~~(1)(2)~~ When a use, lot, or structure which does not conform to the regulations prescribed in the district in which such use or structure is located was in existence and lawfully operating prior to April 29, 1968, and has been operating since without discontinuance. does not conform to the current regulations of this chapter, but was legally established at a prior date when the use, lot, or structure was in conformance with applicable regulations and such use, lot, or structure has been in continuous use or operation since its establishment.

~~(2)~~ When, on the effective date of the ordinance from which this chapter is derived, the use or structure was in existence and lawfully constructed, located and operating in accordance with the prior zoning ordinance or which was a nonconforming use thereunder, and which use or structure does not now conform to the regulations herein prescribed for the district in which such use or structure is located.

(3) When a use, lot, or structure, which does not conform to the current regulations prescribed in the district in which such use or structure is located of this chapter, was in existence at the time of annexation to the city, and has since been operating since without discontinuance in regular and continuous use.

~~(4)~~ Single family or two family dwellings constructed prior to the effective date of the ordinance from which this chapter is derived which do not provide off-street parking as required in section 146-130 shall be considered conforming in regard to parking.

~~(5) Existing residences located in the "MP", "O", "ML", "MH", "AP" and "GC" districts may be improved, maintained, or rebuilt as conforming structures.~~

~~(c) Burden to establish legal nonconformity of demonstration. The burden of demonstrating that any use, lot, or structure is a legal nonconformity as defined by this section shall belong to the owner(s)¹ or the proponent of such purported nonconformity.~~

~~(d) Continuation for definite periods of timeContinuing lawful use of property and structures. Any nonconforming use, lot, of land or structures may be continued for definite periods of time as indicated herein-below subject to the board of adjustment's power of amortization; subject to such regulations as the board of adjustment may require for immediate preservation of the adjoining property, prior to the ultimate removal of the nonconforming use.~~

(1) Uses.

~~i. Nonconforming uses may continue to operate indefinitely unless the use ceases to operate for a period longer than six (6) months. If a nonconforming use ceases to operate for a period longer than six (6) months, the nonconforming use shall be deemed permanently abandoned. The nonconforming use shall not thereafter be renewed or instituted on that property or another property in any district which does not permit the abandoned use, unless otherwise approved by the Board of Adjustment. For the purposes of this paragraph, the phrase "ceases to operate" shall mean to intentionally terminate operations of the nonconforming use. Any nonconforming use that does not involve a permanent type of structure and which is moved from the property shall be deemed permanently abandoned.~~

~~ii. A nonconforming use may not be replaced by or changed to another nonconforming use.~~

~~iii. The Board of Adjustment shall have the authority to reinstate the nonconforming status of a use if the Board finds there was clear intent not to abandon the use even though the use was discontinued for more than six (6) months. The failure of the owner and/or operator to remove on-premise signs related to the nonconforming use shall not be sufficient, as the sole evidence presented by the applicant, to establish a clear intent not to abandon the use.~~
