operating reserve will be funded with surplus operating funds and will be calculated each year after approval of the annual budget.

8. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are restricted for the following purpose at December 31,:

10. RISKS, ECONOMIC OUTLOOK AND UNCERTAINTIES

The Organization depends heavily on donations and special events for its revenue. The ability of the donors to continue giving amounts comparable with prior years may be dependent, among other things, upon current and future overall economic conditions and the continued deductibility for income taxes purposes of donations to the Organization. While management believes the Organization has the resources to continue its programs, its ability to do so, and the extent to which it continues, may be dependent on the above factors.

The COVID-19 pandemic, whose effects first became known in January 2020, is having a broad and negative impact on commerce and financial markets around the world. The United States and global markets experienced significant declines in value resulting from uncertainty caused by the pandemic. The Organization is closely monitoring its liquidity and is actively working to minimize the impact of these declines. The extent of the impact of COVID-19 on the Organization's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and its impacts on the Organization's donors, employees, and vendors, all of which at present, cannot be determined. Accordingly, the extent to which COVID-19 may impact the Organization's financial position and changes in net assets and cash flows is uncertain and the accompanying financial statements include no adjustments relating to the effects of this pandemic.

The Beacon Project will be redeveloped to meet this challenge and the needs of our community.

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. During your advance ruling period, you will be treated as a public charity. Your advance ruling period begins with the effective date of your exemption and ends with advance ruling ending date shown in the heading of the letter.

Shortly before the end of your advance ruling period, we will send you Form 8734, Support Schedule for Advance Ruling Period. You will have 90 days after the end of your advance ruling period to return the completed form. We will then notify you, in writing, about your public charity status.
