

Food Establishment Regulations

October 15, 2019

Richard Milam, R.S.,
Health Compliance Supervisor

Background Information

- Revisions made from Council Meeting September 17th, 2019
- Food Manager Guidelines
- Re-Inspection timeline and process

Food Manager Information

- There shall be a Certified Food Manager on each shift and available for food service workers that may have questions about operations.

Re-Inspection Process

- Environmental Health Specialist shall provide his/her cell phone and his/her supervisors cell phone number.
- This allows for coordination of re-inspection over the weekend, but in no event shall re-inspection occur later than the next business day.
- Environmental Health Specialist shall endeavor to perform a re-inspection as soon as possible, including on a weekend if possible.
